A Simplified and Focused Business Model

Shipping

From the critical post-purchase experience driven by industry-leading delivery, returns and fulfillment to unmatched reach in cross-border ecommerce, we partner with our clients to sell farther, ship faster and deliver experiences that consumers love.

Innovative technology solutions to help office and retail shippers send and track packages and parcels domestically and internationally.

Our solutions help:

- Send packages, parcels, freights and flats across multiple carriers.
- Simplify inbound package tracking.
- Automate parcel sorting with modular and flexible solutions.
- Achieve international expansion with global retail made easy.

Mailing

Mailing technology and services for creating, sorting and sending mail, including:

- Postage Meters
- Online postage
- Inserters & Printers
- Presort Mailing Services
- Address validation

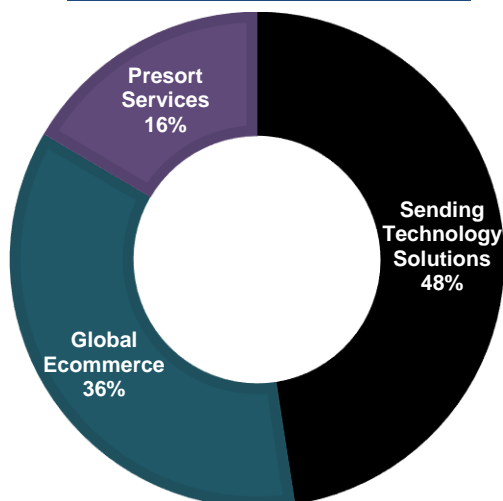

Financing

We offer flexible financial solutions to meet our clients' mailing and shipping needs.

We provide the capital needed for Pitney Bowes and non-Pitney Bowes critical equipment purchases.
