and Parent filed Amendment No. 2 to Schedule TO. The Schedule TO related to the offer by the Purchaser to purchase all the outstanding shares of common stock, par value \$0.01 per share (the "Common Shares"), of Alysis Technologies, Inc. ITEM 6 PURPOSES OF THE TRANSACTION AND PLANS OR PROPOSALS

and

ITEM 8 INTEREST IN SECURITIES OF THE COMPANY

Item 6 and 8 of Schedule TO are amended and supplemented to include the following information:

"The Offer expired at 5:00 p.m., New York City time, on Wednesday, May 2, 2001, following the expiration of a Subsequent Offering Period begun at 9:00 a.m. New York City time on April 26, 2001. Based upon a preliminary count from the Depositary, as of 5:00 p.m. New York City time, May 2, 2001, approximately 10,231,369 Common Shares and 2,417,112 Class B Shares had been tendered pursuant to the Offer prior to the expiration of the Subsequent Offering Period. Such Shares constituted approximately 91.26% of the outstanding Common Shares and 100% of the outstanding Class B Shares. All Shares validly tendered and not withdrawn prior to 12:00 midnight, New York City time on April 25, 2001 (the initial expiration date of the Offer), were accepted for payment pursuant to the terms of the Offer. Payment for such accepted Shares has been made to the Depositary on April 27, 2001. The Depositary has been instructed to immediately accept and promptly pay for all validly tendered Shares as they are tendered during the Subsequent Offering Period.

Parent intends to effect the Merger of the Purchaser with and into the Company on May 3, 2001, or as soon as practicable thereafter. Since the Purchaser owns more than 90% of each class of the Company's outstanding classes of capital stock entitled to vote on the Merger, under Section 253 of the DGCL, the Merger will be consummated without a vote or a meeting of the Stockholders. Pursuant to the Merger, Shares that were not

2

tendered into the Offer (other than Shares held in the treasury of the Company or Shares owned by the Purchaser, which Shares will be cancelled without any conversion thereof and no payment or distributions will be made with respect thereto) will be canceled and converted automatically into the right to receive \$1.39 per Share in cash (subject to applicable withholding taxes), without interest, subject to the rights of the holders of non-tendered Shares to seek appraisal of the fair market value thereof pursuant to Section 262 of the DGCL. Following the Merger, the Company will become a wholly owned subsidiary of Pitney Bowes."
