## ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

### *Note Purchase Agreement*

On July 31, 2023, Pitney Bowes Inc. (the “Company”) entered into a Note Purchase Agreement (the “Note Purchase Agreement”) by and among the Company, as issuer, the noteholders party thereto and Alter Domus (US) LLC, as noteholder representative. The noteholders include funds managed by Oaktree Capital Management, L.P. The Note Purchase Agreement provides for the private issuance of senior secured notes in an aggregate principal amount of \$275,000,000 (the “Senior Secured Notes”). The majority of the proceeds of the Senior Secured Notes will be used to redeem in full the Company’s 4.625% Notes due 2024 (the “2024 Notes”) on the redemption date for such notes. The remainder of the proceeds will be used to repay a portion of the term loans outstanding under the Company’s existing credit agreement, and pay fees and expenses in connection with the foregoing.

The Senior Secured Notes will mature on March 19, 2028. The Senior Secured Notes will bear interest at a rate equal to the term SOFR rate, plus a margin of 6.90%. The Note Purchase Agreement requires the Company to repurchase the Notes in an aggregate principal amount equal to 1.00% per annum, on the last business day of each calendar quarter. Optional redemptions of the Senior Secured Notes are permitted, subject to payment of a redemption premium equal to, (i) until the first anniversary of the date of the issuance of the Senior Secured Notes (the “Closing Date”), a customary make-whole amount, plus 5.00% of the principal amount of the Senior Secured Notes being redeemed, (ii) from the first anniversary of the Closing Date until the second anniversary of the Closing Date, 5.00% of the principal amount of the Senior Secured Notes being redeemed, (iii) from the second anniversary of the Closing Date until the third anniversary of the Closing Date, 2.00% of the principal amount of the Notes being redeemed, and (iv) thereafter, 0%.

The Senior Secured Notes are secured, on a pari passu basis with the indebtedness under the Company’s existing credit agreement, by substantially all of the assets of the Company and certain of its subsidiaries that act as guarantors with respect to the Senior Secured Notes, subject to customary exclusions and limitations set forth in the Note Purchase Agreement and the other note documents executed in connection therewith. The Note Purchase Agreement contains customary representations and warranties and affirmative and negative covenants, including negative covenants that limit the ability of the Company and the Company’s restricted subsidiaries to incur additional debt, incur or permit liens on assets, make investments and acquisitions, consolidate or merge with any other company, engage in asset sales and make dividends and distributions.

Obligations under the Note Purchase Agreement may be accelerated upon the occurrence of certain customary events of default (subject to grace periods, as appropriate), including among others: nonpayment of principal, interest or fees; breach of the affirmative, negative or financial covenants; breach of the representations or warranties in any material respect; events of default with respect to other material indebtedness; bankruptcy or insolvency; material judgments entered against the Company or any of our restricted subsidiaries that are not promptly paid or stayed; invalidity or unenforceability of the Note Purchase Agreement or other documents associated with the Note Purchase Agreement; and a change of control of the Company.

---

On July 31, 2023, the Company entered into a Sixth Amendment (the “Amendment”) to the Credit Agreement, dated as of November 1, 2019 (as previously amended, the “Existing Credit Agreement”), by and among the Company, the subsidiaries of the Company party thereto, the lenders and issuing banks party thereto and JPMorgan Chase Bank, N.A., as administrative agent. The Amendment makes certain changes to the Existing Credit Agreement to conform to the Note Purchase Agreement, including, without limitation, providing for potential guarantees and security from foreign subsidiaries in certain specified jurisdictions, adjusting certain negative covenant baskets while the Note Purchase Agreement remains outstanding, and other revisions set forth therein.

The foregoing description of the Note Purchase Agreement and the Amendment does not purport to be complete and is qualified in its entirety by reference to the Note Purchase Agreement and the Amendment, copies of which are attached as Exhibits 10.1 and 10.2, respectively, to this Current Report on Form 8-K and incorporated into this Item 1.01 by reference.

**ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.**

The information set forth in Item 1.01 of this Current Report on Form 8-K regarding the Amendment is incorporated herein by reference.

**ITEM 7.01 REGULATION FD DISCLOSURE.**

On July 31, 2023, the Company called for redemption of all of its outstanding 2024 Notes, which were issued pursuant to an Indenture dated as of February 14, 2005, as supplemented and amended from time to time, between the Company, as issuer, and The Bank of New York Mellon, successor to Citibank, N.A., as trustee (the “Trustee”).

The Notes will be redeemed on August 30, 2023 (the “Redemption Date”) at a redemption price equal to the sum of 100% of the aggregate principal amount of the Notes being redeemed, accrued but unpaid interest on the Notes to such Redemption Date, and any make-whole amount.

A notice of redemption has been delivered by the Trustee to all registered holders of the Notes.

For the avoidance of doubt, the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (a) or (b) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

Unless the context requires otherwise or except as expressly provided herein, (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, amended and restated, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in the Note Documents), (b) any definition of or reference to any statute, rule or regulation shall be construed as referring thereto as from time to time amended, supplemented or otherwise modified (including by succession of comparable successor laws), unless otherwise expressly stated to the contrary, (c) any reference herein to any Person shall be construed to include such Person’s successors and assigns, (d) the words “herein”, “hereof” and “hereunder”, and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (e) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Agreement and (f) the words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights.

Section 1.03     Accounting Terms; GAAP; Issuer Representative.

(a) Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; *provided* that (i) if the Issuer notifies the Noteholder Representative that the Issuer requests an amendment to any provision (including any definition) hereof to eliminate the effect of any change occurring after the Closing Date in GAAP or in the application thereof on the operation of such provision (or if the Noteholder Representative notifies the Issuer that the Required Noteholders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith and (ii) notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to any election under Statement of Financial Accounting Standards 159, The Fair Value Option for Financial Assets and Financial Liabilities, or any successor thereto (including pursuant to Accounting Standard Codifications), to value any Indebtedness of the Issuer or any Subsidiary at “fair value”, as defined therein.

(b) The Issuer is hereby authorized to act as an agent and representative of the other Note Parties party hereto in providing and receiving notices, consents, certificates, other writing or statements on behalf of the other Note Parties for purposes hereof (including for purposes of Article II). Unless otherwise provided therein, the Noteholder Representative may assume any notice, consent, certificate, other writing or statement received from the Issuer is made on behalf of the other Note Parties, and shall be entitled to rely on, and shall incur no liability by acting upon, any such notice, consent, certificate, other writing or statement accordingly

Section 1.04 Pro Forma Calculations. All relevant calculations for purposes of determining the Consolidated Total Leverage Ratio, the Consolidated Interest Expense, the Consolidated Secured Leverage Ratio, the First Lien Leverage Ratio, the Consolidated Interest Coverage Ratio or Consolidated EBITDA for any purpose under this Agreement shall be made on a Pro Forma Basis.

Section 1.05 Timing of Payments or Performance. Unless expressly stated otherwise, when payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment or performance shall extend to the immediately succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

(a) Notwithstanding anything in this Agreement or any Note Document to the contrary, when calculating any applicable financial ratio or test or determining other compliance with this Agreement (including the determination of compliance with any provision of this Agreement which requires that no Default or Event of Default has occurred, is continuing or would result therefrom) in connection with the consummation of a Limited Condition Transaction, the date of determination of such ratio and determination of whether any Default or Event of Default has occurred, is continuing or would result therefrom or other applicable covenant shall, at the option of the Issuer (the Issuer's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), be deemed to be (i) in the case of a Limited Condition Transaction described in clause (i) of the definition thereof, the date the definitive agreements for such Limited Condition Transaction are entered into and (ii) in the case of a Limited Condition Transaction described in clause (ii) of the definition thereof, the date of giving of the irrevocable notice of redemption therefor (the "LCT Test Date") and if, after such financial ratios and tests and other provisions are measured on a Pro Forma Basis after giving effect to such Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) as if they occurred at the beginning of the applicable period being used to calculate such financial ratio ending prior to the LCT Test Date, the Issuer could have taken such action on the relevant LCT Test Date in compliance with such ratios and provisions, such provisions shall be deemed to have been complied with; provided that at the option of the Issuer, the relevant ratios and baskets may be recalculated at the time of consummation of such Limited Condition Transaction. For the avoidance of doubt, (x) if any of such financial ratios or tests are exceeded (or, with respect to the Consolidated Interest Coverage Ratio, not reached) as a result of fluctuations in such ratio or test (including due to fluctuations in Consolidated EBITDA or otherwise) at or prior to the consummation of the relevant Limited Condition Transaction, such financial ratios and tests and other provisions will not be deemed to have been exceeded (or, with respect to the Consolidated Interest Coverage Ratio, not reached) as a result of such fluctuations solely for purposes of determining whether the Limited Condition Transaction is permitted hereunder and (y) such financial ratios and tests and other provisions shall not be tested at the time of consummation of such Limited Condition Transaction or related transaction. For the avoidance of doubt, if the Issuer has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any financial ratio or test or basket availability with respect to any Limited Condition Transaction on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or, in the case of a Limited Condition Transaction described in clause (i) thereof, the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such subsequent transaction is permitted under this Agreement or any Note Document, any such ratio, test or basket shall be required to comply with any such ratio, test or basket on a Pro Forma Basis assuming such Limited Condition Transaction and the other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated until such time as the applicable Limited Condition Transaction has actually closed or the definitive agreement with respect thereto has been terminated or expires.

(b) Notwithstanding anything to the contrary herein, with respect to any Indebtedness or Liens incurred in reliance on a provision of this Agreement that does not require compliance with a financial ratio or test (including, without limitation, any tests based on the Consolidated Total Leverage Ratio, Consolidated Interest Expense, Adjusted Consolidated Interest Expense, the First Lien Leverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Interest Coverage Ratio, Consolidated EBITDA or Adjusted Consolidated EBITDA) (any such amounts, the "Fixed Amounts") substantially concurrently with any Indebtedness or Liens incurred in reliance on a provision of this Agreement that requires compliance with a financial ratio or test (including any tests based on the Consolidated Total Leverage Ratio, Consolidated Interest Expense, Adjusted Consolidated Interest Expense, the First Lien Leverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Interest Coverage Ratio, Consolidated EBITDA or Adjusted Consolidated EBITDA) (any such amounts, the "Incurrence-Based Amounts"), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the incurrence of the Incurrence-Based Amounts.

Section 1.07 Divisions. For all purposes under the Note Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any person becomes the asset, right, obligation or liability of a different person, then it shall be deemed to have been transferred from the original person to the subsequent person, and (b) if any new person comes into existence, such new person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

Section 1.08 Currency; Calculation of Amounts. For purposes of any determination under Section 6.01, Section 6.02, Section 6.04 or Section 6.05 or under Article VII, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than Dollars shall be translated into Dollars at the currency exchange rates in effect on the date of such determination (with such currency exchange rates being determined by the Issuer in good faith); *provided* that no Default shall arise as a result of any limitation set forth in Section 6.01, Section 6.02, Section 6.04 or Section 6.05 being exceeded solely as a result of changes in currency exchange rates from the currency exchange rates applicable at the time or times the applicable transaction was initially consummated in reliance on the applicable exception to the limitation set forth in such Section.

Section 1.09 Interests Rates. The Noteholder Representative does not warrant or accept any responsibility for, and shall not have any liability with respect to, (a) the continuation of, administration of, submission of, calculation of or any other matter related to the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, the Term SOFR Reference Rate, Adjusted Term SOFR, Term SOFR or any other Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. The Noteholder Representative and its affiliates or other related entities may engage in transactions that affect the calculation of the Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Issuer. The Noteholder Representative may select information sources or services in its reasonable discretion to ascertain the Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR or any other Benchmark, or any component definition thereof or rates referred to in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Issuer, any Noteholder or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Section 1.10 Basket Usage. Notwithstanding anything in this Agreement to the contrary, for purposes of testing availability under any basket or dollar-based threshold set forth in this Agreement or any other Note Document (including baskets measured as a percentage of Consolidated EBITDA) (an “NPA Basket”) that corresponds to a basket or dollar-based threshold under the First Lien Credit Agreement or corresponding First Lien Loan Document as of the date hereof (a “Corresponding Credit Agreement Basket”), the Note Parties shall be deemed to have utilized such NPA Basket as of the Closing Date in an amount equal to the amount by which the Corresponding Credit Agreement Basket has been utilized as of the Closing Date (including as a result of the issuance of the Notes and other actions after the original date of the First Lien Credit Agreement and on or prior to the date hereof), such that the amount available to be incurred under such NPA Basket as of the Closing Date shall be equal to the amount available under the Corresponding Credit Agreement Basket as of the Closing Date.

## ARTICLE II

### THE NOTES

Section 2.01 Notes; Notice of Issuance; Disbursement of Funds.

(a) Subject to the terms and conditions set forth in Section 4.01 hereof, the Issuer shall issue to the respective Noteholders, and each of the Noteholders shall purchase from the Issuer, Notes in the aggregate principal amount set forth next to such Noteholder’s name on Schedule 2.02. The parties hereto intend that, solely for U.S. federal (and applicable state, local and non-U.S.) income tax purposes, the Notes be treated as debt.

(b) The Issuer shall give the Noteholder Representative one (1) Business Day prior written notice in the form of Exhibit J of the Notes to be issued hereunder. The written notice (each a “Notice of Issuance”) shall be irrevocable and shall be given by the Issuer in a form specifying (i) the aggregate principal amount of the Notes to be issued pursuant to the issuance, (ii) the date of such issuance (which shall be a Business Day) and (iii) to which account of the Issuer the proceeds of the such Notes are to be deposited. Following receipt of a Notice of Issuance, the Noteholder Representative shall promptly notify each Noteholder of the amount of its share of the applicable Notes. Each Noteholder shall make the amount of its Note available to the Noteholder Representative in immediately available funds at the Noteholder Representative’s account no later than 1:00 p.m., New York city time on the Business Day specified in the applicable Notice of Issuance. Upon receipt of all requested funds and subject to the terms and conditions set forth in Section 4.01 hereof, the Noteholder Representative shall make all funds so received available to the Issuer in like funds as received by the Noteholder Representative by wire transfer of such funds in accordance with the instructions provided on the Notice of Issuance. Unless Issuer has notified the Noteholder Representative in writing (which notification may be by email) by not later than 5:00 p.m., New York City time on the issuance date that it has not received the aggregate principal amount of the Notes to be issued pursuant to the Note of Issuance and the funds flow, Noteholder Representative shall deem the Notes purchased and make the appropriate recordings in the Register.

Section 2.02 Evidence of Debt; Repayment of Notes.

(a) The Issuer hereby unconditionally promises to pay to the Noteholder Representative for the account of each Noteholder the principal amount of each Note of such Noteholder made to the Issuer as set forth in Section 2.09.

(b) Each Noteholder shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Issuer to such Noteholder resulting from each Note purchased by the Issuer from such Noteholder from time to time, including the amounts of principal and interest payable and paid to such Noteholder from time to time under this Agreement.

(c) The Noteholder Representative shall maintain accounts in which it will record (i) the amount of each Issuance made hereunder and, if applicable, the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Issuer to each Noteholder hereunder and (iii) the amount of any sum received by the Noteholder Representative hereunder from or on behalf of the Issuer or any Subsidiary Guarantor and each Noteholder’s share thereof.

(d) The entries made in the accounts maintained pursuant to clauses (b) and (c) above shall be prima facie evidence of the existence and amounts of the obligations therein recorded; *provided* that (i) in the event of any inconsistency between any account maintained pursuant to clause (b) above and any account maintained pursuant to clause (c) above, the account maintained pursuant to clause (c) above shall be conclusive absent manifest error and (ii) the failure of any Noteholder or the Noteholder Representative to maintain such accounts or any error therein shall not in any manner affect the obligations of the Issuer to repay the Notes issued by it in accordance with their terms; *provided, further* in the event of a conflict between such accounts of the Noteholder Representative and the Register, the Register shall control.

(e) (i) The Issuer shall deliver to each Noteholder on the Closing Date a promissory note in the aggregate principal amount set forth opposite such Noteholder's name on Schedule 2.02 under the heading "Commitment" and (ii) the Issuer, upon request by any Noteholder and the delivery to the Issuer of such Noteholder's existing promissory notes, shall deliver to each Noteholder replacement promissory notes representing such Noteholder's pro rata share of the outstanding principal balance of the promissory notes from time to time. Upon receipt of evidence reasonably satisfactory to the Issuer of the loss, theft, destruction or mutilation of any promissory notes, and, in the case of any such loss, theft or destruction, upon delivery of an indemnity agreement in form and substance reasonably satisfactory to the Issuer, or, in the case of any such mutilation, upon surrender and cancellation of the mutilated promissory notes, as the case may be, the Issuer will issue a new promissory notes of like tenor, in lieu of such lost, stolen, destroyed or mutilated promissory notes.

Section 2.03 Fees.

(a) The Issuer agrees to pay to the Noteholder Representative (i) for its own account, an annual agency fee (the "Noteholder Representative Fees") as separately agreed to in the Noteholder Representative Fee Letter and (ii) for the account of each Noteholder, a fee (the "Noteholder Fee") as separately agreed to in the Noteholder Fee Letter.

(b) All Fees shall be paid on the dates due, in immediately available funds, to the Noteholder Representative for distribution, if and as appropriate, among the applicable Noteholders. Once paid, none of the Fees shall be refundable under any circumstances.

Section 2.04 Interest on Notes.

(a) Subject to the provisions of Section 2.05, the Notes shall bear interest (computed on the basis of the actual number of days elapsed over a year of three hundred sixty (360) days) at a rate per annum equal to the Applicable Rate. Interest shall accrue (i) from and including the date of purchase of the Note to but excluding the first Interest Payment Date, and thereafter (ii) from the Interest Payment Date to but excluding the next succeeding Interest Payment Date.

(b) Interest on each Note shall be payable to the Noteholder Representative for the benefit of the Noteholders on the applicable Interest Payment Dates. The Adjusted Term SOFR for each Interest Period or day within an Interest Period, as the case may be, shall be determined by the Noteholder Representative, and such determination shall be conclusive absent manifest error.

Section 2.05 Default Interest. Upon the occurrence and during the continuance of an Event of Default under Section 7.01, upon the election of the Required Noteholders and notification of the same to the Issuer (or automatically in the case of the occurrence and continuance of any Event of Default under Section 7.01(b) or Section 7.01(c) or, solely with respect to the Issuer, Section 7.01(g) or Section 7.01(h)), the interest rate applicable in respect of the Notes shall increase to the rate applicable pursuant to Section 2.04 *plus* 4.00% per annum; *provided* that the Required Noteholders may impose such rate retroactively to the occurrence of such Event of Default. If any Obligation including fees, costs and expenses payable hereunder) is not paid when due (giving effect to any applicable grace period) under any applicable Note Document, the amount thereof shall accrue interest at the rate set forth in the preceding sentence.

Section 2.06 Inability to Determine Rates. Subject to Section 2.20, if, on or prior to the first day of any Interest Period:

(a) the Noteholder Representative determines (which determination shall be conclusive and binding absent manifest error) that “Adjusted Term SOFR” cannot be determined pursuant to the definition thereof, or

(b) the Required Noteholders determine that for any reason in connection with an Issuance or a conversion thereto or a continuation thereof that Adjusted Term SOFR for any requested Interest Period does not adequately and fairly reflect the cost to such Noteholders holding such Notes, and the Required Noteholders have provided notice of such determination to the Noteholder Representative,

then, in each case, the Noteholder Representative will promptly so notify the Issuer and each Noteholder, and the Noteholder Representative (acting at the direction of the Required Noteholders) and the Issuer shall endeavor to establish an alternate rate of interest to Adjusted Term SOFR that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable, and any such amendment shall become effective at 5:00 p.m. on the fifth (5<sup>th</sup>) Business Day after the Noteholder Representative shall have posted such proposed amendment to all Noteholders and the Issuer unless, prior to such time, Noteholders comprising the Required Noteholders have delivered to the Noteholder Representative written notice that such Required Noteholders object to such amendment.

Section 2.07 Termination of Commitments. The Note Commitment shall automatically terminate on the Closing Date upon the issuance of the Notes pursuant to Section 2.01.

Section 2.08 [Reserved].

Section 2.09 Repayment of Notes.

(a) The Issuer shall purchase (each a “Mandatory Redemption”) from the Noteholders on a *pro rata* basis, on the last Business Day of each calendar quarter (commencing with the fiscal quarter ending December 31, 2023) (each such date being called a “Mandatory Redemption Date”), an aggregate principal amount of the Notes equal to \$687,500, together with accrued and unpaid interest on the principal amount to be paid to but excluding the date of such payment (the “Mandatory Redemption Amount”).

(b) To the extent not previously paid, all Notes and all other Obligations shall be due and payable on the Maturity Date, including accrued and unpaid interest on the principal amount to be paid to but excluding the date of payment.

Section 2.10 Optional Redemptions.

(a) The Issuer shall have the right at any time and from time to time to redeem any Note issued by the Issuer that was issued by it to the applicable Noteholders, in whole or in part, upon at least three (3) Business Days’ prior written notice to the Noteholder Representative before 12:00 (noon), New York City time, on the relevant date; *provided, however*, that each partial redemption shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 (or if less, the entire remaining principal amount of Notes then outstanding).

(b) Optional redemptions of Notes shall be allocated pro rata among the Noteholders and shall be applied against the remaining scheduled installments of principal due in respect of such Notes as directed by the Issuer (and absent such direction, in direct order of maturity).

(c) Each such notice of redemption shall specify the redemption date and principal amount of Notes to be optionally redeemed and shall be irrevocable (*provided*, that such redemption may be conditioned upon the occurrence of certain events and revocable in the event that such events do not occur on the applicable date or dates) and shall commit the Issuer to redeem by the amount stated therein on the date stated therein. All redemptions under this Section 2.10 shall be accompanied by accrued and unpaid interest on the principal amount to be redeemed to but excluding the date of redemption and any Redemption Premium.

Section 2.11 Mandatory Redemptions.

(a) Not later than the fifth Business Day following the deemed receipt (pursuant to the definition of “Net Cash Proceeds”) of Net Cash Proceeds in respect of any Prepayment Event (including by or on behalf of the Note Representative as loss payee in respect of any Prepayment Event described in clause (b) of the definition of the term “Prepayment Event”), the Issuer shall apply an amount equal to 100% of such Net Cash Proceeds to redeem outstanding Notes (including payment of applicable Redemption Premium), subject to and in accordance with Section 2.11(d); *provided, however*, that (x) so long as no Event of Default under Section 7.01(b) or Section 7.01(c) or, solely with respect to the Issuer, Section 7.01(g) or Section 7.01(h) has occurred or is continuing and (y) in the case of any event described in clause (a) or (b) of the definition of the term “Prepayment Event” (with respect to clause (a), in the event of any such event occurring (i) prior to the Covenant Termination Date, with respect to Net Cash Proceeds not to exceed \$50,000,000 in the aggregate or (ii) following the Covenant Termination Date, with respect to Net Cash Proceeds in an amount not to exceed 50% of the aggregate Net Cash Proceeds in respect of such event), if a Financial Officer of the Issuer shall, on or prior to the date of the required redemption, deliver to the Noteholder Representative a certificate of a Financial Officer to the effect that the Issuer intends to cause the Net Cash Proceeds from such event (or a portion thereof specified in such certificate) to be applied within 365 days after receipt of such Net Cash Proceeds to be reinvested in the business of the Issuer or its Subsidiaries, or to enter into an acquisition permitted by this Agreement, then no redemption shall be required pursuant to this paragraph in respect of the Net Cash Proceeds in respect of such event (or the portion of such Net Cash Proceeds specified in such certificate, if applicable) except to the extent of any such Net Cash Proceeds that have not been so applied by the end of such 365-day period (or within a period of 180 days thereafter if by the end of such initial 365-day period the Issuer or one or more Subsidiaries shall have committed to invest such proceeds), at which time a redemption shall be required in an amount equal to such Net Cash Proceeds that have not been so applied.

(b) In the event that the Issuer or any Subsidiary shall receive Net Cash Proceeds from the issuance of Indebtedness for money borrowed (other than Indebtedness for money borrowed permitted pursuant to Section 6.01 (other than Refinancing Indebtedness incurred to refinance any Notes hereunder)), the Issuer shall, substantially simultaneously with (and in any event not later than the fifth Business Day next following) the receipt of such Net Cash Proceeds by the Issuer or such Subsidiary, apply an amount equal to 100% of such Net Cash Proceeds to redeem outstanding Notes in accordance with Section 2.11(d).

(c) [Reserved].

(d) Subject to Section 2.11(e), mandatory redemptions of outstanding Notes under this Agreement shall be applied as directed by the Issuer (or, in the absence of such direction, *first*, ratably among the Notes and applied in direct order of maturity to the scheduled installments of principal due in respect of the Notes); *provided, however*, each Noteholder shall have the right to elect, by written notice to the Noteholder Representative no later than 12:00 (noon), New York City time, one (1) Business Day prior to date of the mandatory redemption of the outstanding Notes, to decline all (but not a portion) of its pro rata share of such redemption other than with respect to a redemption pursuant to clause (d) above (such declined amounts, the “Declined Proceeds”), in which case such Declined Proceeds shall be retained by the Issuer and its Subsidiaries, subject, in any event, to the prepayment terms of the First Lien Credit Agreement.

(e) The Issuer shall (i) give prior written notice to the Noteholder Representative of any redemption required under this Section 2.11 no later than 12:00 (noon), New York City time, three (3) Business Days prior to the date of redemption, and (ii) deliver to the Noteholder Representative, at the time of the making of each such redemption, a certificate signed by a Financial Officer of the Issuer setting forth in reasonable detail the calculation of the amount of such redemption. Each notice of redemption shall specify the redemption date and the principal amount of each Note (or portion thereof) to be redeemed.

(f) Notwithstanding anything in this Section 2.11 to the contrary, if at the time that any redemption would be required under clause (a) above, the Issuer is required to (or to offer to) repurchase or prepay any other Indebtedness (including any First Lien Term Loans or Alternative Incremental Facility Debt) secured on a *pari passu* basis with the Obligations pursuant to the terms of the documentation governing such Indebtedness with Net Cash Proceeds (such Indebtedness required to be offered to be so repurchased or prepaid, the “Other Applicable Indebtedness”), then the Issuer may apply such amount on a pro rata basis to the redemption of the Notes and to the repurchase, redemption or prepayment of the Other Applicable Indebtedness (determined on the basis of the aggregate outstanding principal amount of such Notes and Other Applicable Indebtedness at such time); *provided* that the portion of such prepayment, redemption or repurchase allocated to the Other Applicable Indebtedness shall not exceed the amount of such Net Cash Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, thereof shall be allocated to the Notes in accordance with the terms hereof, and the amount required to be used to make prepayments or redemptions hereunder shall be reduced accordingly; *provided, further*, that to the extent the holders of the Other Applicable Indebtedness decline to have such Indebtedness prepaid or repurchased, the declined amount shall promptly (and in any event within five (5) Business Days after the date of such rejection) be applied to prepay the Notes in accordance with the terms hereof.

(g) Notwithstanding any other provisions of Section 2.11(a), (A) to the extent that any of or all the Net Cash Proceeds of any Prepayment Event by a Foreign Subsidiary of the Issuer giving rise to a prepayment pursuant to Section 2.11(a) (a “Foreign Prepayment Event”) are prohibited or delayed by applicable local law from being repatriated to the Issuer, the portion of such Net Cash Proceeds so affected will not be required to be taken into account in determining the amount to be applied to redeem outstanding Notes at the times provided in Section 2.11(a), and such amounts may be retained by such Subsidiary, and once the Issuer has determined in good faith that such repatriation of any of such affected Net Cash Proceeds is permitted under the applicable local law, then the amount of such Net Cash Proceeds will be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved if such amounts were repatriated) to the redemption of the Notes pursuant to Section 2.11(a), (B) to the extent that and for so long as the Issuer has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Prepayment Event would have a material adverse tax consequence with respect to such Net Cash Proceeds, the amount of Net Cash Proceeds so affected will not be required to be taken into account in determining the amount to be applied to redeem outstanding Notes at the times provided in Section 2.11(a), and such amounts may be retained by such Subsidiary; *provided* that when the Issuer determines in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Prepayment Event would no longer have a material adverse tax consequence with respect to such Net Cash Proceeds, such Net Cash Proceeds shall be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved against if such amounts were repatriated) to the redemption of the Notes pursuant to Section 2.11(a), and (C) to the extent that and for so long as the Issuer has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Prepayment Event would give rise to liability (or a material risk of liability) for the directors of such Subsidiary, the Net Cash Proceeds so affected will not be required to be taken into account in determining the amount to be applied to redeem outstanding Notes at the times provided in Section 2.11(a), and such amounts may be retained by such Subsidiary; *provided* that when the Issuer determines in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Prepayment Event would no longer give rise to liability for the directors of such Subsidiary, such Net Cash Proceeds shall be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved against if such amounts were repatriated) to the redemption of the Notes pursuant to Section 2.11(a).

(h) All redemptions under this Section 2.11 shall be accompanied by accrued and unpaid interest on the principal amount to be redeemed to but excluding the date of redemption and the Redemption Premium.

Section 2.12 Requirements: Change in Circumstances.

(a) Notwithstanding any other provision of this Agreement, if any Change in Law shall impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of or credit extended by any Noteholder (except any such reserve requirement which is reflected in the Adjusted Term SOFR), subject any Noteholder to any Tax (other than Indemnified Taxes and or Excluded Taxes) or shall impose on such Noteholder or the Term SOFR market any other condition affecting this Agreement or the Notes purchased by such Noteholder due to the Adjusted Term SOFR, and the result of any of the foregoing shall be to increase the cost to such Noteholder of making or maintaining any Note or to reduce the amount of any sum received or receivable by such Noteholder hereunder (whether of principal, interest or otherwise), then the Issuer will pay to such Noteholder upon demand such additional amount or amounts as will compensate such Noteholder for such additional costs incurred or reduction suffered.

(b) If any Noteholder shall have determined that any Change in Law regarding capital adequacy or liquidity has or would have the effect of reducing the rate of return on such Noteholder's capital or on the capital of such Noteholder's holding company, if any, as a consequence of this Agreement or the Notes purchased by such Noteholder pursuant hereto to a level below that which such Noteholder or such Noteholder's holding company could have achieved but for such Change in Law (taking into consideration such Noteholder's policies and the policies of such Noteholder's holding company with respect to capital adequacy or liquidity), then from time to time the Issuers shall pay to such Noteholder such additional amount or amounts as will compensate such Noteholder or such Noteholder's holding company for any such reduction suffered.

(c) A certificate of a Noteholder setting forth the amount or amounts necessary to compensate such Noteholder or its holding company, as applicable, as specified in clause (a) or (b) above shall be delivered to the Issuer and shall be conclusive absent manifest error. The Issuer shall pay such Noteholder the amount shown as due on any such certificate delivered by it within thirty (30) days after its receipt of the same.

(d) Failure or delay on the part of any Noteholder to demand compensation for any increased costs or reduction in amounts received or receivable or reduction in return on capital shall not constitute a waiver of such Noteholder's right to demand such compensation; *provided, however*, that the Issuer shall not be under any obligation to compensate any Noteholder under clause (a) or (b) above with respect to increased costs or reductions with respect to any period prior to the date that is one hundred eighty (180) days prior to such request if such Noteholder knew or could reasonably have been expected to know of the circumstances giving rise to such increased costs or reductions and of the fact that such circumstances would result in a claim for increased compensation by reason of such increased costs or reductions; *provided further*, that the foregoing limitation shall not apply to any increased costs or reductions arising out of the retroactive application of any Change in Law within such 180-day period. The protection of this Section 2.12 shall be available to each Noteholder regardless of any possible contention of the invalidity or inapplicability of the Change in Law that shall have occurred or been imposed.

(e) For the avoidance of doubt, for purposes of this Section 2.12, all requests, rules, guidelines or directives in connection with the Dodd-Frank Wall Street Reform and Consumer Protection Act shall, and all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities pursuant to Basel III shall, be deemed to be a Change in Law regardless of the date adopted, issued, promulgated or implemented.

(f) Notwithstanding any other provision of this Section, no Noteholder shall demand compensation for any increased cost or reduction pursuant to this Section 2.12 if (i) it shall not at the time be the general policy or practice of such Noteholder to demand such compensation in similar circumstances under comparable provisions of other note purchase agreements and (ii) such increased cost or reduction is due to market disruption, unless such circumstances generally affect the private placement market when the Required Noteholders have made such a request.

Section 2.13 Change in Legality.

(a) Notwithstanding any other provision of this Agreement but subject to Section 1.09, which shall control in the event of a conflict (as reasonably determined by the Noteholder Representative and the Issuer) between this Section 2.13 and Section 1.09, if any Change in Law shall make it unlawful for any Noteholder to make or maintain any Note at the Adjusted Term SOFR or to give effect to its obligations as contemplated hereby with respect to the Adjusted Term SOFR, then, by written notice to the Issuer and to the Noteholder Representative:

(i) such Noteholder may declare that the Adjusted Term SOFR will not thereafter (for the duration of such unlawfulness) be a constituent rate in the calculation of interest hereunder; and

(ii) The Noteholder Representative (acting at the direction of the Required Noteholders) and the Issuer shall in good faith negotiate an alternative constituent rate to be used to calculate interest hereunder.

(b) For purposes of this Section 2.13, a notice to the Issuer by any Noteholder shall be effective as to each Notes made by such Noteholder, if lawful, on the last day of the Interest Period then applicable to such Notes; in all other cases such notice shall be effective on the date of receipt by the Issuer in accordance with this Agreement.

(c) Notwithstanding any other provision of this Agreement, in the event that on or after the date hereof (or, with respect to any Noteholder, such later date on which such Noteholder becomes a party to this Agreement) the adoption of or any change in any Law or in the interpretation or application thereof by any competent Governmental Authority shall make it unlawful for a Noteholder or its lending office to hold the Notes (and, in the opinion of such Noteholder, the designation of a different lending office would either not avoid such unlawfulness or would be disadvantageous to such Noteholder), then such Noteholder shall promptly notify the Issuer thereof, following which if such Law shall so mandate, the Notes shall be prepaid by the Issuer on or before such date as shall be mandated by such Law in accordance with Section 2.10.

Section 2.14 Indemnity. The Issuer shall indemnify each Noteholder against any actual loss (other than loss of margin) or expense that such Noteholder may sustain or incur as a consequence of:

(a) any event, other than a default by such Noteholder in the performance of its obligations hereunder, which results in such Noteholder receiving any amount on account of the principal of any Note prior to the last day of the Interest Period in effect therefor (a “Breakage Event”) or

(b) any default in the making of any payment or redemption required to be made hereunder.

In the case of any Breakage Event, such loss shall include an amount equal to the excess, as reasonably determined by such Noteholder, of (i) its cost of obtaining funds for its Note that is the subject of such Breakage Event for the period from the date of such Breakage Event to the last day of the Interest Period in effect (or that would have been in effect) for such Note over (ii) the amount of interest likely to be realized by such Noteholder in redeploying the funds released or not utilized by reason of such Breakage Event for such period. A certificate of any Noteholder setting forth any amount or amounts which such Noteholder is entitled to receive pursuant to this Section 2.14 shall be delivered to the Issuer and shall be conclusive absent manifest error.

Section 2.15 Pro Rata Treatment. Except as required under Section 2.13, and as otherwise provided in this Agreement, each Issuance, each payment of interest on the Notes and each reduction of the Note Commitments shall be allocated pro rata among the Noteholders in accordance with their respective applicable Commitments (or, if such Commitments shall have expired or been terminated, in accordance with the respective principal amounts of their outstanding Notes). Each Noteholder agrees that in computing such Noteholder’s portion of any Issuance to be made hereunder, the Noteholder Representative may, in its discretion, round each Noteholder’s percentage of such Issuance to the next higher or lower whole dollar amount; *provided* that this Section 2.15 shall not be construed to apply to any payment obtained by a Noteholder as consideration for the assignment or sale of a participation in any of its portion of any Note or Commitment to any assignee or participant.

Section 2.16     Sharing of Setoffs. Each Noteholder agrees that if it shall, through the exercise of a right of banker's lien, setoff or counterclaim against the Issuer or any other Note Party, or pursuant to a secured claim under Section 506 of the Bankruptcy Code or other security or interest arising from, or in lieu of, such secured claim, received by such Noteholder under any applicable bankruptcy, insolvency or other similar law or otherwise, or shall by other means, obtain payment (voluntary or involuntary) in respect of any Note as a result of which the unpaid portion of its Notes shall be proportionately less than the unpaid portion of the Notes of any other Noteholder, it shall be deemed simultaneously to have purchased from such other Noteholder at face value, and shall promptly pay to such other Noteholder the purchase price for, a participation in the Notes of such other Noteholder, so that the aggregate unpaid amount of the Notes and participations in Notes held by each Noteholder shall be in the same proportion to the aggregate unpaid amount of all Notes then outstanding as the amount of its Notes prior to such exercise of banker's lien, setoff or counterclaim or other event was to the amount of all Notes outstanding prior to such exercise of banker's lien, setoff or counterclaim or other event; *provided, however*, that if any such purchase or purchases or adjustments shall be made pursuant to this Section 2.16 and the payment giving rise thereto shall thereafter be recovered, such purchase or purchases or adjustments shall be rescinded to the extent of such recovery and the purchase price or prices or adjustment restored without interest. The Issuer expressly consents to the foregoing arrangements and agree that, subject to applicable Law, any Noteholder holding a participation in a Note deemed to have been so purchased may exercise any and all rights of banker's lien, setoff or counterclaim with respect to any and all moneys owing by the Issuer to such Noteholder by reason thereof as fully as if such Noteholder had purchased a Note directly from the Issuer in the amount of such participation.

Section 2.17     Payments.

(a)        The Issuer shall make each payment (including principal of or interest on any Issuance or any Fees or other amounts) hereunder and under any other Note Document not later than 1:00 p.m., New York City time (or such later time as the Noteholder Representative may agree), on the date when due in immediately available funds, without setoff, defense or counterclaim, in Dollars. Each such payment shall be made to the Noteholder Representative. Any payments received after 1:00 p.m. may, in the Noteholder Representative's sole discretion, be deemed received on the immediately succeeding Business Day.

(b)        Except as otherwise expressly provided herein, whenever any payment (including principal of or interest on any Issuance or any Fees or other amounts) hereunder or under any other Note Document shall become due, or otherwise would occur, on a day that is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or Fees, if applicable.

(c)        Unless the Noteholder Representative shall have received notice from the Issuer prior to the date on which any payment is due to the Noteholder Representative for the account of the Noteholders hereunder that the Issuer will not make such payment, the Noteholder Representative may assume that the Issuer has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Noteholders the amount due. In such event, if the Issuer does not in fact make such payment, then the Noteholders severally agree to repay to the Noteholder Representative forthwith on demand the amount so distributed to such Noteholder in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Noteholder Representative, at a rate determined by the Noteholder Representative to represent its cost of overnight or short-term funds (which determination shall be conclusive absent manifest error).

Section 2.18     Taxes.

(a)        All payments by or on account of any obligation of the Issuer or any other Note Party hereunder or under any other Note Document shall be made free and clear of and without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax in respect of any such payment, the applicable withholding agent shall be entitled to make such deductions or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Law. If such Tax is an Indemnified Tax, the sum payable by the applicable Note Party shall be increased as necessary so that after making all required deductions and withholdings (including deductions and withholdings applicable to additional sums payable under this Section 2.18), each Noteholder (or, in the case of payments made to the Noteholder Representative for its own account, the Noteholder Representative) receives an amount equal to the sum it would have received had no such deductions or withholdings been made.

(b) Without duplication of the prior subsection (a), the Note Parties shall jointly and severally timely pay all Other Taxes to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Noteholder Representative, timely reimburse it for the payment of any Other Taxes.

(c) The Note Parties shall jointly and severally indemnify and hold the Noteholder Representative and each Noteholder harmless, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes paid or payable by the Noteholder Representative or such Noteholder, as the case may be, (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.18) and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Issuer by a Noteholder, or by the Noteholder Representative on its behalf or on behalf of a Noteholder, shall be conclusive absent manifest error.

(d) Each Noteholder shall, and does hereby, severally indemnify and hold the Noteholder Representative harmless and shall make payment in respect thereof within ten (10) days after demand therefor, (i) against any Indemnified Taxes attributable to such Noteholder (but only to the extent that any Note Party has not already indemnified the Noteholder Representative for such Indemnified Taxes and without limiting the obligation of the Note Parties to do so), (ii) against any Taxes attributable to such Noteholder's failure to comply with the provisions of Section 9.04(f) relating to the maintenance of a Participant Register and (iii) against any Excluded Taxes attributable to such Noteholder, in each case, that are payable or paid by the Noteholder Representative in connection with any Note Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Noteholder by the Noteholder Representative shall be conclusive absent manifest error. Each Noteholder hereby authorizes the Noteholder Representative to set off and apply any and all amounts at any time owing to such Noteholder under this Agreement or any other Note Document against any amount due the Noteholder Representative under this paragraph.

(e) As soon as practicable after any payment of any Taxes by the Issuer or any other Note Party to a Governmental Authority pursuant to this Section 2.18, the Issuer shall deliver to the Noteholder Representative the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Noteholder Representative.

(f) Status of Noteholders.

(i) Any Noteholder that is entitled to an exemption from or reduction of any withholding Tax with respect to any payments made under any Note Document shall deliver to the Issuer and the Noteholder Representative, at the time or times reasonably requested by the Issuer or the Noteholder Representative, such properly completed and executed documentation as the Issuer or the Noteholder Representative may reasonably request to permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Noteholder, if reasonably requested by the Issuer or the Noteholder Representative, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Issuer or the Noteholder Representative as will enable the Issuer or the Noteholder Representative to determine whether or not such Noteholder is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the immediately preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 2.18(f)(ii)(A), (B) and (D)) shall not be required if in the Noteholder's reasonable judgment such completion, execution or submission would subject such Noteholder to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Noteholder.

(ii) Without limiting the generality of the foregoing,

(A) each Noteholder that is not a Foreign Noteholder shall deliver to the Issuer and the Noteholder Representative on or prior to the date on which such Noteholder becomes a Noteholder under this Agreement (and from time to time thereafter upon the reasonable request of the Issuer or the Noteholder Representative), executed copies of IRS Form W-9 certifying that such Noteholder is exempt from U.S. federal backup withholding tax;

(B) each Foreign Noteholder shall, to the extent it is legally entitled to do so, deliver to the Issuer and the Noteholder Representative on or prior to the date on which such Foreign Noteholder becomes a Noteholder under this Agreement (and from time to time thereafter upon the reasonable request of the Issuer or the Noteholder Representative), whichever of the following is applicable:

(1) in the case of any Foreign Noteholder claiming the benefits of an income tax treaty to which the U.S. is a party (x) with respect to payments of interest under any Note Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Note Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) two executed copies of IRS Form W-8ECI;

(3) in the case of any Foreign Noteholder claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (x) executed copies of a certificate substantially in the form of Exhibit H-1 to the effect that such Foreign Noteholder is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Issuer within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and that no payments payable to such Noteholder are effectively connected with the conduct of a U.S. trade or business (a "U.S. Tax Compliance Certificate") and (y) two executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent any Foreign Noteholder is not the beneficial owner, two executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2, Exhibit H-3 or Exhibit H-4, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if such Foreign Noteholder is a partnership (and not a participating Noteholder) and one or more direct or indirect partners of such Foreign Noteholder are claiming the portfolio interest exemption, such Foreign Noteholder may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-3 on behalf of each such direct or indirect partner;

(C) each Foreign Noteholder shall, to the extent it is legally entitled to do so, deliver to the Issuer and the Noteholder Representative on or prior to the date on which such Foreign Noteholder becomes a Noteholder under this Agreement (and from time to time thereafter upon the reasonable request of the Issuer or the Noteholder Representative), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Issuer or the Noteholder Representative to determine the withholding or deduction required to be made; and

(D) if a payment made to any Noteholder under any Note Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Noteholder were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Noteholder shall deliver to the Issuer and the Noteholder Representative at the time or times prescribed by applicable Law and at such time or times reasonably requested by the Issuer or the Noteholder Representative such documentation as is prescribed by applicable requirements of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and may be necessary for the Issuer and the Noteholder Representative to comply with their obligations under FATCA, to determine whether such Noteholder has complied with such Noteholder's obligations under FATCA and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.18(f)(ii)(D), the term "FATCA" shall include any amendments made to FATCA after the date of this Agreement and the term "Noteholder" shall include the Noteholder Representative.

(E) if the Noteholder Representative is a “United States person” within the meaning of Section 7701(a)(30) of the Code (a “U.S. Person”), it shall provide the Issuer, on or prior to the date that it becomes a party to this Agreement, with an executed copy of IRS Form W-9 or (2) if the Noteholder Representative is not a U.S. Person, then it shall provide the Issuer with an executed copy of IRS Form W-8ECI with respect to fees received on its own behalf and any such other documentation prescribed by applicable Law and reasonably requested by the Issuer that would allow the applicable Issuer to make payments to the Noteholder Representative with respect to such fees without deduction or withholding of any U.S. federal withholding Taxes. If the Noteholder Representative is not a U.S. Person, such Noteholder Representative shall provide the Issuer, on or prior to the date that it becomes a party to this Agreement, with a duly completed copy of IRS Form W-8IMY (or successor form) certifying that it is either (i) a “qualified intermediary” and that it assumes primary withholding responsibility under Chapters 3 and 4 of the Code and primary Form 1099 reporting and backup withholding responsibility for payments it receives for the account of others or (ii) a “U.S. branch” and that the payments it receives for the account of others are not effectively connected with the conduct of a trade or business in the U.S. and that it is using such form as evidence of its agreement with the Issuer to be treated as a United States person with respect to such payments (and the Issuer and the Noteholder Representative agree to so treat the Noteholder Representative as a United States person with respect to such payments as contemplated by U.S. Treasury Regulations Section 1.1441-1(b)(2)(iv)(A)), with the effect that the Issuer can make payments to the Noteholder Representative without deduction or withholding of any Taxes imposed by the United States.

Each Noteholder agrees that if any documentation it previously delivered pursuant to this Section 2.18(f) expires or becomes obsolete or inaccurate in any respect, it shall update such documentation or promptly notify the Issuer and the Noteholder Representative in writing of its legal inability to do so. Each Noteholder hereby authorizes the Noteholder Representative to deliver to the Note Parties and to any successor Noteholder Representative any documentation provided by such Noteholder to the Noteholder Representative pursuant to this Section 2.18(f).

(g) If the Noteholder Representative or any Noteholder determines, in its sole discretion, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Issuer or any other Note Party or with respect to which such other Note Party has paid additional amounts pursuant to this Section 2.18, it shall pay over such refund to the Issuer or such Note Party (but only to the extent of indemnity payments made, or additional amounts paid, by the Issuer or such Note Party under this Section 2.18 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses of the Noteholder Representative or such Noteholder (including Taxes), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this clause (f) to the extent that the payment thereof would place the indemnified party in a less favorable net after-Tax position than the position that the indemnified party would have been in if the Tax subject to indemnification had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.18(g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Issuer, any other Note Party or any other person.

(h) Each party’s obligations under this Section 2.18 shall survive the resignation or replacement of the Noteholder Representative or any assignment of rights by, or the replacement of, a Noteholder, the termination of the Note Documents, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Note Document.

Section 2.19 Assignment of Commitments Under Certain Circumstances.

(a) In the event (i) the Issuer or any other Note Party is required to pay any additional amount to or indemnify any Noteholder or any Governmental Authority on account of any Noteholder pursuant to Section 2.12 or Section 2.18, (ii) any Noteholder has become a Defaulting Noteholder or (iii) any Noteholder refuses to consent to any amendment, consent, waiver or other modification of any Note Document requested by the Issuer that requires the consent of all Noteholders, all affected Noteholders or a greater percentage of the Noteholders than the Required Noteholders and such amendment, consent, waiver or other modification is consented to by the Required Noteholders, the Issuer may, at its sole expense and effort (including with respect to the processing and recordation fee referred to in Section 9.04(b)), upon notice to such Noteholder and the Noteholder Representative, require such Noteholder to transfer and assign, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all of its interests, rights and obligations under this Agreement (or, in the case of clause (ii) above, all of its interests, rights and obligations with respect to the Commitments that is the subject of the related consent, amendment, waiver or other modification) to an assignee that shall assume such assigned obligations (which assignee may be another Noteholder, if a Noteholder accepts such assignment); *provided, however*, that (x) such assignment shall not conflict with any law, rule or regulation or order of any court or other Governmental Authority having jurisdiction, (y) the Issuer shall have received the prior written consent of the Noteholder Representative, which consent shall not unreasonably be withheld (it being acknowledged and agreed that (A) the consent of the Noteholder Representative shall not be required under this clause (y) in the case of an assignment of a Note to a Noteholder or an Affiliate or Related Fund of a Noteholder and (B) the consent of any person that would otherwise be required under this clause (y) shall not be required if such person is the Noteholder required to make any such transfer and assignment hereunder), and (z) the Issuer or such assignee shall have paid to the applicable Noteholder in immediately available funds an amount equal to the sum of the principal of, and interest accrued to the date of such payment on, the outstanding Notes of such Noteholder plus all Fees and other amounts accrued for the account of such Noteholder hereunder (including any Redemption Premium); *provided further*, that, no such transfer and assignment shall be required if prior to any such transfer and assignment, the circumstances or event that resulted in the amounts paid pursuant to Section 2.18 cease to result in amounts being payable under Section 2.18 (including as a result of any action taken by such Noteholder pursuant to clause (b) below). Each Noteholder hereby grants to the Noteholder Representative an irrevocable power of attorney (which power is coupled with an interest) to execute and deliver, on behalf of such Noteholder as assignor, any Assignment and Acceptance necessary to effectuate any assignment of such Noteholder's interests hereunder in the circumstances contemplated by this Section 2.19(a).

(b) If the Issuer or any other Note Party is required to pay any additional amount to or indemnify any Noteholder or any Governmental Authority on account of any Noteholder, pursuant to Section 2.18, then such Noteholder shall use reasonable efforts (which shall not require such Noteholder to incur an unreimbursed loss or unreimbursed cost or expense or otherwise take any action inconsistent with its internal policies or legal or regulatory restrictions or suffer any disadvantage or burden deemed by it to be significant) (x) to file any certificate or document reasonably requested in writing by the Issuer or (y) to assign its rights and delegate and transfer its obligations hereunder to another of its offices, branches or Affiliates, if such filing or assignment would reduce amounts payable pursuant to Section 2.18, as the case may be, in the future.

Section 2.20     Benchmark Replacement Setting.

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Note Document, upon the occurrence of a Benchmark Transition Event, the Noteholder Representative (acting at the direction of the Required Noteholders) and the Issuer may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m., New York City time, on the fifth (5th) Business Day after the Noteholder Representative has posted such proposed amendment to all affected Noteholders and the Issuer. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 2.20(a) will occur prior to the applicable Benchmark Transition Start Date.

(b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Noteholder Representative (acting at the direction of the Required Noteholders) will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Note Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Note Document.

(c) Notices; Standards for Decisions and Determinations. The Noteholder Representative will promptly notify the Issuer and the Noteholders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Noteholder Representative will notify the Issuer of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.20(d) and (v) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Noteholder Representative or, if applicable, any Noteholder (or group of Noteholders) pursuant to this Section 2.20, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Note Document, except, in each case, as expressly required pursuant to this Section 2.20.

(d) [Reserved].

(e) Benchmark Unavailability Period. Upon the Issuer's receipt of notice of the commencement of a Benchmark Unavailability Period, the Issuer may revoke any pending Issuance of, conversion to or continuation of Notes to be made, converted or continued during any Benchmark Unavailability Period.

#### Section 2.21 Defaulting Noteholders.

(a) Notwithstanding anything to the contrary contained in this Agreement, if any Noteholder becomes a Defaulting Noteholder, then, until such time as such Noteholder is no longer a Defaulting Noteholder, to the extent permitted by applicable Law:

(i) Such Defaulting Noteholder's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of "Required Noteholders".

(ii) Any payment of principal, interest, fees or other amounts received by the Noteholder Representative for the account of such Defaulting Noteholder (whether voluntary or mandatory, at maturity, pursuant to Section 7.01 or otherwise) or received by the Noteholder Representative from a Defaulting Noteholder pursuant to Section 9.06 shall be applied at such time or times as may be determined by the Noteholder Representative as follows: *first*, to the payment of any amounts owing by such Defaulting Noteholder to the Noteholder Representative hereunder; *second*, as the Issuer may request (so long as no Default or Event of Default exists), to the funding of any Note in respect of which such Defaulting Noteholder has failed to fund as required by this Agreement, as determined by the Noteholder Representative; *third*, if so determined by the Noteholder Representative and the Issuer, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Noteholder's potential future funding obligations with respect to Notes under this Agreement; *fourth*, to the payment of any amounts owing to the Noteholders as a result of any judgment of a court of competent jurisdiction obtained by any Noteholder against such Defaulting Noteholder as a result of such Defaulting Noteholder's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Issuer as a result of any judgment of a court of competent jurisdiction obtained by the Issuer against such Defaulting Noteholder as a result of such Defaulting Noteholder's breach of its obligations under this Agreement; and *sixth*, to such Defaulting Noteholder or as otherwise directed by a court of competent jurisdiction. Any payments, redemptions or other amounts paid or payable to a Defaulting Noteholder that are applied (or held) to pay amounts owed by a Defaulting Noteholder shall be deemed paid to and redirected by such Defaulting Noteholder, and each Noteholder irrevocably consents hereto.

(b) If the Issuer and the Noteholder Representative agree in writing that a Noteholder is no longer a Defaulting Noteholder, the Noteholder Representative will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any cash collateral), that Noteholder will, to the extent applicable, purchase at par that portion of outstanding Notes of the other Noteholders or take such other actions as the Noteholder Representative may determine to be necessary to cause the Notes to be held pro rata by the Noteholders in accordance with the Note Commitments under the applicable facility, whereupon such Noteholder will cease to be a Defaulting Noteholder; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Issuer while that Noteholder was a Defaulting Noteholder; *provided, further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Noteholder to Noteholder will constitute a waiver or release of any claim of any party hereunder arising from that Noteholder's having been a Defaulting Noteholder.

### ARTICLE III

#### REPRESENTATIONS AND WARRANTIES

The Issuer (with respect to itself and, where applicable, its Subsidiaries) represents and warrants to the Noteholder Representative and the Noteholders, after giving effect to this Agreement, at the time of Issuance:

Section 3.01 Organization; Powers. Each of the Issuer and its Subsidiaries (a) is duly organized, validly existing and, to the extent that such concept is applicable in the relevant jurisdiction, in good standing (to the extent such concept exists in the relevant jurisdictions) under the laws of the jurisdiction of its organization (except, in the case of any Subsidiary, to the extent the failure to be so could not (either individually or in the aggregate) reasonably be expected to result in a Material Adverse Effect), (b) has the corporate or other organizational power and authority to carry on its business as now conducted, to execute, deliver and perform its obligations under this Agreement and each other Note Document and (c) except where the failure to be so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and, to the extent that such concept exists in the relevant jurisdiction, is in good standing in, every jurisdiction where such qualification is required.

Section 3.02 Authorization; Due Execution and Delivery; Enforceability. (xxx) tenant improvement loans and allowances in the ordinary course of business and (y) to the extent constituting Indebtedness, guaranties in the ordinary course of business of the obligations of suppliers, customers, franchisees, lessors and licensees of the Issuer and any Subsidiary; and

(xxxi) all premiums (if any), interest (including post-petition interest), fees, expenses, charges and additional or contingent interest on obligations described in clauses (i) through (xxx) above.

(b) For purposes of determining compliance with this Section, in the event that an item of Indebtedness at any time, whether at the time of Incurrence or upon the application of all or a portion of the proceeds thereof or subsequently, meets the criteria of more than one of the categories (other than ratio-based baskets) of Section 6.01(a), the Issuer and its Subsidiaries shall, in their sole discretion, divide, classify such item of Indebtedness solely between and among such categories; *provided* that Indebtedness incurred hereunder shall only be classified as incurred under Section 6.01(a)(i), the Indebtedness under the First Lien Credit Agreement outstanding or committed as of the Closing Date (and Indebtedness under the First Lien Credit Agreement otherwise constituting term loans or revolving credit secured by the Collateral on a pari passu basis with the Obligations) shall only be classified as incurred under Section 6.01(a)(ii) (or, as applicable, incurred under Section 6.01(a)(xxv) in respect of Indebtedness originally incurred under Section 6.01(a)(ii)) and the Existing Senior Notes shall only be classified as incurred under Section 6.01(a)(iii). Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest or dividends in the form of additional Indebtedness with the same terms, the payment of dividends on Disqualified Equity Interests in the form of additional shares of Disqualified Equity Interests of the same class, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an Incurrence of Indebtedness or Disqualified Equity Interests for purposes of this covenant. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that are otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided* that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this covenant.

(c) For purposes of determining compliance with any dollar-denominated restriction on the Incurrence of Indebtedness, the principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed or first incurred (at the Issuer's election), in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced (plus the aggregate amount of premiums (including reasonable tender premiums), defeasance costs and fees, discounts and expenses in connection therewith).

(d) Notwithstanding anything herein to the contrary, no Foreign Subsidiary shall Guarantee any Material Indebtedness of the Issuer or any U.S. Subsidiary that is a Note Party unless substantially contemporaneously with the incurrence of such Guarantee such Foreign Subsidiary shall Guarantee the Obligations pursuant to documentation reasonably acceptable to the Noteholder Representative (acting at the direction of the Required Noteholders).

Any Redemption Premium payable pursuant to this Agreement shall be presumed to be the liquidated damages sustained by each Noteholder as the result of the early termination, acceleration or redemption, and the Issuer agrees that any such Redemption Premium is reasonable under the circumstances currently existing. The Redemption Premium (if any) shall also become due and payable under this Agreement in the event the Obligations (and/or this Agreement) are satisfied or released, in each case, by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or any other means. If any Redemption Premium becomes due and payable pursuant to this Agreement, such Redemption Premium shall be deemed to be principal of the Notes and Obligations under this Agreement (other than for income Tax purposes), and interest shall accrue on the full principal amount of the Notes (including such Redemption Premium) from and after the applicable triggering event in the definition of "Redemption Premium" or in this Section 7.02. In the event a Redemption Premium is determined not to be due and payable by order of any court of competent jurisdiction, including by operation of the Bankruptcy Code, despite such a triggering event in the definition of "Redemption Premium" or in this Section 7.02 having occurred, such Redemption Premium shall nonetheless constitute Obligations under this Agreement for all purposes hereunder. THE ISSUER HEREBY WAIVES THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE REDEMPTION PREMIUM (IF ANY) AND ANY DEFENSE TO PAYMENT (OTHER THAN THE DEFENSE OF PRIOR PAYMENT), WHETHER SUCH DEFENSE MAY BE BASED IN PUBLIC POLICY, AMBIGUITY, OR OTHERWISE. The Issuer, the Noteholder Representative and the Noteholders acknowledge and agree that any Redemption Premium due and payable in accordance with this Agreement shall not constitute unmaturing interest, whether under Section 5.02(b)(3) of the Bankruptcy Code or otherwise. The Issuer further acknowledges and agrees, and waives any argument to the contrary, that payment of such amount does not constitute a penalty or an otherwise unenforceable or invalid obligation. The Issuer expressly agrees that (i) the Redemption Premium (if applicable) is reasonable and is the product of an arm's-length transaction between sophisticated business people, ably represented by counsel, (ii) the Redemption Premium (if applicable) shall be payable notwithstanding the then prevailing market rates at the time payment is made, (iii) there has been a course of conduct between the Noteholders and the Issuer giving specific consideration in this transaction for such agreement to pay the Redemption Premium (if applicable), (iv) the Issuer shall be estopped hereafter from claiming differently than as agreed to in this Section 7.02, (v) the Issuer's agreement to pay the Redemption Premium (if and when applicable) is a material inducement to the Noteholders to purchase the Notes and (vi) the Redemption Premium (if applicable) represents a good faith, reasonable estimate and calculation of the lost profits, losses or other damages of the Noteholders, and it would be impractical and extremely difficult to ascertain the actual amount of damages to the Noteholders or profits lost by the Noteholder as a result of such event.

Section 7.03      Exclusion of Certain Subsidiaries. Solely for the purposes of determining whether a Default has occurred under clause (g) or (h) of Section 7.01, any reference in any such paragraph to any Subsidiary shall be deemed not to include any Subsidiary affected by any event or circumstance referred to in such paragraph that (x) is not a Loan Party, (y) is not a Material Subsidiary and (z) does not own any Material Intellectual Property or other assets material to the business of the Issuer and its Subsidiaries taken as a whole; provided that (i) if it is necessary to exclude more than one Subsidiary from clause (g) or (h) of Section 7.01 pursuant to this paragraph in order to avoid a Default, the aggregate consolidated assets of all such excluded Subsidiaries as of such last day may not exceed 5.0% of the Consolidated Total Assets of the Issuer and the Subsidiaries and the aggregate consolidated revenues of all such excluded Subsidiaries for such four fiscal quarter period may not exceed 5.0% of the consolidated revenues of the Issuer and the Subsidiaries and (ii) in no circumstance shall the Issuer be excluded from clause (g) of (h) of Section 7.01.

Section 7.04      Application of Funds. After the exercise of remedies provided for in Section 7.02, including without limitation, the acceleration of the Notes, all payments and proceeds in respect of any of the Obligations received by Noteholder Representative or any Noteholder under any Note Document, including any proceeds of any sale of, or other realization upon, all or any part of the Collateral, shall be applied by the Noteholder Representative in accordance with Section 5.02 of the Collateral Agreement.

## **ARTICLE VIII**

### **THE NOTEHOLDER REPRESENTATIVE**

Section 8.01      Duties, Agreements and Acknowledgments, etc.

Each of the Noteholders hereby irrevocably appoints the Noteholder Representative as its agent and authorizes the Noteholder Representative to take such actions on its behalf and to exercise such powers as are delegated to the Noteholder Representative by the terms of the Note Documents, together with such actions and powers as are reasonably incidental thereto. Each Noteholder also irrevocably authorizes the Noteholder Representative to execute and deliver the Intercreditor Agreement and to take such action, and to exercise the powers, rights and remedies granted to the Noteholder Representative thereunder and with respect thereto. Without limiting the generality of the foregoing, the Noteholder Representative is hereby expressly authorized to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, that are consistent with the provisions of, or relate to transactions permitted by, this Agreement and the Security Documents.

The person serving as the Noteholder Representative hereunder shall have the same rights and powers in its capacity as a Noteholder (if it is a Noteholder) as any other Noteholder and may exercise the same as though it were not the Noteholder Representative, and the term “Noteholder” or “Noteholders” shall, unless otherwise expressly indicated, unless the context otherwise requires or unless such person is in fact not a Noteholder, include each person serving as Noteholder Representative hereunder in its individual capacity. Such person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Note Party or any subsidiary of a Note Party or other Affiliate thereof as if it were not the Noteholder Representative hereunder. The Noteholders acknowledge that, pursuant to such activities, the Noteholder Representative or its Affiliates may receive information regarding any Note Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Note Party or such Affiliate) and acknowledge that the Noteholder Representative shall not be under any obligation to provide such information to them.

The Noteholder Representative shall not have any duties or obligations except those expressly set forth in the Note Documents. Without limiting the generality of the foregoing, (a) the Noteholder Representative shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing or an Event of Default exists, and the use of the term “agent” herein and in the other Note Documents with reference to the Noteholder Representative is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine or any applicable Law; it being understood that such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties, (b) the Noteholder Representative shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Note Documents that the Noteholder Representative is required to exercise in writing by the Required Noteholders (or such other number or percentage of the Noteholders as shall be necessary under the circumstances as provided in Section 9.08; *provided* that the Noteholder Representative shall not be required to take any action (i) that, in its opinion or the opinion of its counsel, may expose the Noteholder Representative to liability or that is contrary to any Note Document or applicable Law and (ii) unless, upon demand, of the Noteholder Representative, it receives an indemnification satisfactory to it from the Noteholders against all liabilities that, by reason of such action or omission, may be imposed on, incurred by or asserted against the Noteholder Representative), and (c) except as expressly set forth in the Note Documents, the Noteholder Representative shall not have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to the Issuer or any Subsidiary that is communicated to or obtained by the person serving as the Noteholder Representative or any of its Affiliates in any capacity. The Noteholder Representative shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Noteholders (or such other number or percentage of the Noteholders as is necessary or as the Noteholder Representative believes in good faith shall be necessary under the circumstances as provided in Section 9.08); *provided* that, any action taken or not taken by the Noteholder Representative at the direction of the Required Noteholders (or such other number or percentage of the Noteholders as is necessary or as the Noteholder Representative believes in good faith shall be necessary under the circumstances as provided in Section 9.08) shall not constitute gross negligence or willful misconduct, or in the absence of its own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable judgment). The Noteholder Representative shall not be deemed to have knowledge of any Default or Event of Default unless and until written notice (conspicuously labelled as a ‘notice of default’ and describing such Default or Event of Default) thereof is given to the Noteholder Representative by the Issuer or a Noteholder, and the Noteholder Representative shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Note Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Note Document or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of any Note Document or any other agreement, instrument or document, (v) the creation, perfection or priority of any Lien on the Collateral or the existence, value or sufficiency of the Collateral or to assure that the Liens granted to the Noteholder Representative pursuant to any Note Document have been or will continue to be properly or sufficiently or lawfully created, perfected or enforced or are entitled to any particular priority, (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Note Document, other than to confirm receipt of items expressly required to be delivered to the Noteholder Representative or (vii) any property, book or record of any Note Party or any Affiliate thereof. Notwithstanding anything contained herein to the contrary, the Noteholder Representative shall not have liability to any Noteholder arising from confirmation of the amount of outstanding Notes or the component amounts thereof.

The Noteholder Representative shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper person. The Noteholder Representative may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. The Noteholder Representative may consult with legal counsel (who may be counsel for the Issuer), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Noteholder Representative may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by it (including without limitation the Noteholder Representative's officers, directors, agents, employees and affiliates). The Noteholder Representative and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The Noteholder Representative shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Noteholder Representative acted with gross negligence or willful misconduct in the selection of such sub-agent. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Noteholder Representative and any such sub-agent, and shall apply to their respective activities in connection with the issuance of the Notes provided for herein as well as activities as the Noteholder Representative.

The Noteholder Representative shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet, or intranet website posting or other distribution), believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. In determining compliance with any condition hereunder to the issuance of a Note, that by its terms must be fulfilled to the satisfaction of a Noteholder, the Noteholder Representative may presume that such condition is satisfactory to such Noteholder unless the Noteholder Representative has received notice to the contrary from such Noteholder prior to the issuance of such Note.

The Noteholder Representative may resign at any time, on thirty (30) days' notice, by notifying the Noteholders and the Issuer. Upon any such resignation, the Required Noteholders shall have the right to appoint a successor. If no successor shall have been so appointed by the Required Noteholders and shall have accepted such appointment within thirty (30) days after the retiring Noteholder Representative gives notice of its resignation, then the retiring Noteholder Representative may (but shall not be obligated to), on behalf of the Noteholders, appoint a successor Noteholder Representative. In either case, the successor shall be approved by the Issuer (which approval shall not be unreasonably withheld or delayed and shall not be required if an Event of Default shall have occurred and be continuing). If no successor agent has accepted appointment as the Noteholder Representative by the date which is thirty (30) days following the retiring or removed Noteholder Representative's notice of resignation or removal, the retiring or removed Noteholder Representative's resignation or removal, as applicable, shall nevertheless thereupon become effective and the Noteholders shall perform all of the duties of the Noteholder Representative hereunder until such time, if any, as the Issuer or the Required Noteholders, as applicable, appoint a successor agent as provided for below (except that in the case of any collateral security held by the Noteholder Representative on behalf of the Noteholders under any of the Note Documents, the retiring or removed Noteholder Representative shall, as gratuitous bailee, continue to hold such collateral security until such time as a successor Noteholder Representative is appointed). In addition to the foregoing, if the person serving as the Noteholder Representative is a Defaulting Noteholder, the Issuer (so long as no Event of Default has occurred and is continuing) may, to the extent permitted by applicable Law, by notice in writing to such person, remove such person as the Noteholder Representative. Upon any such removal by the Issuer, the Issuer shall have the right, with the consent of the Required Noteholders (not to be unreasonably withheld or delayed), to appoint a successor Noteholder Representative meeting the qualifications set forth above. With respect to any resignation or removal of a person acting as the Noteholder Representative, upon the acceptance of its appointment as the Noteholder Representative hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Noteholder Representative (other than any rights to indemnity payments owed to the retiring Noteholder Representative), as applicable, and the retiring or removed Noteholder Representative, as the case may be, shall (to the extent not already discharged as provided above) be discharged from its duties and obligations hereunder (other than its duty of confidentiality). The fees payable by the Issuer to a successor Noteholder Representative shall be the same as those payable to its predecessor unless otherwise agreed between the Issuer and such successor. After the Noteholder Representative's resignation or removal hereunder, as the case may be, the provisions of this Article VIII and Section 9.05 shall continue in effect for the benefit of such retiring or removed Noteholder Representative, as applicable, its subagents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as the Noteholder Representative.

Each Noteholder acknowledges that it has, independently and without reliance upon the Noteholder Representative or any other Noteholder and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Noteholder also acknowledges that it will, independently and without reliance upon the Noteholder Representative or any other Noteholder and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Note Document, any related agreement or any document furnished hereunder or thereunder. Except for notices, reports and other documents expressly required to be furnished to the Noteholders by the Noteholder Representative herein, the Noteholder Representative shall not have any duty or responsibility to provide any Noteholder with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Note Parties or any of their respective Affiliates which may come into the possession of the Noteholder Representative or any of its Related Parties, and the Noteholder Representative shall not have any responsibility with respect to the accuracy of or the completeness of any information provided to the Noteholders.

Each Noteholder acknowledges and agrees that neither such Noteholder, nor any of its Affiliates, participants or assignees, may rely on the Noteholder Representative to comply with such Noteholder's, Affiliate's, participant's or assignee's customer identification program, or other obligations required or imposed under or pursuant to the PATRIOT Act or the regulations thereunder, including the regulations contained in 31 CFR 103.121.

In case of the pendency of any proceeding with respect to any Note Party under any federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Noteholder Representative (irrespective of whether the principal of any Note shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Noteholder Representative shall have made any demand on the Issuer) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise: (i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Notes and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Noteholders, and the Noteholder Representative allowed in such judicial proceeding; and (ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Noteholder and each other Secured Party to make such payments to the Noteholder Representative and, in the event that the Noteholder Representative shall consent to the making of such payments directly to the Noteholders or the other Secured Parties, to pay to the Noteholder Representative any amount due to it, in its capacity as the Noteholder Representative, under the Note Documents. Nothing contained herein shall be deemed to authorize the Noteholder Representative to authorize or consent to, or accept or adopt on behalf of any Noteholder, any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Noteholder or to authorize the Noteholder Representative to vote in respect of the claim of any Noteholder in any such proceeding.

Each Noteholder agrees that it will not take any enforcement action hereunder or under any other Note Document, accelerate the Obligations under any Note Document, or exercise any right that it might otherwise have under applicable law or otherwise to credit bid at foreclosure sales, UCC sales, any sale under Section 363 of the Bankruptcy Code or other similar dispositions of Collateral. Notwithstanding the foregoing, however, a Noteholder may (a) take action to preserve or enforce its rights against a Note Party where a deadline or limitation period is applicable that would, absent such action, bar enforcement of the Obligations held by such Noteholder, including the filing of proofs of claim in a case under the Bankruptcy Code or (b) exercise such Noteholder's setoff rights in accordance with Section 9.06.

Notwithstanding anything to the contrary contained herein or in any of the other Note Documents, the Issuer, the Noteholder Representative and each Secured Party agrees that no Secured Party (other than the Noteholder Representative) shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee under the Guarantee Agreement, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Noteholder Representative on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the other Note Documents may be exercised solely by the Noteholder Representative.

In the event of a foreclosure by the Noteholder Representative on any of the Collateral pursuant to a public or private sale or in the event of any other disposition (including pursuant to Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Note Party is subject), (a) the Noteholder Representative as agent for and representative of the Secured Parties, shall be entitled, at the direction of the Required Noteholders, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Noteholder Representative at such sale or other disposition and (b) the Noteholder Representative or any Noteholder may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Noteholder Representative at the direction of the Required Noteholders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Noteholder Representative shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Noteholder Representative shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles; *provided* that any actions by the Noteholder Representative with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Noteholders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Noteholders contained in Section 9.08 of this Agreement), (iv) the Noteholder Representative on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the applicable Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Noteholder Representative may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

Section 8.02     Erroneous Payment.

(a) Each Noteholder hereby agrees that (i) if the Noteholder Representative notifies such Noteholder that the Noteholder Representative has determined in its sole discretion that any funds received by such Noteholder from the Noteholder Representative or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Noteholder (whether or not known to such Noteholder) (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, an “Erroneous Payment”) and demands the return of such Erroneous Payment (or a portion thereof); provided that, without limiting any other rights or remedies (whether at law or in equity), the Noteholder Representative may not make any such demand under this clause (a) with respect to any Erroneous Payment unless such demand is made within ninety (90) days of the date of receipt of such Erroneous Payment by such Noteholder, such Noteholder shall promptly, but in no event later than two (2) Business Days thereafter (or such later date as the Noteholder Representative may agree), return to the Noteholder Representative the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived by the Noteholder Representative) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Noteholder to the date such amount is repaid to the Noteholder Representative in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Noteholder Representative in accordance with banking industry rules on interbank compensation from time to time in effect and (ii) to the extent permitted by applicable law, such Noteholder shall not assert any right or claim to the Erroneous Payment, and hereby waives any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Noteholder Representative for the return of any Erroneous Payments received, including, without limitation, waiver of any defense based on “discharge for value” or any similar theory or doctrine. A notice of the Noteholder Representative to any Noteholder under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Noteholder hereby further agrees that if it receives a payment from the Noteholder Representative (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or a notice of payment sent by the Noteholder Representative with respect to such payment, (y) that was not preceded or accompanied by notice of payment, or (z) that such Noteholder otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each case, if an error has been made each such Noteholder is deemed to have knowledge of such error at the time of receipt of such Erroneous Payment, and to the extent permitted by applicable law, such Noteholder shall not assert any right or claim to the Erroneous Payment, and hereby waives, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Noteholder Representative for the return of any Erroneous Payments received, including without limitation waiver of any defense based on “discharge for value” or any similar theory or doctrine. Each Noteholder agrees that, in each such case, it shall promptly (and, in all events, within two (2) Business Days of its knowledge (or deemed knowledge) of such error) notify the Noteholder Representative of such occurrence and, upon demand from the Noteholder Representative, it shall promptly, but in all events no later than one Business Day thereafter, return to the Noteholder Representative the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Noteholder to the date such amount is repaid to the Noteholder Representative in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Noteholder Representative in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) The Issuer and each other Note Party hereby agrees that (x) in the event an Erroneous Payment (or portion thereof) is not recovered from any Noteholder that has received such Erroneous Payment (or portion thereof) for any reason (and without limiting the Noteholder Representative’s rights and remedies under this Section 8.02), the Noteholder Representative shall be subrogated to all the rights of such Noteholder with respect to such amount and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Issuer or any other Note Party.

(d) In addition to any rights and remedies of the Noteholder Representative provided by law, Noteholder Representative shall have the right, without prior notice to any Noteholder, any such notice being expressly waived by such Noteholder to the extent permitted by applicable law, with respect to any Erroneous Payment for which a demand has been made in accordance with this Section 8.02 and which has not been returned to the Noteholder Representative, to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final but excluding trust accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by Noteholder Representative or any of its Affiliate, branch or agency thereof to or for the credit or the account of such Noteholder. Noteholder Representative agrees promptly to notify the Noteholder after any such setoff and application made by Noteholder Representative; provided, that the failure to give such notice shall not affect the validity of such setoff and application.

(e) Each party's obligations under this Section 8.02 shall survive the resignation or replacement of the Noteholder Representative, the termination of the Note Commitments or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Note Document.

The Issuer hereby agrees, unless directed otherwise by the Noteholder Representative, that it will, or will cause the Subsidiaries to, provide to the Noteholder Representative all information, documents and other materials that it is obligated to furnish to the Noteholder Representative pursuant to the Note Documents or to the Noteholders under Article V, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (a) [reserved], (b) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (c) provides notice of any Default or Event of Default under this Agreement or any other Note Document or (d) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Issuance or other extension of credit hereunder (all such non-excluded communications being referred to herein collectively as “Communications”), by transmitting the Communications in an electronic/soft medium that is properly identified in a format acceptable to the Noteholder Representative to an electronic mail address as directed by the Noteholder Representative.

Section 9.02 Survival of Agreement. All covenants, agreements, representations and warranties made by the Issuer herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Note Document shall be considered to have been relied upon by the Noteholders and shall survive the purchase by the Noteholders of the Notes, regardless of any investigation made by the Noteholders or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Note or any Fee or any other amount payable under this Agreement or any other Note Document is outstanding and unpaid and so long as the Commitments have not been terminated. The provisions of Section 2.18, Article VIII and Section 9.05 shall remain operative and in full force and effect regardless of the resignation or replacement of the Noteholder Representative, expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Notes, the expiration of the Commitments, the termination of the Note Documents, the invalidity or unenforceability of any term or provision of this Agreement or any other Note Document, or any investigation made by or on behalf of the Noteholder Representative or any Noteholder.

Section 9.03 Binding Effect. This Agreement shall become effective when it shall have been executed by the Issuer and the Noteholder Representative and when the Noteholder Representative shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto.

Section 9.04 Successors and Assigns.

(a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Issuer, the Noteholder Representative or the Noteholders that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

(b) Each Noteholder may assign to one or more assignees all or a portion of its interests, rights and obligations under this Agreement (including all or a portion of its Commitments and the Notes at the time owing to it) to any Eligible Transferee; *provided* that, unless an Event of Default under clause (b), (c), (g) or (h) of Section 7.01 has occurred and is then continuing, (i) if, following such assignment, Oaktree Noteholders would not constitute Required Noteholders and no other Noteholder, together with its Affiliates and Related Funds that are, or are simultaneously becoming, Noteholders, would constitute Required Noteholders, such assignment shall require the prior written consent of the Issuer (which consent shall not be unreasonably withheld, conditioned or delayed) and (ii) to the extent that, following such assignment, the proposed assignee, together with its Affiliates and Related Funds that are, or are simultaneously becoming, Noteholders, would constitute Required Noteholders, such assignment shall require the prior written consent of the Issuer (provided that the Issuer shall be deemed to have consented to such assignment unless it shall have delivered written notice to the assigning Noteholder and the Noteholder Representative of its rejection of such assignment within five (5) Business Days of receiving notice thereof) unless such assignment is made to a Noteholder or an Affiliate or Related Fund of a Noteholder, *provided* that, in the case of this clause (ii), the Issuer shall have the right to reject only up to two such proposed assignments in the aggregate, after which any assignment in accordance with this clause (ii) (other than to an assignee that has been previously rejected by the Issuer in accordance with this Section 9.04(b) or any Affiliate or Related Fund of such Person) will not require the Issuer's consent.

(c) Unless such assignment is made to a Noteholder or an Affiliate or Related Fund of a Noteholder and subject to clause (ii) below, (i) the amount of the Notes or Commitments of the assigning Noteholder subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Noteholder Representative) shall not be less than \$1,000,000 in respect of Notes or Commitments (or, if less, the entire remaining amount of such Noteholder's Notes or Commitments), (ii) the parties to each such assignment shall (A) electronically execute and deliver to the Noteholder Representative an Assignment and Acceptance via an electronic settlement system acceptable to the Noteholder Representative or (B) if no such system shall then be being utilized by the Noteholder Representative, manually execute and deliver to the Noteholder Representative an Assignment and Acceptance, together with a processing and recordation fee of \$3,500 (other than in the case of an assignment by a Noteholder to an Affiliate or Related Fund of such Noteholder); *provided*, that the Noteholder Representative may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment and (iii) the assignee, if it shall not be a Noteholder, shall deliver to the Noteholder Representative an Administrative Questionnaire, all documentation and other information reasonably determined by the Noteholder Representative to be required by applicable regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act and tax documentation required under Section 2.18(f). Upon acceptance and recording pursuant to clause (e) of this Section 9.04, from and after the effective date specified in each Assignment and Acceptance, (A) the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Noteholder under this Agreement and (B) the assigning Noteholder thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Noteholder's rights and obligations under this Agreement, such Noteholder shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.12, 2.14, 2.18 and 9.05 with respect to facts and circumstances occurring prior to the effective date of such assignment, as well as to any Fees accrued for its account and not yet paid). Any assignment or transfer by a Noteholder of its rights or obligations under this Agreement that does not comply with this Section 9.04(c) shall be treated for purposes of this Agreement as a sale by such Noteholder of a participation in such rights and obligations in accordance with, and to the extent permitted by, Section 9.04(g).

(d) By executing and delivering an Assignment and Acceptance, the assigning Noteholder thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (i) such assigning Noteholder warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its Commitment, and the outstanding balances of its Notes, in each case without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance; (ii) except as set forth in (i) above, such assigning Noteholder makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Note Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Issuer or any Subsidiary or the performance or observance by the Issuer or any Subsidiary of any of its obligations under this Agreement, any other Note Document or any other instrument or document furnished pursuant hereto; (iii) such assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (iv) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements delivered pursuant to Section 5.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) such assignee will independently and without reliance upon the Noteholder Representative, such assigning Noteholder or any other Noteholder and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (vi) such assignee appoints and authorizes the Noteholder Representative to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Noteholder Representative by the terms hereof, together with such powers as are reasonably incidental thereto; (vii) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement and the other Note Documents are required to be performed by it as a Noteholder and (viii) such assignee represents and warrants that it is an Eligible Transferee and is not a Defaulting Noteholder.

(e) The Noteholder Representative, acting solely for this purpose as a non-fiduciary agent of the Issuer, shall maintain at one of its offices, a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Noteholders, and the Commitment of, and principal amount of (and stated interest on) the Notes owing to, each Noteholder pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error and the Issuer, the Noteholder Representative and the Noteholders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Noteholder hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Issuer and, solely with respect to itself or any Noteholder (with respect to such Noteholder's interest only), at any reasonable time and from time to time upon reasonable prior written notice, or any other person as reasonably necessary to ensure that such Commitment, Note or other obligation is in registered form under Section 5f.103 of the United States Treasury Regulations. Notwithstanding anything to the contrary contained in this Agreement, the right, title and interest of the Noteholders and their assignees in and to the Notes shall be transferrable only upon notation of such transfer in the Register and no assignment thereof shall be effective until recorded therein.

(f) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Noteholder and an assignee, an Administrative Questionnaire (including all applicable "know your customer" information requested by the Noteholder Representative and tax documentation required under Section 2.18(f)) completed in respect of the assignee (unless the assignee shall already be a Noteholder hereunder), the processing and recordation fee referred to in clause (b) above, if any, and, if required, the written consent of the Issuer and the Noteholder Representative to such assignment, the Noteholder Representative shall (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Issuer. No assignment shall be effective unless it has been recorded in the Register as provided in this clause (e); *provided, however*, that the failure to promptly provide notice thereof as required under clause (iii) of the immediately preceding sentence shall not in and of itself render any such assignment ineffective.

(g) Each Noteholder may without the consent of the Issuer or the Noteholder Representative sell participations to one or more banks or other entities in all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Notes owing to it); *provided, however*, that (i) such Noteholder's obligations under this Agreement shall remain unchanged, (ii) such Noteholder shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the participating banks or other entities shall be entitled to the benefit of the cost protection provisions contained in Sections 2.12, 2.14 and 2.18 (subject to the requirements and limitations therein, including the requirements under Section 2.18(f), it being understood that the documentation required under Section 2.18(f) shall be delivered to the participating Noteholder) to the same extent as if they were Noteholders; *provided* that such participant (A) agrees to be subject to the provisions of Section 2.19 as if it were an assignee under clause (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 2.12, 2.14, 2.18, or 2.20, with respect to any participation, than its participating Noteholder would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the participating bank or other entity acquired the applicable participation and (iv) the Issuer, the Noteholder Representative and the Noteholders shall continue to deal solely and directly with such Noteholder in connection with such Noteholder's rights and obligations under this Agreement, and such Noteholder shall retain the sole right to enforce the obligations of the Issuer relating to the Notes and to approve any amendment, modification or waiver of any provision of this Agreement (other than amendments, modifications or waivers decreasing any fees payable hereunder with respect to the Notes or Commitments in which such person participates or the amount of principal of or the rate at which interest is payable on the Notes in which such person participates, extending any scheduled principal payment date or date fixed for the payment of interest on the Notes in which such person participates, increasing or extending the Commitments in which such person participates or releasing all or substantially all of the value of the Guarantees of the Obligations by the Note Parties or all or substantially all of the Collateral). Each Noteholder that sells a participation pursuant to this Section 9.04(f) shall, acting as a non-fiduciary agent of the Issuer, maintain a register on which it records the name and address of each participant and the principal amounts of (and related interest on) each participant's participation interest with respect to the Note (each, a "Participant Register"); *provided* that no Noteholder shall have any obligation to disclose all or any portion of the Participant Register to any person (including the identity of any participant or any information relating to a participant's interest in any Commitments, Notes or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish that such Commitment, Note or other obligations is in registered form under Section 5f.103 of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Noteholder shall treat each person whose name is recorded in the Participant Register as the owner of such participation or granted Note for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Noteholder Representative (in its capacity as Noteholder Representative) shall have no responsibility for maintaining a Participant Register.

(h) Any Noteholder or participant may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.04, disclose to the assignee or participant or proposed assignee or participant any information relating to the Issuer and its Subsidiaries furnished to such Noteholder by or on behalf of the Issuer and its Subsidiaries; *provided, however*, that, prior to any such disclosure of information that constitutes Information (as defined in Section 9.16), each such assignee or participant or proposed assignee or participant shall execute an agreement (including through click-through or other customary methods) whereby such assignee or participant shall agree (subject to customary exceptions) to preserve the confidentiality of such confidential information on terms no less restrictive than those applicable to the Noteholders pursuant to Section 9.16.

(i) Any Noteholder may (without the consent of the Issuer or the Noteholder Representative) at any time collaterally assign all or any portion of its rights under this Agreement to secure extensions of credit to such Noteholder or in support of obligations owed by such Noteholder (including, if such Noteholder is a fund that invests in bank loans, to a trustee for holders of obligations owed, or securities issued, by such fund); *provided, however*, that no such assignment shall release a Noteholder from any of its obligations hereunder or substitute any such assignee for such Noteholder as a party hereto and any foreclosure or exercise of remedies by such assignee or trustee shall be subject to the provisions of this Section 9.04 regarding assignments in all respects.

(j) [Reserved].

(k) The Issuer shall not assign or delegate any of its rights or duties hereunder without the prior written consent of the Noteholder Representative and each Noteholder, and any attempted assignment without such consent shall be null and void.

(l) Any attempt to transfer any Note or portion thereof, or any rights or duties thereunder, not in compliance with this Agreement shall be null and void, and neither the Issuer nor the Noteholder Representative shall give any effect to the Register to such attempted transfer.

(m) [Reserved].

(n) Subject to compliance with any applicable securities laws and the conditions set forth herein, assignments to the Issuer of Notes pursuant to this Section 9.04 may only be made through customary auction or other procedures pursuant to which offers to Noteholders shall be made on a pro rata basis to Noteholders (but, for the avoidance of doubt, such purchases shall not be required to be consummated on a pro rata basis), in each case as the Issuer may elect, and shall be subject to the following additional conditions:

(i) immediately following such repurchase, no Event of Default has occurred and is continuing;

(ii) the consideration for any such proposed purchase is cash; and

(iii) if the Issuer is the assignee (including through contribution or transfers set forth in clause (ii) above), (A) the principal amount of such Notes, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Issuer shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (B) the aggregate outstanding principal amount of Notes of the remaining Noteholders shall reflect such cancellation and extinguishment of the Notes then held by such Noteholder and (C) the Issuer shall promptly provide notice to the Noteholder Representative of such contribution, assignment or transfer of such Notes and the Noteholder Representative, upon receipt of such notice, shall reflect the cancellation of the applicable Notes in the Register;

*provided*, that, notwithstanding anything to the contrary, none of the Issuer or any of its Subsidiaries shall be required to represent that it is not in possession of any material non-public information with respect to the Issuer, their Subsidiaries or their respective securities in connection with any assignment pursuant to this clause (n).

(o) [Reserved].

(p) No Note Party may purchase First Lien Obligations in excess of the amounts permitted by the First Lien Loan Documents as in effect on the Closing Date.

Section 9.05 Expenses; Indemnity.

(a) The Issuer agrees to pay all reasonable, documented and invoiced out-of-pocket expenses incurred by the Noteholder Representative in connection with the issuance of the Notes provided for herein, the due diligence investigation in connection with, structuring and arrangement of the Notes provided herein, the preparation of this Agreement and the other Note Documents (including any post-closing work) and any similar note or credit facility refinancing or replacing, in whole or in part, any of the Notes provided for herein, as well as the preparation, negotiation, execution, delivery and administration of this Agreement, or in connection with any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions hereby or thereby contemplated shall be consummated), whether obtained prior to or subsequent to the Closing Date, or incurred by the Noteholder Representative or any Noteholder in connection with the enforcement of its rights in connection with this Agreement and the other Note Documents or in connection with the Notes issued hereunder (and in connection with the protection of such rights), including the reasonable and documented fees, charges and disbursements of Sullivan & Cromwell LLP, counsel to the Noteholders, and Holland & Knight LLP, counsel to the Noteholder Representative, and to the extent reasonably determined by the Noteholder Representative or the Noteholders to be necessary, one local counsel in each appropriate jurisdiction for the Noteholder Representative and the Noteholders, taken as a whole (and, solely in the case of a perceived or actual conflict of interest, one additional local counsel to the conflicted Person, in each appropriate jurisdiction).

(b) The Issuer agrees to indemnify the Noteholder Representative and each of its Related Parties (the “Noteholder Representative Indemnitees”), each Noteholder and each Related Party of any of the foregoing persons (the “Noteholder Indemnitees”; together with the Noteholder Representative Indemnitees, each an “Indemnitee” and collectively, the “Indemnitees”) against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, penalties, judgments, charges and disbursements (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of (I) one primary outside counsel to the Noteholder Representative Indemnitees, taken as a whole and if necessary or appropriate, of one local counsel in each relevant material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) to all Noteholder Representative Indemnitees, taken as a whole and (II) one primary outside counsel to the Noteholder Indemnitees, taken as a whole (and, solely in the case of a perceived or actual conflict of interest where the Noteholder Indemnitee affected by such conflict notifies the Issuer of the existence of such conflict and thereafter retains its own counsel, one additional counsel to all similarly situated Noteholder Indemnitees, taken as a whole) and if necessary or appropriate, of one local counsel in each relevant material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) to all Noteholder Indemnitees, taken as a whole (and, solely in the case of a perceived or actual conflict of interest where the Noteholder Indemnitee affected by such conflict notifies the Issuer of the existence of such conflict and thereafter retains its own counsel, one additional counsel to all similarly situated Noteholder Indemnitees, taken as a whole)), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the preparation, execution, enforcement or delivery of this Agreement or any other Note Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto or thereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or the issuance and administration of the Notes, (ii) the use of the proceeds of the Notes, (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto, or (iv) any actual or alleged generation, presence, discharge or Release of Hazardous Materials on any property while currently or formerly owned, leased or operated by the Issuer or any Subsidiary, or any Environmental Liability related in any way to the Issuer or the Subsidiaries; *provided, however*, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction in a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee (and any Indemnitee receiving payment under this Section 9.05(b) shall promptly refund the amount of such payment to the extent that there is a final and nonappealable judgment of a court of competent jurisdiction that such Indemnitee was not entitled to indemnification in respect of such payment by virtue of such Indemnitee’s gross negligence or willful misconduct), (y) except with respect to the Noteholder Representative Indemnitees, arise out of a claim brought by the Issuer or any Subsidiary against such Indemnitee for material breach of such Indemnitee’s obligations under this Agreement or any other Note Document or (z) arise out of any dispute solely among the Indemnitees (other than disputes involving claims against the Noteholder Representative in its capacity as such or in a similar agency role). This Section 9.05(b) shall not apply to Taxes, other than Taxes that represent losses, claims, damages, liabilities or expenses arising from any non-Tax claim.

(c) Each Noteholder shall indemnify and hold harmless the Noteholder Representative Indemnitees (to the extent not indefeasibly and timely indemnified by or on behalf of the Issuer and without limiting the obligation of the Issuer to do so), based on and to the extent of such Noteholder's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought), from and against any and all losses, claims, damages, liabilities and related expenses (including reasonable and documented or invoiced out-of-pocket fees and expenses of one primary outside counsel for the Noteholder Representative Indemnitees, taken as a whole and if necessary or appropriate, of one local counsel in each relevant material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) to all Noteholder Representative Indemnitees)) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any Noteholder Representative Indemnitee in any way relating to or arising out of or in connection with this Agreement or any other Note Document or any action taken or omitted to be taken by the Noteholder Representative Indemnitees; *provided, however*, that such indemnity shall not, as to any Noteholder Representative Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction in a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Noteholder Representative Indemnitee. Without limiting the foregoing, each Noteholder shall promptly following written demand therefor, pay or reimburse the Noteholder Representative based on and to the extent of such Noteholder's pro rata share of all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement (whether through negotiations, legal proceedings or otherwise) of any rights or remedies under this Agreement or the other Note Documents (including all such out-of-pocket costs and expenses incurred during any legal proceeding, including any proceeding under any debtor relief law, and including all respective fees, charges and disbursements of one primary outside counsel for the Noteholder Representative Indemnitees, taken as a whole and if necessary or appropriate, of one local counsel in each relevant material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) to all Noteholder Representative Indemnitees). For purposes hereof, a Noteholder's "pro rata share" shall be determined based upon its share of the outstanding Notes and unused Note Commitments at such time (or if such indemnity payment is sought after the date on which the Notes have been paid in full and the Note Commitments are terminated in accordance with such Noteholder's pro rata share immediately prior to the date on which the Notes are paid in full and the Note Commitments are terminated). To the extent permitted by applicable Law, no party hereto shall assert, and each hereby waives, any claim against any other party hereto or any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Note Document or any agreement or instrument contemplated hereby, any Note or the use of the proceeds thereof; *provided* that nothing contained in this sentence shall limit the Issuer's indemnification obligations under Section 9.05(b) to the extent such special, indirect, consequential and punitive damages are included in any third party claim in connection with which any Indemnitee is entitled to indemnification hereunder. Except with respect to the Noteholder Representative Indemnitees, the Issuer shall not be liable for any settlement of any proceeding effected without its prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed), but if settled with the Issuer's prior written consent or if there is a final and non-appealable judgment by a court of competent jurisdiction in any such proceeding then the Issuer agree to indemnify and hold harmless each Indemnitee in respect thereof pursuant to Section 9.05(b). If the indemnifying party has reimbursed any Indemnitee for any legal or other expenses in accordance with this Section 9.05 and there is a final and non-appealable judicial determination by a court of competent jurisdiction that the Indemnitee was not entitled to indemnification or contribution rights with respect to such payment pursuant to this Section 9.05, then the Indemnitee shall promptly refund such amount.

(d) The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Notes, the expiration of the Commitments, the termination of the Note Documents, the resignation or replacement of the Noteholder Representative, the invalidity or unenforceability of any term or provision of this Agreement or any other Note Document, or any investigation made by or on behalf of the Noteholder Representative, any Noteholder, or any Related Party of the foregoing persons. All amounts due under this Section 9.05 shall be payable within thirty (30) days of written demand therefor.

Section 9.06 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Noteholder is hereby authorized, subject to the prior consent of the Noteholder Representative (acting at the direction of the Required Noteholders), at any time and from time to time, except to the extent prohibited by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Noteholder to or for the credit or the account of the Issuer against any of and all the obligations of the Issuer now or hereafter existing under this Agreement and other Note Documents held by such Noteholder, irrespective of whether or not such Noteholder shall have made any demand under this Agreement or such other Note Document and although such obligations may be unmaturing; *provided* that in the event that any Defaulting Noteholder shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Noteholder Representative for further application in accordance with the provisions of Section 2.21(a)(ii) and, pending such payment, shall be segregated by such Defaulting Noteholder from its other funds and deemed held in trust for the benefit of the Noteholder Representative and the Noteholders, and (y) the Defaulting Noteholder shall provide promptly to the Noteholder Representative a statement describing in reasonable detail the Obligations owing to such Defaulting Noteholder as to which it exercised such right of setoff. Each Noteholder agrees to notify the Noteholder Representative and the Issuer promptly after any such setoff and application; *provided*, the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Noteholder under this Section 9.06 are in addition to other rights and remedies (including other rights of setoff) which such Noteholder may have.

Section 9.07 Applicable Law. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 9.08 Waivers; Amendment.

(a) No failure or delay of the Noteholder Representative, any Noteholder in exercising any power or right hereunder or under any other Note Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Noteholder Representative and the Noteholders hereunder and under the other Note Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Note Document or consent to any departure by the Issuer or any other Note Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Issuer in any case shall entitle the Issuer to any other or further notice or demand in similar or other circumstances.

(b) Except as expressly set forth herein, neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Issuer, the Noteholder Representative and the Required Noteholders; *provided, however*, that no such agreement shall (1) decrease the principal amount of, or extend the maturity of or any scheduled principal payment date or date for the payment of any interest, without the prior written consent of each Noteholder affected thereby (it being understood and agreed that a waiver of any Default or Event of Default will not constitute a reduction in the principal amount of the Notes), (2) increase or extend the Commitment (it being understood that a waiver of any condition precedent or the waiver of any Default, Event of Default or mandatory prepayment shall not constitute an increase of any Commitment of any Noteholder) or decrease or extend the date for payment of any Fees or any other amount due and payable hereunder to any Noteholder without the prior written consent of such Noteholder, (3) amend or modify the provisions of Section 9.04(j), the provisions of this Section 9.08, or release from the Guarantee Agreement any of the Issuer or all or substantially all of the Subsidiary Guarantors or release all or substantially all of the Collateral (except as otherwise permitted herein or in the other Note Documents), without the prior written consent of each Noteholder directly adversely affected thereby, (4) [reserved], (5) [reserved], (6) reduce the percentage contained in the definition of the term “Required Noteholders” without the prior written consent of each Noteholder (it being understood that with the consent of the Required Noteholders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Noteholders on substantially the same basis as the Commitments on the date hereof unless such extensions of credit are provided for purposes of influencing the voting thresholds under this Agreement), (7) amend or modify the provisions of Section 2.15 or any other provision of the Note Documents requiring the ratable sharing of payments of the Noteholders without the prior written consent of each Noteholder affected thereby, (viii) directly or indirectly (x) subordinate the Obligations in right of payment to any other Indebtedness or (y) subordinate the Liens on all or a material portion of the Collateral securing the Obligations to any other Lien on the Collateral securing any other Indebtedness; *provided, further*, (A) no such agreement shall amend, modify or otherwise affect the rights, duties, obligations or indemnities of the Noteholder Representative hereunder or under any other Note Document without the prior written consent of the Noteholder Representative and (B) for the avoidance of doubt, the consent of the Required Noteholders shall not be required for any amendment, waiver or modification made pursuant to clauses (i) through (viii) of this paragraph.

(c) Notwithstanding anything to the contrary contained in this Section 9.08 or otherwise in this Agreement or any other Note Document, (i) this Agreement and any other Note Document may be amended, supplemented or otherwise modified, or any provision thereof waived, with the consent of the Noteholder Representative and the Issuer without the need to obtain the consent of any Noteholder, if such amendment, supplement, modification or waiver is delivered in order to (A) cure ambiguities, omissions, mistakes or defects, to fix incorrect cross references or similar inaccuracies or to effect administrative, technical, immaterial or other similar changes not materially adverse to the Noteholders (as reasonably determined by the Noteholder Representative and the Issuer), (B) cause any Security Document to be consistent with this Agreement and the other Note Documents, (C) make such modifications as are required in connection with the addition of any Foreign Subsidiaries as Note Parties, as provided in Section 5.12(d), (ii) this Agreement and any other Note Document may be amended, supplemented or otherwise modified, or any provision thereof waived, with the consent of the Noteholder Representative and the Issuer without the need to obtain the consent of any Noteholder for technical changes if the Noteholders shall have received at least five Business Days' prior written notice thereof and the Noteholder Representative shall not have received, within five Business Days following the date of such notice to the Noteholders, a written notice from the Required Noteholders stating that the Required Noteholders object to such amendment, modification, supplement or waiver and (iii) without the consent of any Noteholder, the Issuer and the Noteholder Representative or any other collateral agent may enter into any amendment, supplement or modification of any Note Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest of the Secured Parties in any Collateral or additional property to become Collateral for the benefit of the Secured Parties or as required by local law to give effect to, or protect any security interests for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable Law or this Agreement or in each case to otherwise enhance the rights or benefits of any Noteholder under any Note Document. The Noteholder Representative shall make available to the Noteholders copies of each such amendment or other modification to this Agreement.

(d) Notwithstanding anything to the contrary herein, no Defaulting Noteholder shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Noteholders or each affected Noteholder may be effected with the consent of the applicable Noteholders other than Defaulting Noteholders), except that (x) a Defaulting Noteholder shall retain and have all voting rights in Sections 9.08(b)(i) and 9.08(b)(ii), and (y) any waiver, amendment or modification requiring the consent of all Noteholders or each affected Noteholder that by its terms affects any Defaulting Noteholder disproportionately adversely relative to other affected Noteholders shall require the consent of such Defaulting Noteholder.

Section 9.09 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Note, together with all fees, charges and other amounts which are treated as interest on such Note under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Noteholder holding such Note or participation in accordance with applicable law, the rate of interest payable in respect of such Note or participation hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Note or participation but were not payable as a result of the operation of this Section 9.09 shall be cumulated and the interest and Charges payable to such Noteholder in respect of other Notes or participations or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Noteholder.

Section 9.10 Entire Agreement. This Agreement and the other Note Documents constitute the entire contract between the parties relative to the subject matter hereof. Any other previous agreement among the parties with respect to the subject matter hereof is superseded by this Agreement and the other Note Documents. Nothing in this Agreement or in the other Note Documents, expressed or implied, is intended to confer upon any person (other than the parties hereto and thereto, their respective successors and assigns permitted hereunder and, to the extent expressly contemplated hereby, the Related Parties of each of the Noteholder Representative and the Noteholders) any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Note Documents.

Section 9.11 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER NOTE DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER NOTE DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12 Severability. In the event any one or more of the provisions contained in this Agreement or in any other Note Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein, to the fullest extent permitted by applicable law, shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 9.13 Counterparts; Electronic Execution. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart of a signature page of this Agreement in electronic (i.e., “pdf” or “tif”) format shall be effective as delivery of a manually executed counterpart of this Agreement. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; *provided* that nothing herein shall require the Noteholder Representative to accept electronic signatures in any form or format without its prior written consent.

Section 9.14 Headings Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.15 Jurisdiction; Consent to Service of Process.

(a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in the Borough of Manhattan in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Note Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that (except as permitted below) all claims in respect of any such action or proceeding shall be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Noteholder Representative or any Noteholder may otherwise have to bring any action or proceeding in the courts of any jurisdiction solely in connection with the exercise of any rights under any Security Document.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Note Documents in any New York State or Federal court referenced in clause (a). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01 or as otherwise required by applicable law. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 9.16 Confidentiality. Each of the Noteholder Representative and the Noteholders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' officers, directors, employees and agents, including accountants, legal counsel and other advisors (it being understood that the persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to any regulatory authority or quasi-regulatory authority (such as the National Association of Insurance Commissioners), in which case (to the extent not legally prohibited) the relevant Note Party shall be informed promptly, except with respect to disclosures to the National Association of Insurance Commissioners or with respect to any audit or examination conducted by bank accountants, credit risk insurers or any governmental, regulatory or self-regulatory authority exercising examination or regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, in which case (to the extent not legally prohibited) the relevant Note Party shall be informed promptly, (d) in connection with the exercise of any remedies hereunder or under the other Note Documents or any suit, action or proceeding relating to the enforcement of its rights hereunder or thereunder, (e) subject to an agreement containing provisions substantially the same as or no less restrictive than those of this Section 9.16, to (i) any actual or prospective assignee of or participant in any of its rights or obligations under this Agreement and the other Note Documents or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Issuer or any Subsidiary or any of their respective obligations, (f) with the consent of the Issuer, (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 9.16 by such person and (h) to market data collectors, similar service providers to the lending industry, and service providers to the Noteholder Representative and the Noteholders, in each case in connection with the administration, settlement and management of this Agreement and the other Note Documents. Each of the Noteholder Representative and the Noteholders agrees not to use any Information for any purpose or in any manner other than evaluating the performance of the Issuer and its Subsidiaries hereunder and enforcing the rights, remedies and obligations hereunder and under the other Note Documents. For the purposes of this Section 9.16, "Information" shall mean all information received from the Issuer and related to the Issuer or its business, other than any such information that was available to the Noteholder Representative or any Noteholder on a nonconfidential basis prior to its disclosure by the Issuer. Notwithstanding anything contrary provided above in this Section 9.16, the Noteholder Representative may publicize its services and roles as Noteholder Representative in connection with the transactions contemplated hereunder, including, without limitation, issuing a press release and granting interviews with and providing information to the financial press and other media; *provided*, that, the Noteholder Representative or Noteholder, as applicable, shall consult with the Issuer prior to the dissemination of any such written materials and each such person shall use commercially reasonable efforts to agree upon mutually satisfactory text therefor.

Section 9.17 PATRIOT Act Notice. Each Noteholder and the Noteholder Representative (for itself and not on behalf of any Noteholder) hereby notifies the Issuer that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies the Issuer, which information includes the name and address of the Issuer and other information that will allow such Noteholder or the Noteholder Representative, as applicable, to identify the Issuer in accordance with the PATRIOT Act.

Section 9.18 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Note Document), the Issuer acknowledges and agrees that: (a) (i) the arranging and other services regarding this Agreement provided by the Noteholder Representative and the Noteholders are arm's-length commercial transactions between the Issuer and its Affiliates, on the one hand, and the Noteholder Representative and the Noteholders, on the other hand, (ii) the Issuer has consulted its own legal, accounting, regulatory and Tax advisors to the extent it has deemed appropriate and (iii) the Issuer is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Note Documents; (b) (i) the Noteholder Representative and Noteholder is and has been acting solely as a principal and has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Issuer or any of its Affiliates, or any other person, and (ii) none of the Noteholder Representative or any Noteholder has any obligation to the Issuer or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Note Documents; and (c) the Noteholder Representative, the Noteholders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Issuer and its Affiliates and none of the Noteholder Representative or any Noteholder has any obligation to disclose any of such interests to the Issuer or any of its Affiliates. To the fullest extent permitted by Law, the Issuer hereby waives and releases any claims that it may have against the Noteholder Representative and the Noteholders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transactions contemplated hereby.

Section 9.19 Intercreditor Agreement.

(a) Each Noteholder irrevocably authorizes the Noteholder Representative to execute and deliver the Intercreditor Agreement and each other intercreditor agreement contemplated by the terms of this Agreement and to take such action, and to exercise the powers, rights and remedies granted to the Noteholder Representative thereunder and with respect thereto.

(b) Each Noteholder irrevocably authorizes the Noteholder Representative to execute and deliver other intercreditor documentation (for example and without limitation documentation with respect to intercreditor arrangements for *pari passu* secured indebtedness envisioned by the debt and Liens covenants herein) in form and substance satisfactory to the Noteholder Representative (acting at the direction of the Required Noteholders) and to take such action, and to exercise the powers, rights and remedies granted to the Noteholder Representative hereunder and with respect thereto.

Section 9.20 Collateral and Guarantee Matters.

Subject to the reinstatement provisions set forth in any applicable Security Document, unless an Event of Default has occurred and is continuing, a Note Party shall automatically be released from its obligations under the Note Documents, and all security interests created by the Security Documents in Collateral owned by such Note Party shall be automatically released, upon the consummation of any transaction permitted by this Agreement as a result of which such Note Party ceases to be a Subsidiary or becomes an Excluded Subsidiary (or in case the Note Party elects that any Designated Subsidiary that would otherwise constitute an Excluded Subsidiary cease to be a Designated Subsidiary); *provided that*, if so required by this Agreement, the Required Noteholders (or if applicable, the Noteholders) shall have consented to such transaction and the terms of such consent shall not have provided otherwise; *provided, further, however*, that notwithstanding the foregoing, without the consent of the Required Noteholders, no Note Party shall be released from its obligations under the Note Documents if such Note Party either (x) becomes an Excluded Subsidiary as a result of any transaction undertaken by the Issuer or any Subsidiary or (y) ceases to be a Subsidiary but the Issuer or a Subsidiary or an Affiliate thereof retains any direct or indirect Equity Interest in, or otherwise Controls, such Person, unless (a) the transaction pursuant to which such Note Party becomes an Excluded Subsidiary or ceases to be a Subsidiary is entered into for legitimate bona fide business purposes (other than for purposes of releasing guarantees or collateral hereunder) in good faith with an unaffiliated third party (or with a joint venture entity pursuant to a joint venture entered into for legitimate bona fide business purposes with an unaffiliated third party), (b) at the time of such release (and after giving effect thereto), all outstanding Indebtedness and Liens of any such Subsidiary becoming an Excluded Subsidiary, and all Investments previously made in any such Subsidiary or other Person remaining outstanding after giving effect to the relevant transaction, would then be permitted to be incurred or made in accordance with the relevant provisions of Section 6.01, Section 6.02, Section 6.04, and Section 6.08 (for this purpose, with the Issuer being required to reclassify any such items made in reliance upon such Subsidiary or other Person being a Note Party or a wholly-owned Subsidiary on another basis as would be permitted by such applicable Section), and any previous asset sale to such Subsidiary pursuant to Section 6.05 shall be re-characterized and would be permitted at the time of such release, as if the same were made to a Subsidiary that was not a Note Party (and all items described above in this clause (b) shall thereafter be deemed re-characterized as provided above in this clause (b)), (c) such Subsidiary or other Person shall not be (or shall simultaneously be released as) an obligor with respect to any other Indebtedness of the Issuer or any other Subsidiary (other than, in the case of a Subsidiary that becomes an Excluded Subsidiary, Indebtedness of any other Subsidiary becoming an Excluded Subsidiary as part of the same transaction) and (d) such Subsidiary or other Person owns no assets which were previously transferred to it by another Note Party which constituted Collateral or proceeds of Collateral (or the transfer of any such assets to such Subsidiary or other Person by such Note Party would be permitted hereunder immediately following such release). Upon any sale or other transfer by any Note Party (other than to the Issuer or any other Note Party) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral pursuant to Section 9.08, the security interests in such Collateral created by the Security Documents shall be automatically released. Upon the release of any Note Party from its Guarantee in compliance with this Agreement, the security interest in any Collateral owned by such Note Party created by the Security Documents shall be automatically released. On the date on which all Obligations have been paid in full in cash (other than contingent indemnification obligations not yet accrued and payable), all obligations under the Note Documents and all security interests under the Security Documents shall be automatically released. In connection with any termination or release pursuant to this Section, and in connection with any Collateral becoming Excluded Property, the Noteholder Representative shall execute and deliver to any Note Party, at such Note Party's expense, all documents that such Note Party shall reasonably request to file or register in any office, or to evidence, such termination or release, or, in the case of Collateral becoming Excluded Property, to effect, to file or register in any office, or to evidence the release of any security interest created by the Security Documents in such assets. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Noteholder Representative or the Noteholders. Each of the Secured Parties irrevocably authorizes the Noteholder Representative, at its option and in its discretion, to effect the releases set forth in this Section.

Upon request by the Noteholder Representative at any time, the Required Noteholders will confirm in writing the Noteholder Representative's authority to release or subordinate its interest in particular types or items of property, or to release any Subsidiary Guarantor from its Guarantee under the Guarantee Agreement pursuant to this Section 9.20. In each case as specified in this Section 9.20, the Noteholder Representative will promptly upon the request of the Issuer (and each Noteholder irrevocably authorizes the Noteholder Representative to), at the Issuer's expense, execute and deliver to the applicable Note Party such documents as the Issuer may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Security Documents, or to evidence the release of such Subsidiary Guarantor from its Guarantee under the Guarantee Agreement, in each case in accordance with the terms of the Note Documents and this Section 9.20 (and the Noteholder Representative may rely conclusively on a certificate of a Responsible Officer of the Issuer to that effect provided to it by any Note Party upon its reasonable request without further inquiry). Any execution and delivery of documents pursuant to this Section 9.20 shall be without recourse to or warranty by the Noteholder Representative (other than a representation that the Noteholder Representative has not transferred the security interests granted to the Noteholder Representative in any Collateral to any other person). Any execution and delivery by the Noteholder Representative pursuant to this Section 9.20 or the release provisions of any Security Document shall be without recourse to or warranty by the Noteholder Representative (other than the absence of any encumbrance created, or transfer made, by it).

Section 9.21 Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Note Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Noteholder that is an Affected Financial Institution arising under any Note Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Noteholder that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
  - (i) a reduction in full or in part or cancellation of any such liability;
  - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Note Document; or
  - (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 9.22 [Reserved].

Section 9.23 Representations and Warranties of the Noteholders. Each Noteholder severally and not jointly represents and warrants to, and agrees with, the Issuer as of the Closing Date, and on any date of any assignment pursuant to Section 9.04, that:

(a) It is either (A) a Qualified Institutional Buyer, (B) an Institutional Accredited Investor or (C) a non-U.S. person (as such term is defined in Regulation S under the Securities Act (“Regulation S”)) and will not acquire the Notes for the account or benefit of any U.S. Person, and it is purchasing the Notes outside the United States in an offshore transaction in accordance with Regulation S;

(b) It has such knowledge and experience in financial and business matters and investments in general that make it capable of evaluating the merits and risks of the Notes and the transactions contemplated by this Agreement (and has sought such accounting, legal, tax and other advice as it has considered necessary to make an informed investment decision);

(c) It acknowledges that it has been afforded: (a) the opportunity to ask such questions as it has deemed necessary of, and to receive answers from, representatives of the Issuer and its Subsidiaries concerning the merits and risks of investing in the Issuer and its Subsidiaries; (b) access to information about the Issuer and its Subsidiaries, their results of operations, financial condition, and cash flows, and their business generally, in each case sufficient to such Noteholder’s satisfaction to enable such Noteholder to evaluate whether or not to proceed with the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby; and (c) the opportunity to obtain such additional information that such Noteholder believes is necessary to make an informed investment decision with respect to the Notes and the consummation of the transactions contemplated by this Agreement;

(d) It acknowledges and agrees that neither the Issuer nor any of its Subsidiaries is making any representations or warranties whatsoever, express or implied, except for those representations and warranties contained in Article III of this Agreement or in any certificate delivered in connection herewith, and it acknowledges and agrees that, except for such representations and warranties, it is purchasing the Notes on an “as is/where is” basis. In making the decision to enter into this Agreement and the documents contemplated hereby to which it is a party and to consummate the transactions contemplated hereby, other than reliance on the representations and warranties contained in Article III of this Agreement, such Noteholder acknowledges and agrees that it has relied solely on its own independent investigation, analysis, and evaluation of the Issuer and its Subsidiaries and hereby disclaims reliance on any other representations and warranties;

(e) It is acquiring the Notes for its own account, for investment purposes only and not with a view to any distribution thereof or with any present intention of offering or selling any of the Notes in a transaction that would not otherwise comply with the Securities Act or the securities laws of any state of the United States;

(f) It (A) understands that the Notes have not been registered under the Securities Act or the securities laws of any states and that the Notes are being issued by the Issuer in transactions exempt from the registration requirements of the Securities Act and (B) agrees that neither all nor any part of the Notes may be offered or sold except pursuant to effective registration statements under the Securities Act or pursuant to applicable exemptions from registration under the Securities Act and in compliance with applicable state laws; and

(g) It understands that the exemption from registration afforded by Rule 144 (the provisions of which are known to such Noteholder) promulgated under the Securities Act depends on the satisfaction of various conditions, and that, if applicable, Rule 144A may afford the basis for sales only in limited amounts.

SECTION 3.02. *Delivery of the Pledged Collateral.* (a) Subject to the Intercreditor Agreement, each Grantor agrees promptly to deliver or cause to be delivered to the Noteholder Representative any and all Pledged Securities (i) on the Closing Date (subject to Section 5.13 of the Purchase Agreement), in the case of any such Pledged Securities owned by such Grantor on the Closing Date, and (ii) within the later of (x) 60 days following the acquisition thereof by such Grantor and (y) the next date of delivery of financial statements pursuant to Section 5.01(a) or (b) of the Purchase Agreement, or such longer period as the Noteholder Representative (acting at the direction of the Required Noteholders) may permit in its reasonable discretion, in the case of any such Pledged Securities acquired by such Grantor after the Closing Date.

(b) Subject to the Intercreditor Agreement, and within the time period set forth in clause (a) above, each Grantor will cause (i) all Indebtedness for borrowed money of any Grantor by any person constituting Pledged Collateral (other than (i) intercompany indebtedness between or among Note Parties and (ii) to the extent that a pledge of such promissory note or instrument would violate applicable law) in excess of \$20,000,000, to be evidenced by the Global Intercompany Note or one or more standalone promissory notes, (ii) the Global Intercompany Note to be delivered to the Noteholder Representative pursuant to the terms hereof and (iii) any intercompany Indebtedness constituting Pledged Collateral not evidenced by the Global Intercompany Note but instead evidenced by a separate intercompany promissory note having a principal amount exceeding \$20,000,000 that is owing to a Grantor to be delivered to the Noteholder Representative pursuant to the terms hereof along with proper powers and instruments of transfer pursuant to the terms hereof.

(c) Upon delivery to the Noteholder Representative within the time period set forth in clause (a) above, (i) any Pledged Securities required to be delivered pursuant to the foregoing paragraphs (a) and (b) of this Section 3.02 shall be accompanied by undated stock powers or note powers, as applicable, duly executed by the applicable Grantor in blank or other undated instruments of transfer reasonably satisfactory to the Noteholder Representative and by such other instruments and documents as the Noteholder Representative (acting at the direction of the Required Noteholders) may reasonably request and (ii) all other tangible property comprising part of the Pledged Collateral to be delivered pursuant to this Section 3.02 shall be accompanied by proper undated instruments of assignment duly executed by the applicable Grantor in blank and such other instruments and documents as the Noteholder Representative (acting at the direction of the Required Noteholders) may reasonably request. Each delivery of Pledged Securities after the date hereof shall be accompanied (or promptly followed) by a schedule describing the Pledged Securities so delivered, which schedule shall be deemed to supplement Schedule II and to be attached and made a part hereof, *provided* that failure to provide any such schedule or any error therein shall not affect the validity of the pledge of any Pledged Securities.

SECTION 3.03. *Representations and Warranties.* The Grantors jointly and severally represent and warrant to the Noteholder Representative, for the benefit of the Secured Parties, that:

(a) Schedule II sets forth, as of the Closing Date, a true and complete list, with respect to each Grantor, of (i) all Pledged Equity Interests owned by such Grantor and the percentage of the issued and outstanding units of each class of the Equity Interests of the issuer thereof represented by such Pledged Equity Interests owned by such Grantor and (ii) all Pledged Debt Securities owned by such Grantor and all promissory notes and other instruments evidencing such Pledged Debt Securities, other than any Pledged Debt Security, or promissory note or other instrument evidencing any Pledged Debt Security, evidencing a Permitted Investment or Indebtedness of any Person (other than the Issuer or any Subsidiary) in a principal amount not in excess of \$20,000,000;

(b) as of the Closing Date, the Pledged Equity Interests and Pledged Debt Securities have been issued by the issuers thereof and, in the case of such Pledged Equity Interests and Pledged Debt Securities issued by the Issuer or a Subsidiary, have been duly and validly authorized and (i) in the case of such Pledged Equity Interests, are fully paid and, with respect to Equity Interests constituting capital stock of a corporation, nonassessable and (ii) in the case of such Pledged Debt Securities, are legal, valid and binding obligations of the issuers thereof, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws affecting creditors' rights generally and to general principles of equity, regardless of whether considered in a proceeding in equity or at law;

(c) except for the security interests granted hereunder, each of the Grantors (i) is and, subject to any transfers made in compliance with the Purchase Agreement, will continue to be the direct owner, beneficially and of record, of the Pledged Securities indicated on Schedule II (as may be supplemented from time to time pursuant to Section 3.02(c)) as owned by such Grantor, holds the same free and clear of all Liens (other than Liens created or permitted under the Note Documents and Permitted Encumbrances), (iii) will make no assignment, pledge, hypothecation or transfer of, or create or permit to exist any security interest in or other Lien on, the Pledged Collateral (other than Liens created or permitted under the Note Documents, Permitted Encumbrances and transfers made in compliance with the Purchase Agreement) and (iv) subject to the rights of such Grantor under the Note Documents to dispose of Pledged Collateral, will use commercially reasonable efforts to defend its title or interest thereto or therein against any and all Liens (other than Liens created or permitted under the Note Documents and Permitted Encumbrances), however arising, of all Persons whomsoever;

(d) except as disclosed on Schedule II or any supplemental schedule furnished pursuant to Section 3.02(c), and except for restrictions and limitations imposed by the Note Documents or securities laws generally, and, in the case of clause (ii) below, except for limitations existing as of the First Lien Credit Agreement Closing Date in the articles or certificate of incorporation, bylaws or other organizational documents of any Subsidiary, (i) the Pledged Collateral (other than partnership interests) is and will continue to be freely transferable and assignable, and (ii) none of the Pledged Collateral is or will be subject to any option, right of first refusal, shareholders agreement, charter or bylaw provisions or contractual restriction of any nature that might prohibit, impair, delay or otherwise affect the pledge of such Pledged Collateral hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Noteholder Representative of rights and remedies hereunder other than under applicable Requirements of Law;

(e) each of the Grantors has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated; and

(f) by virtue of the execution and delivery by the Grantors of this Agreement, the Noteholder Representative, for the benefit of the Secured Parties, has a legal and valid security interest in the Pledged Securities securing the payment and performance of the Secured Obligations and when any Pledged Securities are delivered to and subject to continued possession by the Noteholder Representative in accordance with this Agreement, the Noteholder Representative will obtain a legal, valid and perfected lien upon and security interest in such Pledged Securities, under the New York UCC to the extent such lien and security interest may be created and perfected under the New York UCC, as security for the payment and performance of the Secured Obligations, subject to no prior Lien (other than Liens created under the Note Documents and Permitted Encumbrances).

SECTION 3.04. *Certification of Limited Liability Company and Limited Partnership Interests.* Each Grantor acknowledges and agrees that (i) to the extent any interest in any limited liability company or unlimited liability company or limited partnership controlled now or in the future by any Grantor and pledged hereunder is a “security” within the meaning of Article 8 of the UCC and is governed by Article 8 of the UCC, such interest shall be at all times hereafter represented by a certificate and shall be at all times hereafter a “security” within the meaning of Article 8 of the UCC and governed by Article 8 of the UCC and (i) to the extent any interest in any limited liability company or unlimited liability company or limited partnership controlled now or in the future by any Grantor and pledged hereunder is not a “security” within the meaning of Article 8 of the UCC, such Grantor shall at no time elect to treat any such interest as a “security” within the meaning of Article 8 of the UCC, nor shall such interest be represented by a certificate, unless such Grantor provides prior written notification to the Noteholder Representative of such election and such interest is thereafter represented by a certificate that is delivered to the Noteholder Representative pursuant to Section 3.02 or to the party entitled to receive the same under the Intercreditor Agreement.

SECTION 3.05. *Registration in Nominee Name; Denominations.* The Noteholder Representative, on behalf of the Secured Parties and subject to the Intercreditor Agreement, shall hold the Pledged Securities in the name of the applicable Grantor, endorsed or assigned in blank or in favor of the Noteholder Representative, for the benefit of the Secured Parties. Following the occurrence and during the continuance of an Event of Default and subject to the Intercreditor Agreement, the Noteholder Representative may (and to the extent that action by it is required, the relevant Grantor, if directed to do so by the Noteholder Representative, will as promptly as practicable) cause each of the Pledged Securities (or any portion thereof specified in such direction) to be transferred of record into the name of the Noteholder Representative or its nominee. Following the occurrence and during the continuance of an Event of Default, each Grantor will promptly give to the Noteholder Representative copies of any notices or other communications received by it with respect to Pledged Securities registered in the name of such Grantor. Following the occurrence and during the continuance of an Event of Default and after prior written notice to the applicable Grantor and subject to the Intercreditor Agreement, the Noteholder Representative shall at all times have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement.

SECTION 3.06. *Voting Rights; Dividends and Interest.* (a) Unless and until an Event of Default shall have occurred and be continuing and the Noteholder Representative (acting at the direction of the Required Noteholders) shall have notified the Grantors that their rights under this Section 3.06 are being suspended:

(i) each Grantor shall be entitled to exercise any and all voting and/or other rights and powers inuring to an owner of Pledged Collateral or any part thereof for any purpose; *provided*, that such rights and powers shall not be exercised in any manner that would reasonably be expected to materially and adversely affect the rights and remedies of the Noteholder Representative or any other Secured Party under this Agreement or any other Note Document or the ability of the Secured Parties to exercise the same in respect of the Pledged Collateral;

(ii) the Noteholder Representative shall execute and deliver to each Grantor, or cause to be executed and delivered to such Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and/or other rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 3.06; and

(iii) each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Collateral, but only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Purchase Agreement, the other Note Documents and applicable laws, *provided* that any noncash dividends, interest, principal or other distributions that would constitute Pledged Equity Interests or Pledged Debt Securities, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral and, if received by any Grantor, and required to be delivered to the Noteholder Representative hereunder, shall not be commingled by such Grantor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of, or for and on behalf of, the Noteholder Representative and shall be promptly delivered to the Noteholder Representative in the same form as so received (with any necessary endorsements, stock powers or other instruments of transfer).

(b) Upon the occurrence and during the continuance of an Event of Default and subject to the Intercreditor Agreement, after the Noteholder Representative (acting at the direction of the Required Noteholders) shall have notified the Grantors of the suspension of their rights under paragraph (a)(iii) of this Section 3.06, then all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to paragraph (a)(iii) of this Section 3.06, shall cease, and all such rights shall thereupon become vested in the Noteholder Representative, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions; *provided*, that the Noteholder Representative, to the extent directed by the Required Noteholders, shall have the right from time to time following and during the continuance of an Event of Default to permit the Grantors to receive and retain such amounts. All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 3.06 shall, subject to the Intercreditor Agreement, be held in trust for the benefit of, or for and on behalf of, the Noteholder Representative and the other Secured Parties, shall be segregated from other property or funds of such Grantor and shall be promptly delivered to the Noteholder Representative upon demand in the same form as so received (with any necessary endorsements, stock or note powers or other instruments of transfer). Any and all money and other property paid over to or received by the Noteholder Representative pursuant to the provisions of this paragraph (b) shall be retained by the Noteholder Representative in an account to be established by the Noteholder Representative upon receipt of such money or other property, shall be held as security for the payment and performance of the Secured Obligations and shall be applied in accordance with the provisions of Section 5.02. After all Events of Default have been cured or waived and the Issuer has delivered to the Noteholder Representative a certificate of a Financial Officer of the Issuer to that effect, the Noteholder Representative shall, subject to the Intercreditor Agreement, promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise have been permitted to retain pursuant to the terms of paragraph (a)(iii) of this Section 3.06 and that remain in such account.

(c) Upon the occurrence and during the continuance of an Event of Default and subject to the Intercreditor Agreement, after the Noteholder Representative (acting at the direction of the Required Noteholders) shall have notified the Grantors in writing of the suspension of their rights under paragraph (a)(i) of this Section 3.06, then all rights of any Grantor to exercise the voting and other rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 3.06, and the obligations of the Noteholder Representative under paragraph (a)(ii) of this Section 3.06, shall cease, and all such rights shall thereupon become vested in the Noteholder Representative, which shall have the sole and exclusive right and authority to exercise such voting and other rights and powers; *provided* that, to the extent directed by the Required Noteholders, the Noteholder Representative shall have the right from time to time following and during the continuance of an Event of Default to permit the Grantors to exercise such rights. After all Events of Default have been cured or waived and the Issuer has delivered to the Noteholder Representative a certificate of a Financial Officer of the Issuer to that effect, all rights of any Grantors to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 3.06 shall be reinstated.

(d) Any notice given by the Noteholder Representative (acting at the direction of the Required Noteholders) to the Grantors suspending their rights under paragraph (a) of this Section 3.06 (i) shall be given in writing, (ii) may be given to one or more of the Grantors at the same or different times and (iii) may suspend the rights and powers of the Grantors under paragraph (a)(i) or paragraph (a)(iii) in part without suspending all such rights or powers (as specified by the Noteholder Representative in its discretion acting at the direction of the Required Noteholders) and without waiving or otherwise affecting the Noteholder Representative's right to give additional notices from time to time suspending other rights and powers so long as an Event of Default has occurred and is continuing.

SECTION 4.01. *Security Interest.* (a) As security for the payment or performance, as the case may be, in full of the Secured Obligations and subject to Section 4.01(d), each Grantor hereby grants to the Noteholder Representative, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest (the "*Security Interest*") in all right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by such Grantor or in, to or under which such Grantor now has or at any time hereafter may acquire any right, title or interest (collectively, but subject to paragraph (d) of this Section, the "*Article 9 Collateral*");

- (i) all Accounts;

- (ii) all Chattel Paper;
- (iii) all cash, cash equivalents and Deposit Accounts;
- (iv) all Documents;
- (v) all Equipment;
- (vi) all General Intangibles, including all Intellectual Property;
- (vii) all Instruments;
- (viii) all Inventory;
- (ix) all other Goods;
- (x) all Investment Property;
- (xi) all Letter-of-Credit Rights;
- (xii) all Commercial Tort Claims specifically described on Schedule IV, as such schedule may be supplemented from time to time pursuant to Section 4.04(e);
- (xiii) all Fixtures;
- (xiv) all books and records pertaining to the Article 9 Collateral; and
- (xv) to the extent not otherwise included, all Proceeds and products of any and all of the foregoing and all collateral security and guarantees given by any Person with respect to any of the foregoing.

(b) Each Grantor hereby irrevocably authorizes the Noteholder Representative (or its designee) at any time and from time to time to file in any relevant jurisdiction any initial financing statements (including fixture filings) with respect to the Article 9 Collateral or any part thereof and amendments thereto that (i) indicate the Collateral as all assets, whether now owned or at any time hereafter acquired, of such Grantor or words of similar effect as being of an equal or lesser scope or with greater detail, and (ii) contain the information required by Article 9 of the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment, including (A) whether such Grantor is an organization, the type of organization and any organizational identification number, if any, issued to such Grantor and (B) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Article 9 Collateral relates. Each Grantor agrees to provide such information to the Noteholder Representative promptly upon request.

The Noteholder Representative (or its designee) is further authorized by each Grantor to file with the United States Patent and Trademark Office or United States Copyright Office (or any successor office) such documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest granted by such Grantor, without the signature of any Grantor, and naming any Grantor or the Grantors as debtors and the Noteholder Representative as secured party.

(c) The Security Interest and the security interest granted pursuant to Article III are granted as security only and shall not subject the Noteholder Representative or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Collateral.

(d) Notwithstanding anything herein to the contrary, in no event shall the Article 9 Collateral include or security interest granted hereunder attach to any Excluded Property (any such property so excluded being collectively referred to as the “*Excluded Personal Property*”); *provided* that Excluded Personal Property shall not include any Proceeds, substitutions or replacements of any Excluded Personal Property (unless such Proceeds, substitutions or replacements would constitute Excluded Personal Property).

SECTION 4.02. *Representations and Warranties.* The Grantors jointly and severally represent and warrant to the Noteholder Representative for the benefit of the Secured Parties that:

(a) Each Grantor has good and valid rights in all its Article 9 Collateral with respect to which it has purported to grant the Security Interest, except where the failure to have such rights and title would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) The Perfection Certificate has been duly prepared, completed and executed and the information set forth therein, including the exact legal name, jurisdiction of organization and chief executive office of each Grantor, is correct and complete, in all material respects, as of the Closing Date. The Uniform Commercial Code financing statements (including fixture filings, as applicable) or other appropriate filings, recordings or registrations prepared by the Noteholder Representative based upon the information provided to the Noteholder Representative in the Perfection Certificate for filing in each governmental, municipal or other office specified in Schedules 2(a) and 2(b) to the Perfection Certificate (or specified by notice from the Issuer to the Noteholder Representative after the Closing Date in the case of filings, recordings or registrations required by Sections 5.03 or 5.11 of the Purchase Agreement), are substantially all the filings, recordings and registrations (other than filings required to be made in the United States Patent and Trademark Office and the United States Copyright Office in order to perfect the Security Interest in Article 9 Collateral consisting of substantially all United States registered or applied for Patents, Trademarks and Copyrights and exclusive Copyright Licenses for which the applicable Grantor is the licensee and the licensed work is registered at the United States Copyright Office) that are necessary as of the Closing Date to publish notice of and protect the validity of and to establish a legal, valid and perfected security interest in favor of the Noteholder Representative, for the benefit of the Secured Parties, in respect of substantially all Article 9 Collateral in which the Security Interest may be perfected by such filing, recording or registration of such documents in the United States of America (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refile, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements. A Patent Security Agreement substantially in the form of Exhibit II hereto, a Trademark Security Agreement substantially in the form of Exhibit III hereto and a Copyright Security Agreement substantially in the form of Exhibit IV hereto (such agreements, collectively, the “IP Security Agreements”), in each case containing a description of the Article 9 Collateral consisting of substantially all United States registered or applied for Patents, Trademarks, Copyrights and exclusive Copyright Licenses for which the applicable Grantor is the licensee and the licensed work is registered at the United States Copyright Office, as applicable, and executed by each Grantor owning any such Article 9 Collateral, shall be delivered to the Noteholder Representative for recording with the United States Patent and Trademark Office and the United States Copyright Office pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable, to protect the validity of and to establish a legal, valid and perfected security interest in favor of the Noteholder Representative (for the benefit of the Secured Parties) in respect of substantially all Article 9 Collateral consisting of Patents, Trademarks, Copyrights and Copyright Licenses as of the Closing Date in which a security interest may be perfected by such filing, recording or registration of such documents in the above-referenced offices. Notwithstanding anything in this Agreement to the contrary, other than the filing of Uniform Commercial Code financing statements, the IP Security Agreements, filings pursuant to Section 4.05(e) and, as applicable, Supplements, no Grantor shall be obligated to take any other steps or actions in connection with the grant or perfection of the security interest of the Noteholder Representative in any Article 9 Collateral consisting of Intellectual Property.

(c) The Article 9 Collateral is owned by the Grantors, or the Grantors have rights in such Article 9 Collateral, free and clear of any Lien, except for the Liens permitted under Section 6.02 of the Purchase Agreement.

(d) Schedule III hereto sets forth, as of the Closing Date, a true and complete list of all (i) registered and applied for United States Patents, Trademarks and Copyrights owned by any Grantor and (ii) exclusive Copyright Licenses for which a Grantor is the licensee and the licensed work is registered at the United States Copyright Office, in each case of the foregoing clauses (i) and (ii), that are included in the Article 9 Collateral. As of the Closing Date, all material registrations of Intellectual Property listed in Schedule III are unexpired, subsisting and have not been canceled, and to the knowledge of the Grantors, are valid. Schedule III, together with the supplement to Schedule III hereto required by Section 4.05(e), will set forth, as of the date such supplement is delivered pursuant to Section 4.05(e), a true and complete list of all (x) registered and applied for United States Patents, Trademarks and Copyrights owned by any Grantor and (y) exclusive Copyright Licenses for which a Grantor is the licensee and the licensed work is registered at the United States Copyright Office, in each case of the foregoing clauses (x) and (y), that are included in the Article 9 Collateral. As of the date such supplement is delivered pursuant to Section 4.05(e), all material registrations of Intellectual Property included in such supplement will be unexpired, subsisting and not canceled, and to the knowledge of the Grantors, valid.

(e) The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral securing the payment and performance of the Secured Obligations, (ii) subject to the filings described in Section 4.02(b), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the UCC or other applicable law in such jurisdictions and (iii) a security interest that shall be perfected in all Article 9 Collateral in which a security interest may be perfected upon the receipt and recording of the IP Security Agreements with the United States Patent and Trademark Office and the United States Copyright Office, as applicable. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral, other than Liens permitted under Section 6.02 of the Purchase Agreement.

(f) Schedule IV hereto sets forth, as of the Closing Date, a true and complete list, with respect to each Grantor, of each Commercial Tort Claim in respect of which a complaint or a counterclaim has been filed by such Grantor, seeking damages in an amount reasonably estimated to exceed \$5,000,000, including a summary description of such claim. In the event any Supplement shall set forth any Commercial Tort Claim, Schedule IV shall be deemed to be supplemented to include the reference to such Commercial Tort Claim (and the description thereof), in the same form as such reference and description are set forth on such Supplement.

(g) No Grantor has filed or consented to the filing of (i) any financing statement or analogous document under the Uniform Commercial Code or any other applicable laws covering any Article 9 Collateral, (ii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the United States Patent and Trademark Office or the United States Copyright Office, (iii) any notice under the Assignment of Claims Act, or (iv) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for any of the foregoing related solely to Liens expressly permitted pursuant to Section 6.02 of the Purchase Agreement.

SECTION 4.03. *Covenants.* (a) Each Grantor agrees to promptly (and in any event within ten (10) Business Days) notify the Noteholder Representative in writing of any change (i) in its legal name, (ii) in the location of its chief executive office or its principal place of business, (iii) in its identity or type of organization or corporate form, (iv) in its federal taxpayer identification number or organizational identification number or (v) in its jurisdiction of organization. Each Grantor agrees to promptly provide the Noteholder Representative with certified organizational documents reflecting any of the changes described in the first sentence of this paragraph. Each Grantor agrees to make any and all filings under the UCC or otherwise that are required in order for the Noteholder Representative to continue at all times following such change to have a valid, legal and perfected security interest, having the priority required by this Agreement, in all the Article 9 Collateral.

(b) Subject to the rights of such Grantor under the Note Documents to dispose of Collateral, each Grantor shall, at its own expense, use commercially reasonable efforts to defend title to the Article 9 Collateral against all Persons and to defend the Security Interest of the Noteholder Representative in the Article 9 Collateral and the priority thereof against any Lien not permitted pursuant to Section 6.02 of the Purchase Agreement.

(c) At any time following the occurrence and continuance of an Event of Default, the Noteholder Representative, at its option, may discharge past due Taxes, assessments, charges, fees and Liens at any time levied or placed on the Article 9 Collateral that are not permitted by the Purchase Agreement, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by this Agreement or the other Note Documents, and each Grantor jointly and severally agrees to reimburse the Noteholder Representative on demand for any payment made or any reasonable and documented out-of-pocket expense incurred by the Noteholder Representative pursuant to the foregoing authorization, *provided* that nothing in this Section 4.03(c) shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Noteholder Representative or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to Taxes, assessments, charges, fees and Liens and maintenance as set forth herein or in the other Note Documents.

(d) Each Grantor shall remain liable to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral, all in accordance with the terms and conditions thereof.

(e) None of the Grantors shall make or permit to be made any transfer of the Article 9 Collateral except as not prohibited by the Purchase Agreement or any other Note Document, and except that the Grantors may use, license and dispose of the Article 9 Collateral in any lawful manner not inconsistent with the provisions of this Agreement, the Purchase Agreement or any other Note Document unless and until an Event of Default under the Purchase Agreement shall have occurred and be continuing, and during the continuance thereof the Grantors shall not sell, convey, lease, assign, transfer or otherwise dispose of any Article 9 Collateral, unless such disposition is not otherwise prohibited by the Purchase Agreement during an Event of Default.

(f) None of the Grantors will, without the Noteholder Representative's prior written consent (acting at the direction of the Required Noteholders), grant any extension of the time of payment of any Accounts included in the Article 9 Collateral, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any Person liable for the payment thereof or allow any credit or discount whatsoever thereon, other than extensions, compromises, settlements, releases, credits or discounts granted or made in the ordinary course of business and in accordance with prudent business practices.

(g) The Grantors, at their own expense, shall maintain or cause to be maintained insurance in accordance with the requirements set forth in Section 5.07 of the Purchase Agreement. Each Grantor irrevocably makes, constitutes and appoints the Noteholder Representative (and all officers, employees or agents designated by the Noteholder Representative) as such Grantor's true and lawful agent (and attorney-in-fact) for the purpose, upon the occurrence and during the continuance of an Event of Default, of making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. In the event that any Grantor at any time or times shall fail to obtain or maintain any of the policies of insurance required by Section 5.07 of the Purchase Agreement or to pay any premium in whole or part relating thereto, the Noteholder Representative may (acting at the direction of the Required Noteholders), without waiving or releasing any obligation or liability of the Grantors hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Noteholder Representative (acting at the direction of the Required Noteholders) deems advisable. All sums disbursed by the Noteholder Representative in connection with this paragraph, including reasonable and documented attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Grantors to the Noteholder Representative and shall be additional Secured Obligations secured hereby.

(h) Each Grantor agrees to be bound by the provisions of Section 5.03 of the Purchase Agreement with the same force and effect, and to the same extent, as if each reference therein to the Issuer were a reference to such Grantor, promptly to provide the Noteholder Representative with certified organizational documents reflecting any of the changes described in Section 5.03 of the Purchase Agreement and to be bound by the provisions of Sections 2.18, 5.04, 5.05, 5.06, 5.08, 5.09, 5.12, 5.13 and 9.21 of the Purchase Agreement with the same force and effect, and to the same extent, as if such Grantor were a party to the Purchase Agreement. Each Grantor agrees promptly (and in any event within five (5) Business Days) to notify the Noteholder Representative if any material portion of the Article 9 Collateral owned or held by such Grantor is damaged, destroyed, or subject to condemnation.

SECTION 4.04. *Other Actions.* In order to further ensure the attachment, perfection and priority of, and the ability of the Noteholder Representative to enforce, the Security Interest, each Grantor agrees, in each case at such Grantor's own expense, to take the following actions with respect to the following Article 9 Collateral:

(a) *Instruments.* Subject to the Intercreditor Agreement, if any Grantor shall at any time hold or acquire any Instruments required to be delivered hereunder (other than any instrument with a face amount of less than \$5,000,000 and checks to be deposited in the ordinary course of business), such Grantor shall promptly (and in any event no later than the later of (x) 60 days following the acquisition thereof by such Grantor and (y) the next date of delivery of financial statements pursuant to Section 5.01(a) or (b) of the Purchase Agreement, or such longer period as the Noteholder Representative (acting at the direction of the Required Noteholders) may permit in its reasonable discretion) endorse, assign and deliver the same to the Noteholder Representative, accompanied by such instruments of transfer or assignment duly executed in blank as the Noteholder Representative (acting at the direction of the Required Noteholders) may from time to time reasonably request.

(f) *Commercial Tort Claims.* If any Grantor shall at any time hold or acquire a Commercial Tort Claim (other than any Commercial Tort Claim for which a complaint has not yet been filed in a court of competent jurisdiction) in an amount reasonably estimated to exceed \$5,000,000 (or its equivalent in U.S. Dollars), the Grantor shall promptly (and in any event no later than the later of (x) 60 days following the acquisition thereof by such Grantor and (y) the next date of delivery of financial statements pursuant to Section 5.01(a) or (b) of the Purchase Agreement, or such longer period as the Noteholder Representative (acting at the direction of the Required Noteholders) may permit in its reasonable discretion) notify the Noteholder Representative thereof in a writing signed by such Grantor, including an amendment or supplement to Schedule IV, with a summary description of such claim, and grant to the Noteholder Representative a security interest therein and in the proceeds thereof, all upon the terms of this Agreement.

SECTION 4.05. *Covenants Regarding Patent, Trademark and Copyright Collateral.* (a) Each Grantor agrees that it shall not knowingly do any act or omit to do to any act whereby any material Intellectual Property included in the Article 9 Collateral may become invalidated or dedicated to the public.

(b) Subject to Section 4.05(a), each Grantor shall notify the Noteholder Representative promptly if it knows or becomes aware that any material Intellectual Property included in the Article 9 Collateral may become abandoned, lost or dedicated to the public, or of any materially adverse determination or development (excluding routine office actions issued in the ordinary course of prosecution) regarding such Grantor's ownership of such Intellectual Property, including, as applicable, its right to register the same, or its right to keep and maintain the same.

(c) Each Grantor shall take all commercially reasonable steps that are consistent with such Grantor's reasonable business judgment (including in any proceeding before the United States Patent and Trademark Office or United States Copyright Office) to maintain any Intellectual Property included in the Article 9 Collateral that is material to the conduct of such Grantor's business.

(d) In the event that any Grantor has reason to know that any material Intellectual Property owned by, or exclusively licensed to, such Grantor and included in the Article 9 Collateral has been or may become materially infringed, misappropriated or diluted by a third party, such Grantor promptly shall notify the Noteholder Representative and shall take such actions as are appropriate under the circumstances in the reasonable business judgment of such Grantor to protect such Article 9 Collateral.

(e) If any Grantor, either directly or through any agent, employee, licensee or designee, files an application for registration of any Patent, Trademark or Copyright with the United States Patent and Trademark Office or United States Copyright Office or otherwise becomes the owner of any Patent, Trademark or Copyright registered or applied for in the United States Patent and Trademark Office or United States Copyright Office or the exclusive licensee under a Copyright License for a Copyright registered at the United States Copyright Office, in each case, that would constitute Article 9 Collateral, such Grantor shall provide the Noteholder Representative with the information required by Schedule III hereto at the time of delivery of the next financial statements pursuant to Section 5.01(a) or (b) of the Purchase Agreement, and, thereafter, upon request of the Noteholder Representative (acting at the direction of the Required Noteholders), such Grantor shall promptly execute and deliver any and all IP Security Agreements or other instruments as the Noteholder Representative may reasonably request (acting at the direction of the Required Noteholders) to evidence and perfect the Noteholder Representative's security interest in such Intellectual Property.

(f) Nothing in this Agreement shall prevent any Grantor from disposing of, discontinuing the use or maintenance of, failing to preserve, protect, pursue, renew, enforce, extend or keep in full force and effect, or otherwise allow to lapse, terminate, become invalid or unenforceable or dedicate to the public domain any of its Intellectual Property, to the extent permitted by the Purchase Agreement. For the purposes of this Section 4.05, the definition of “Intellectual Property” shall exclude Licenses.

## ARTICLE V

### *Remedies*

SECTION 5.01. *Remedies Upon Default.* Upon the occurrence and during the continuance of an Event of Default and following notice to the Issuer as provided and to the extent required under Section 7.01 of the Purchase Agreement, each Grantor agrees to deliver each item of Collateral to the Noteholder Representative on demand, and it is agreed that the Noteholder Representative shall have the right to take any of or all the following actions at the same or different times: (a) with respect to any Article 9 Collateral consisting of Intellectual Property, to license or sublicense (subject, in the case of Trademarks, to reasonable quality control obligations and, in the case of trade secrets, to standard confidentiality obligations), whether general, special or otherwise, and whether on an exclusive or nonexclusive basis, any such Article 9 Collateral throughout the world on such terms and conditions and in such manner as the Noteholder Representative shall determine (other than in violation of any then-existing licensing or other contractual arrangements to the extent that waivers cannot be obtained and subject to Section 5.03), and (b) with or without legal process and with or without prior notice or demand for performance, to take possession of the Article 9 Collateral and without liability for trespass to enter any premises where the Article 9 Collateral may be located for the purpose of taking possession of or removing the Article 9 Collateral and, generally, to exercise any and all rights afforded to a secured party under the UCC or other applicable law. Without limiting the generality of the foregoing, each Grantor agrees that the Noteholder Representative shall have the right, subject to the mandatory requirements of applicable law, to sell or otherwise dispose of all or any part of the Collateral at a public or private sale or at any broker’s board or on any securities exchange, for cash, upon credit or for future delivery as the Noteholder Representative (acting at the direction of the Required Noteholders) shall deem appropriate. The Noteholder Representative shall be authorized at any such sale of securities (if it deems it advisable to do so (acting at the direction of the Required Noteholders)) to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Noteholder Representative (acting at the direction of the Required Noteholders) shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any sale of Collateral shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the fullest extent permitted by applicable law) all rights of redemption, stay and appraisal that such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Noteholder Representative shall give the applicable Grantors no less than 10 days' prior written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Noteholder Representative's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Noteholder Representative (acting at the direction of the Required Noteholders) may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Noteholder Representative may (in its sole and absolute discretion (acting at the direction of the Required Noteholders)) determine. The Noteholder Representative shall not be obligated to make any sale of any Collateral if it shall determine (acting at the direction of the Required Noteholders) not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Noteholder Representative may (acting at the direction of the Required Noteholders), without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Noteholder Representative until the sale price is paid by the purchaser or purchasers thereof, but neither the Noteholder Representative nor any other Secured Party shall incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. In the event of a foreclosure by the Noteholder Representative on any of the Collateral pursuant to a public or private sale or other disposition, the Noteholder Representative or any Secured Party may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Noteholder Representative, at the direction of the Required Noteholders, as agent for and representative of the Secured Parties (but not any Secured Party or Secured Parties in its or their respective individual capacities unless the Required Noteholders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Note Document Obligations as a credit on account of the purchase price for any Collateral payable by the Noteholder Representative on behalf of the Secured Parties at such sale or other disposition. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Noteholder Representative shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Noteholder Representative shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations Paid in Full. As an alternative to exercising the power of sale herein conferred upon it, the Noteholder Representative may (acting at the direction of the Required Noteholders) proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 5.01 shall be deemed to conform to commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

SECTION 5.02.      *Application of Proceeds.* The Noteholder Representative shall, subject to the Intercreditor Agreement, after the acceleration of the principal amount of any of the Notes and in accordance with the Purchase Agreement, apply all payments and proceeds in respect of the Secured Obligations received by the Noteholder Representative under any Note Document, including the proceeds of any collection, sale, foreclosure or other realization upon the Collateral, including any Collateral consisting of cash, as follows:

FIRST, to the payment of all costs and expenses incurred by, and all indemnity and fee obligations (other than contingent indemnification and expense reimbursement obligations for which no claim has been made) owed to, the Noteholder Representative in connection with such collection, sale, foreclosure or other realization or otherwise in connection with this Agreement, any other Note Document or any of the Secured Obligations, including all court costs and the fees and expenses of its agents and legal counsel, the repayment of all advances made by the Noteholder Representative hereunder or under any other Note Document on behalf of any Grantor and any other costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Note Document;

SECOND, to the payment in full of the Secured Obligations (the amounts so applied to be distributed among the Secured Parties pro rata in accordance with the amounts of the Secured Obligations owed to them on the date of any such distribution); and

THIRD, to the Grantors, their successors or assigns, or as a court of competent jurisdiction may otherwise direct.

The Noteholder Representative (acting at the direction of the Required Noteholders) shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Noteholder Representative (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Noteholder Representative or of the officer making the sale shall be a sufficient discharge to the Grantors and the purchaser or purchasers of the Collateral so sold and such Grantors, purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Noteholder Representative or such officer or be answerable in any way for the misapplication thereof. The Grantors shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all Secured Obligations, including any attorneys' fees and other expenses incurred by the Noteholder Representative or any Secured Party to collect such deficiency.

SECTION 5.03. *Grant of License to Use Intellectual Property.* Solely for the purpose of enabling the Noteholder Representative to exercise rights and remedies under this Agreement at such time as the Noteholder Representative shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Noteholder Representative an irrevocable, nonexclusive, non-transferrable, limited license (exercisable without payment of royalty or other compensation to the Grantors and effective solely upon the occurrence and solely during the continuation of an Event of Default), subject, in the case of Trademarks, to reasonable quality control obligations and, in the case of trade secrets, to standard confidentiality obligations, to use, license or sublicense any of the Article 9 Collateral consisting of Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof, *provided* that such nonexclusive license and/or sublicense does not violate the express terms of any agreement between a Grantor and a third party, or gives such third party any right of acceleration, modification or cancellation therein. The use of such license by the Noteholder Representative may be exercised, at the option of the Noteholder Representative, solely upon the occurrence and solely during the continuation of an Event of Default, *provided* that any license, sublicense or other transaction entered into by the Noteholder Representative in accordance herewith shall be binding upon the Grantors notwithstanding any subsequent cure of an Event of Default. Each Grantor irrevocably agrees that the Noteholder Representative may (acting at the direction of the Required Noteholders), upon the occurrence and during the continuance of an Event of Default, sell any of such Grantor's Inventory directly to any person, including Persons who have previously purchased the Grantor's Inventory from such Grantor and in connection with any such sale or other enforcement of the Noteholder Representative's rights under this Agreement, may sell Inventory which bears any Trademark owned by or licensed to such Grantor and any Inventory that is covered by any Copyright owned by or licensed to such Grantor and the Noteholder Representative may (acting at the direction of the Required Noteholders) finish any work in process and affix any Trademark owned by or licensed to such Grantor and sell such Inventory as provided herein.

SECTION 5.04. *Securities Act.* In view of the position of the Grantors in relation to the Pledged Collateral, or because of other current or future circumstances, a question may arise under the Securities Act, as now or hereafter in effect, or any similar statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect, the “*Federal Securities Laws*”) with respect to any disposition of the Pledged Collateral permitted hereunder. Each Grantor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Noteholder Representative if the Noteholder Representative were to attempt to dispose of all or any part of the Pledged Collateral, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Collateral could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Noteholder Representative in any attempt to dispose of all or part of the Pledged Collateral under applicable Blue Sky or other state securities laws or similar laws analogous in purpose or effect. Each Grantor recognizes that in light of such restrictions and limitations the Noteholder Representative may (acting at the direction of the Required Noteholders), with respect to any sale of the Pledged Collateral, limit the purchasers to those who will agree, among other things, to acquire such Pledged Collateral for their own account, for investment, and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that in light of such restrictions and limitations, the Noteholder Representative, in its sole and absolute discretion (acting at the direction of the Required Noteholders), (a) may proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Collateral or part thereof shall have been filed under the Federal Securities Laws and (b) may approach and negotiate with a single potential purchaser to effect such sale. Each Grantor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Noteholder Representative shall incur no responsibility or liability for selling all or any part of the Pledged Collateral at a price that the Noteholder Representative, in its sole and absolute discretion (acting at the direction of the Required Noteholders), may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more than a single purchaser were approached. The provisions of this Section 5.04 will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Noteholder Representative sells.

*[Reserved]*

## ARTICLE VII

### *Miscellaneous*

SECTION 7.01. *Notices.* All communications and notices to the Issuer and the Noteholder Representative hereunder shall (except as otherwise expressly permitted herein) be given as provided in Section 9.01 of the Purchase Agreement. All communications and notices hereunder to any other Grantor shall be given to it in care of the Issuer as provided in Section 9.01 of the Purchase Agreement.

SECTION 7.02. *Waivers; Amendment.* (a) No failure or delay by any Secured Party in exercising any right or power under any Note Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Secured Parties hereunder and under the other Note Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Note Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 7.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the execution and delivery of this Agreement or the purchase of any Notes shall not be construed as a waiver of any Default, regardless of whether the Noteholder Representative or any other Secured Party may have had notice or knowledge of such Default at the time. No notice or demand on any Note Party in any case shall entitle any Note Party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Noteholder Representative and the Grantors with respect to which such waiver, amendment or modification is applicable, subject to any consent required in accordance with Section 9.08 of the Purchase Agreement.

(c) This Agreement shall be construed as a separate agreement with respect to each Note Party and may be amended, modified, supplemented, waived or released with respect to any Note Party without the approval of any other Note Party and without affecting the obligations of any other Note Party hereunder.

SECTION 7.03. *Noteholder Representative's Fees and Expenses.* (a) The Grantors jointly and severally agree to reimburse the Noteholder Representative for its fees and expenses incurred hereunder as provided in Section 9.05 of the Purchase Agreement; *provided* that each reference therein to the "Issuer" shall be deemed to be a reference to the "Grantors."

(b) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Security Documents. The provisions of this Section 7.03 shall survive and remain in full force and effect regardless of the termination of this Agreement or any other Note Document, the consummation of the transactions contemplated hereby or thereby, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Note Document or any investigation made by or on behalf of the Noteholder Representative or any other Secured Party.

SECTION 7.04. *Survival of Agreement.* All covenants, agreements, representations and warranties made by the Grantors in the Note Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Note Document shall be considered to have been relied upon by the Secured Parties and shall survive the execution and delivery of the Note Documents and the issuance of the Notes, regardless of any investigation made by or on behalf of any Secured Party or any other Person and notwithstanding that any Secured Party or any other Person may have had notice or knowledge of any Default or incorrect representation or warranty at the time any Note Document is executed and delivered or any credit is extended under the Purchase Agreement, and shall continue in full force and effect until all the Secured Obligations have been Paid in Full.

SECTION 7.05. *Counterparts; Effectiveness, Successors and Assigns.* This Agreement may be executed in counterparts, (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. This Agreement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Noteholder Representative and a counterpart hereof shall have been executed on behalf of the Noteholder Representative, and thereafter shall be binding upon such Grantor and the Noteholder Representative and their respective permitted successors and assigns, and shall inure to the benefit of such Grantor, the Noteholder Representative and the other Secured Parties and their respective permitted successors and assigns, except that no Grantor may assign or otherwise transfer any of its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer by any Note Party shall be null and void), except as expressly contemplated by this Agreement or the Purchase Agreement. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 7.06. *Severability.* Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 7.07. *Right of Set-Off.* If an Event of Default shall have occurred and be continuing, each Secured Party is hereby authorized, subject to the prior consent of the Noteholder Representative (acting at the direction of the Required Noteholders), at any time and from time to time, except to the extent prohibited by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Secured Party to or for the credit or the account of the Issuer against any of and all the obligations of the Issuer now or hereafter existing under this Agreement and other Note Documents held by such Secured Party, irrespective of whether or not such Secured Party shall have made any demand under this Agreement or such other Note Document and although such obligations may be unmatured; *provided* that in the event that any Defaulting Noteholder shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Noteholder Representative for further application in accordance with the provisions of Section 2.21(a)(ii) of the Purchase Agreement and, pending such payment, shall be segregated by such Defaulting Noteholder from its other funds and deemed held in trust for the benefit of the Noteholder Representative and the Noteholders, and (y) the Defaulting Noteholder shall provide promptly to the Noteholder Representative a statement describing in reasonable detail the Obligations owing to such Defaulting Noteholder as to which it exercised such right of setoff. Each Secured Party agrees to notify the Noteholder Representative and the Issuer promptly after any such setoff and application; *provided*, the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Secured Party under this Section 7.07 are in addition to other rights and remedies (including other rights of set off) which such Secured Parties may have.

SECTION 7.08. *Governing Law; Jurisdiction; Consent to Service of Process.* (a) This Agreement and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement shall be governed by, and construed in accordance with, the law of the State of New York.

(b) Each Grantor hereby irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Noteholder Representative, any Secured Party or any Related Party of any of the foregoing in any way relating to this Agreement or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in the Borough of Manhattan and of the United States District Court for the Southern District of New York (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits, for itself and its property, to the jurisdiction of such courts and agrees that all claims in respect of any action, litigation or proceeding shall be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such Federal court. Each party hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Note Document shall affect any right that the Noteholder Representative or any Secured Party may otherwise have to bring any action, litigation or proceeding relating to this Agreement or any other Note Document against any Grantor or any of its properties in the courts of any jurisdiction.

(c) Each Grantor hereby irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action, litigation or proceeding arising out of or relating to this Agreement or any other Note Document in any court referred to in paragraph (b) of this Section 7.08. Each Grantor hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each Grantor irrevocably consents to service of process in the manner provided for notices in Section 7.01. Nothing in this Agreement or any other Note Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(e) Each Grantor hereby irrevocably designates, appoints and empowers the Issuer as its designee, appointee and agent to receive, accept and acknowledge for and on its behalf, and in respect of its property, service of any and all legal process, summons, notices and documents that may be served in any such action or proceeding and the Issuer hereby accepts said designation and appointment.

SECTION 7.09. *WAIVER OF JURY TRIAL.* EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER NOTE DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER NOTE DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.09.

SECTION 7.10. *Headings.* Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 7.11. *Security Interest Absolute.* To the extent permitted by law, all rights of the Noteholder Representative hereunder, the Security Interest, the grant of the security interest in the Pledged Collateral and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Purchase Agreement, any other Note Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment to or waiver of, or any consent to any departure from, the Purchase Agreement, any other Note Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (c) any exchange, release or non-perfection of any Lien on other collateral securing, or any release or amendment to or waiver of, or any consent to any departure from, any guarantee of, all or any of the Secured Obligations, or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Agreement.

SECTION 7.12. *Termination or Release.* (a) This Agreement, the Security Interest and all other security interests granted hereby shall automatically terminate and/or be released in accordance with Section 9.20 of the Purchase Agreement.

(b) A Grantor shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of such Grantor shall be automatically released at the time or times and in the manner set forth in Section 9.20 of the Purchase Agreement. The preceding sentence shall not apply to the Issuer except with respect to the automatic release as set forth in the fourth sentence of Section 9.20 of the Purchase Agreement upon the Payment in Full of all Obligations.

(c) Upon any sale or other transfer by any Grantor of any Collateral that is permitted under the Purchase Agreement (other than a sale or other transfer to a Note Party), or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 9.08 or Section 9.20 of the Purchase Agreement, the security interest in such Collateral shall be automatically released.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c) of this Section 7.12, or in connection with any Collateral becoming Excluded Property, the Noteholder Representative shall promptly execute and deliver to any Grantor, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination or release (including Uniform Commercial Code termination statements), and will duly assign and transfer to such Grantor, such of the Pledged Collateral that may be in the possession of the Noteholder Representative. Any execution and delivery of documents pursuant to this Section 7.12 shall be without warranty by the Noteholder Representative, and the Noteholder Representative shall have no liability whatsoever to any other Secured Party as a result of any release of Collateral by it in accordance with (or which the Noteholder Representative in good faith believes to be in accordance with) this Section 7.12.

SECTION 7.13. *Additional Subsidiaries.* Pursuant to the Purchase Agreement, certain Subsidiaries not a party hereto on the Closing Date are required to enter into this Agreement. Upon the execution and delivery by the Noteholder Representative and any such Subsidiary of a Supplement, such Subsidiary shall become a Subsidiary Guarantor and a Grantor hereunder, with the same force and effect as if originally named as such herein. The execution and delivery of any Supplement shall not require the consent of any other Note Party. The rights and obligations of each Note Party hereunder shall remain in full force and effect notwithstanding the addition of any new Note Party as a party to this Agreement.

SECTION 7.14. *Noteholder Representative Appointed Attorney-in-Fact.* Each Grantor hereby appoints the Noteholder Representative as the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and so long as an Event of Default has occurred and is continuing taking any action and executing any instrument that the Noteholder Representative may deem necessary for the purpose of carrying out the provisions of this Agreement, which appointment is irrevocable and coupled with an interest. Without limiting the generality of the foregoing, subject to applicable Requirements of Law and the Intercreditor Agreement, the Noteholder Representative shall have the right, solely upon the occurrence and during the continuance of an Event of Default, with full power of substitution either in the Noteholder Representative's name or in the name of such Grantor (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts Receivable to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Noteholder Representative; and (h) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Noteholder Representative were the absolute owner of the Collateral for all purposes, *provided* that nothing herein contained shall be construed as requiring or obligating the Noteholder Representative to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Noteholder Representative, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Noteholder Representative and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable judgment).

SECTION 7.15. *General Provisions Concerning the Noteholder Representative.*

(a) The provisions of Article VIII of the Purchase Agreement shall inure to the benefit of the Noteholder Representative, and shall be binding upon all Grantors and all Secured Parties, in connection with this Agreement and the other Security Documents. Without limiting the generality of the foregoing, (i) the Noteholder Representative shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing, (ii) the Noteholder Representative shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Security Documents that the Noteholder Representative is required in writing to exercise by the Required Noteholders (or such other number or percentage of the Noteholders as shall be necessary under the circumstances as provided in Section 9.08 of the Purchase Agreement); provided that the Noteholder Representative shall not be required to take any action that would (as reasonably determined by the Noteholder Representative in consultation with its counsel) expose the Noteholder Representative to liability or that is contrary to any Note Document or applicable Law unless, upon demand of the Noteholder Representative, it receives an indemnification reasonably satisfactory to it from the Noteholders against all liabilities that, by reason of such action or omission would be imposed on, incurred by or asserted against the Noteholder Representative) and (iii) except as expressly set forth in the Note Documents, the Noteholder Representative shall not have any duty to disclose, and shall not be liable for any failure to disclose, any information relating to any Grantor that is communicated to or obtained by the Noteholder Representative or any of its Affiliates in any capacity. The Noteholder Representative shall not be responsible for the existence, genuineness or value of any Collateral or for the validity, perfection, priority or enforceability of any Lien, whether impaired by operation of law or by reason of any action or omission to act on its part under the Security Documents. The Noteholder Representative shall be deemed not to have knowledge of any Event of Default unless and until written notice (conspicuously labelled as a 'notice of default' and describing such Default or Event of Default) thereof is given to the Noteholder Representative by the Issuer or a Secured Party.

(b) The Noteholder Representative may perform any of its duties and exercise any of its rights and powers through one or more sub-agents appointed by it. The Noteholder Representative and any such sub-agent may perform any of its duties and exercise any of its rights and powers through its Related Parties. The exculpatory provisions of Section 7.16 and this Section 7.15 shall apply to any such sub-agent and to the Related Parties of the Noteholder Representative and any such sub-agent.

(c) For all purposes of the Security Documents, including determining the amounts of the Secured Obligations and whether a Secured Obligation is a contingent Obligation or not, or whether any action has been taken under any Security Document, the Noteholder Representative will be entitled to rely on information from (i) its own records for information as to the Secured Parties, their Secured Obligations and actions taken by them, (ii) any Secured Party for information as to its Secured Obligations and actions taken by it, to the extent that the Noteholder Representative has not obtained such information from its own records, and (iii) the Issuer, to the extent that the Noteholder Representative has not obtained information from the foregoing sources.

(d) The Noteholder Representative may refuse to act on any notice, consent, direction or instruction from any Secured Parties or any agent, trustee or similar representative thereof that, in the Noteholder Representative's opinion, (i) is contrary to law or the provisions of any Security Document, (ii) may expose the Noteholder Representative to liability (unless the Noteholder Representative shall have been indemnified, to its reasonable satisfaction, for such liability by the Secured Parties that gave such notice, consent, direction or instruction) or (iii) is unduly prejudicial to Secured Parties not joining in such notice, consent, direction or instruction.

SECTION 7.16. *Limitation on Duty in Respect of Collateral.* Beyond the exercise of reasonable care in the custody and preservation thereof, the Noteholder Representative will have no duty as to any Collateral in its possession or control or in the possession or control of any sub-agent or bailee or any income therefrom or as to the preservation of rights against prior parties or any other rights pertaining thereto. The Noteholder Representative will be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession or control if such Collateral is accorded treatment substantially equal to that which it accords its own property, and will not be liable or responsible for any loss or damage to any Collateral, or for any diminution in the value thereof.

SECTION 7.17. *Benefit of Agreement.* No Secured Party that obtains the benefit of this Agreement shall have any right to notice of any action or to consent to, direct or object to any action hereunder or otherwise in respect of the Collateral (including, without limitation, the release or impairment of any Collateral) other than in its capacity as the Noteholder Representative or a Secured Party, as applicable, and, in any such case, only to the extent expressly provided in the Note Documents, including Article VIII of the Purchase Agreement. Each Secured Party not a party to the Purchase Agreement that obtains the benefit of this Agreement shall be deemed to have acknowledged and accepted the appointment of the Noteholder Representative pursuant to the terms of the Purchase Agreement, including under Article VIII of the Purchase Agreement.

SECTION 7.18. *Intercreditor Agreement Governs.* Notwithstanding anything herein to the contrary, (i) the Liens and security interests granted to the Noteholder Representative for the benefit of the Secured Parties pursuant to this Agreement and the exercise of any right or remedy by the Noteholder Representative hereunder or the application of proceeds (including insurance proceeds and condemnation proceeds) of any Collateral, in each case, are subject to the provisions of the Intercreditor Agreement, if and to the extent applicable and/or in effect and (ii) in the event any Grantor is obligated to physically deliver any Collateral to the Noteholder Representative hereunder and such Grantor is also obligated by separate agreement to deliver such Collateral to one or more representatives of one or more other series of Indebtedness subject to the Intercreditor Agreement then, for so long as the Intercreditor Agreement remains in effect, any such delivery obligation hereunder shall be deemed satisfied if such Grantor delivers the relevant item of Collateral to the representative of the series of Indebtedness entitled to receive the same under the terms of the Intercreditor Agreement.

SUPPLEMENT NO. \_\_\_\_\_ dated as of [ ] (this “*Supplement*”), to the Collateral Agreement dated as of July 31, 2023 (the “*Collateral Agreement*”), among PITNEY BOWES INC., a Delaware corporation (the “*Issuer*”), the Subsidiary Guarantors party thereto and Alter Domus (US) LLC, as noteholder representative (in such capacity, the “*Noteholder Representative*”).

A. Reference is made to the Purchase Agreement dated as of July 31, 2023 (as amended, restated, supplemented or otherwise modified from time to time, the “*Purchase Agreement*”), among the Issuer, the Subsidiary Guarantors party thereto, the Noteholders party thereto and the Noteholder Representative.

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Purchase Agreement and the Collateral Agreement, as applicable.

C. The Grantors have entered into the Collateral Agreement in order to induce the Noteholders to purchase the Notes. Section 7.13 of the Collateral Agreement provides that additional Subsidiaries of the Issuer may become Grantors under the Collateral Agreement by execution and delivery of an instrument in the form of this Supplement. The undersigned Subsidiary (the “*New Subsidiary*”) is executing this Supplement in accordance with the requirements of the Purchase Agreement to become a Subsidiary Guarantor and a Grantor under the Collateral Agreement as consideration for the purchase of Notes previously issued.

Accordingly, the Noteholder Representative and the New Subsidiary agree as follows:

SECTION 1. In accordance with Section 7.13 of the Collateral Agreement, the New Subsidiary by its signature below becomes a Subsidiary Guarantor and a Grantor under the Collateral Agreement with the same force and effect as if originally named therein as a Subsidiary Guarantor and a Grantor and the New Subsidiary hereby (a) agrees to all the terms and provisions of the Collateral Agreement applicable to it as a Subsidiary Guarantor and a Grantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Grantor thereunder are true and correct on and as of the date hereof. In furtherance of the foregoing, the New Subsidiary, as security for the payment and performance in full of the Secured Obligations (as defined in the Collateral Agreement), does hereby create and grant to the Noteholder Representative, its successors and assigns, for the benefit of the Secured Parties, their successors and assigns, a security interest in all of the New Subsidiary’s right, title and interest in, to and under the Collateral (as defined in the Collateral Agreement) of the New Subsidiary. Each reference to a “Subsidiary Guarantor” or a “Grantor” in the Collateral Agreement shall be deemed to include the New Subsidiary. The Collateral Agreement is hereby incorporated herein by reference.

SECTION 2. The New Subsidiary represents and warrants to the Noteholder Representative and the other Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws affecting creditors’ rights generally and to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

---

SECTION 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Supplement shall become effective when the Noteholder Representative shall have received a counterpart of this Supplement that bears the signature of the New Subsidiary. Delivery of an executed signature page to this Supplement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Supplement.

SECTION 4. The New Subsidiary hereby represents and warrants that (a) set forth on Schedule I attached hereto is a schedule with the true and correct legal name of the New Subsidiary, its jurisdiction of formation and the location of its chief executive office, (b) set forth on Schedule II attached hereto is a true and correct schedule of all the Pledged Securities of the New Subsidiary, (c) set forth on Schedule III attached hereto is a true and correct schedule of all (i) registered and applied for United States Patents, Trademarks and Copyrights owned by the New Subsidiary as of the Closing Date and (ii) exclusive Copyright Licenses for which the New Subsidiary is the licensee and the licensed work is registered at the United States Copyright Office and (d) set forth in Schedule IV attached hereto is a true and correct list of all Commercial Tort Claims in respect of which a complaint or counterclaim has been filed by the New Subsidiary seeking damages reasonably estimated to exceed \$5,000,000, including a summary description of each such claim.

SECTION 5. Except as expressly supplemented hereby, the Collateral Agreement shall remain in full force and effect.

**SECTION 6. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.**

SECTION 7. In case any one or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Collateral Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. All communications and notices hereunder shall be in writing and given as provided in Section 7.01 of the Collateral Agreement.

---

SECTION 9. The New Subsidiary agrees to reimburse the Noteholder Representative for its reasonable and documented out-of-pocket expenses in connection with this Supplement as provided in Section 9.05 of the Purchase Agreement; *provided* that each reference therein to the “Issuer” shall be deemed to be a reference to the New Subsidiary.

IN WITNESS WHEREOF, the New Subsidiary and the Noteholder Representative have duly executed this Supplement to the Collateral Agreement as of the day and year first above written.

### *Guarantee*

SECTION 2.01. *Guarantee.* Each Guarantor irrevocably and unconditionally guarantees, jointly with the other Guarantors and severally for the benefit of the Secured Parties, the due and punctual payment and performance of the Guaranteed Obligations. Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, or amended or modified, without notice to or further assent from it, and that it will remain bound upon its Guarantee hereunder notwithstanding any such extension, renewal, amendment or modification of any Guaranteed Obligation. Each Guarantor waives presentment to, demand of payment from and protest to the Issuer or any other Note Party of any of the Guaranteed Obligations, and also waives notice of acceptance of its Guarantee hereunder and notice of protest for nonpayment. Notwithstanding anything herein or in any other Note Document to the contrary, the maximum liability of each Guarantor hereunder and under the Note Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable law.

SECTION 2.02. *Guarantee of Payment; Continuing Guarantee.* Each Guarantor further agrees that its guarantee hereunder constitutes a Guarantee of payment and performance when due (whether or not any bankruptcy, insolvency, receivership, examinership or other or similar proceeding shall have stayed the accrual or collection of any of the Guaranteed Obligations or operated as a discharge thereof) and not merely of collection, and waives any right to require that any resort be had by the Noteholder Representative or any other Secured Party to any security held for the payment of any of the Guaranteed Obligations or to any balance of any deposit account or credit on the books of the Noteholder Representative or any other Secured Party in favor of the Issuer, any other Note Party or any other Person. Each Guarantor agrees that its Guarantee hereunder is continuing in nature and applies to all Guaranteed Obligations, whether currently existing or hereafter incurred until such Guarantee is terminated or released as provided in Section 5.11.

---

SECTION 2.03. *No Limitations.*

(a) Except for the termination or release of a Guarantor's obligations hereunder as expressly provided in Section 5.11, and to the fullest extent permitted by applicable law, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or set-off, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Guaranteed Obligations, any impossibility in the performance of any of the Guaranteed Obligations, or otherwise. Without limiting the generality of the foregoing, except for the termination or release of its obligations hereunder as provided in Section 5.11 and to the fullest extent permitted by applicable law, the obligations of each Guarantor hereunder shall not be discharged or impaired or otherwise affected by (i) the failure of the Noteholder Representative or any other Secured Party to assert any claim or demand or to enforce any right or remedy under the provisions of any Note Document or otherwise; (ii) any rescission, waiver, amendment, restatement or modification of, or any release from any of the terms or provisions of, any Note Document or any other agreement, including with respect to any other Guarantor under this Agreement; (iii) the release of, or any impairment of or failure to perfect any Lien on or security interest in, any security held by the Noteholder Representative or any other Secured Party for any of the Guaranteed Obligations; (iv) any default, failure or delay, willful or otherwise, in the performance of any of the Guaranteed Obligations; (v) any other act or omission that may in any manner or to any extent otherwise operate as a discharge of any Guarantor as a matter of law or equity (other than the Payment in Full of all the Guaranteed Obligations); (vi) any illegality, lack of validity or lack of enforceability of any of the Guaranteed Obligations or Note Documents; (vii) any change in the corporate existence, structure or ownership of any Note Party, or any insolvency, bankruptcy, reorganization, examinership or other similar proceeding affecting any Note Party or its assets or any resulting release or discharge of any of the Guaranteed Obligations; (viii) the existence of any claim, set-off or other rights that any Guarantor may have at any time against the Issuer, the Noteholder Representative, any other Note Party or any other Person, whether in connection with the Purchase Agreement, the other Note Documents or any unrelated transaction; *provided* that nothing herein will prevent the assertion of any such claim by separate suit or compulsory counterclaim; (ix) this Agreement having been determined (on whatsoever grounds) to be invalid, non-binding or unenforceable against any other Guarantor *ab initio* or at any time after the Closing Date; (x) the fact that any Person that, pursuant to the Note Documents, was required to become a party hereto may not have executed or is not effectually bound by this Agreement, whether or not this fact is known to the Secured Parties; (xi) any action permitted or authorized hereunder; (xii) any other circumstance, or any existence of or reliance on any representation by the Noteholder Representative, any Secured Party or any other Person, that might otherwise constitute a defense to, or a legal or equitable discharge of, the Issuer, any Guarantor or any other guarantor or surety; or (xiii) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Issuer, any other Guarantor or any other Person under any Note Document, by operation of law or otherwise, other than Payment in Full of all the Guaranteed Obligations. Each Guarantor expressly authorizes the Secured Parties to take and hold security for the payment and performance of the Guaranteed Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the Guaranteed Obligations, all without affecting the obligations of any Guarantor hereunder.

---

(b) To the fullest extent permitted by applicable law, each Guarantor waives any defense based on or arising out of any defense of the Issuer or any other Note Party or the unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Issuer or any other Note Party, other than the Payment in Full of all the Guaranteed Obligations. The Noteholder Representative and the other Secured Parties may, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure or exercise any other right or remedy available to them against the Issuer or any other Note Party without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been Paid in Full. To the fullest extent permitted by applicable law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against the Issuer or any other Note Party, as the case may be, or any security.

SECTION 2.04. *Reinstatement.* Each Guarantor agrees that, unless released pursuant to paragraph (a) or (b) of Section 5.11, its Guarantee hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Guaranteed Obligation is rescinded or must otherwise be restored or returned by the Noteholder Representative or any other Secured Party upon the insolvency, bankruptcy, dissolution, liquidation, examinership or reorganization of the Issuer, any other Note Party or otherwise.

SECTION 2.05. *Agreement to Pay; Subrogation.* In furtherance of the foregoing and not in limitation of any other right that the Noteholder Representative or any other Secured Party has at law or in equity against any Guarantor by virtue hereof, but subject to limitations of applicable law, upon the failure of the Issuer or any other Note Party to pay any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Noteholder Representative for distribution to the applicable Secured Parties in cash the amount of such unpaid Guaranteed Obligation. Upon payment by any Guarantor of any sums to the Noteholder Representative as provided above, all rights of such Guarantor against the Issuer or any other Note Party arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article III.

SECTION 2.06. [Reserved].

SECTION 2.07. *Information.* Each Guarantor (a) assumes all responsibility for being and keeping itself informed of the Issuer's and each other Note Party's and their respective subsidiaries' financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and (b) agrees that none of the Noteholder Representative or the other Secured Parties will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

## ARTICLE III

### *Indemnity, Subrogation and Subordination*

SECTION 3.01. *Indemnity and Subrogation.* In addition to all such rights of indemnity and subrogation as the Guarantors may have under applicable law (but subject to Section 3.03), the Issuer agrees that (a) in the event a payment in respect of any Guaranteed Obligation shall be made by any Guarantor under this Agreement (other than the Issuer), the Issuer shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the Person to whom such payment shall have been made to the extent of such payment and (b) in the event any assets of any Guarantor (other than the Issuer) shall be sold pursuant to any Security Document to satisfy in whole or in part any Guaranteed Obligation, the Issuer shall indemnify such Guarantor in an amount equal to the greater of the book value or the fair market value of the assets so sold.

---

SECTION 3.02. *Contribution and Subrogation.* Each Guarantor (other than the Issuer) (each such Guarantor being called a “*Contributing Party*”) agrees (subject to Section 3.03) that, in the event a payment shall be made by any other Guarantor (other than the Issuer) hereunder in respect of any Guaranteed Obligation or assets of any other Guarantor (other than the Issuer) shall be sold pursuant to any Security Document to satisfy any Obligation and such other Guarantor (the “*Claiming Party*”) shall not have been fully indemnified by the Issuer as provided in Section 3.01, the Contributing Party shall indemnify the Claiming Party in an amount equal to the amount of such payment or the greater of the book value or the fair market value of such assets, as the case may be, in each case multiplied by a fraction of which the numerator shall be the net worth of the Contributing Party on the date hereof (or, in the case of any Contributing Party becoming a party hereto pursuant to Section 5.12, the date of the Supplement hereto executed and delivered by such Contributing Party) and the denominator shall be the aggregate net worth of all the Contributing Parties on the date hereof (or, in the case of any Contributing Party) becoming a party hereto pursuant to Section 5.12, the date of the Supplement hereto executed and delivered by such Contributing Party). Any Contributing Party making any payment to a Claiming Party pursuant to this Section 3.02 shall (subject to Section 3.03) be subrogated to the rights of such Claiming Party under Section 3.01 to the extent of such payment.

SECTION 3.03. *Subordination.* Notwithstanding any provision of this Agreement to the contrary, all rights of the Guarantors under Sections 3.01 and 3.02 and all other rights of the Guarantors of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to the Payment in Full of the Guaranteed Obligations. No failure on the part of the Issuer or any other Guarantor to make the payments required by Sections 3.01 and 3.02 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Guarantor with respect to its obligations hereunder, and each Guarantor shall remain liable for the full amount of the obligations of such Guarantor hereunder.

## ARTICLE IV

### *Representations and Warranties*

Each Guarantor represents and warrants to the Noteholder Representative and the other Secured Parties that (a) the execution, delivery and performance by such Guarantor of this Agreement have been duly authorized by all necessary corporate or other action and, if required, action by the holders of such Guarantor’s Equity Interests, and that this Agreement has been duly executed and delivered by such Guarantor and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors’ rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law, and (b) the representations and warranties set forth in Sections 3.01, 3.02, 3.03, 3.07, 3.09, 3.10, 3.11 and 3.16 of the Purchase Agreement as to such Guarantor are true and correct in all material respects; *provided* that any representation and warranty that is qualified as to “materiality,” “Material Adverse Effect” or similar language is true and correct in all respects.

---

## ARTICLE V

### Miscellaneous

SECTION 5.01. *Notices.* All communications and notices to the Issuer and the Noteholder Representative hereunder shall (except as otherwise expressly permitted herein) be given as provided in Section 9.01 of the Purchase Agreement. All communications and notices hereunder to any Subsidiary Guarantor shall be given to it in care of the Issuer in the manner provided in Section 9.01 of the Purchase Agreement.

SECTION 5.02. *Waivers; Amendment.* (a) No failure or delay by any Secured Party in exercising any right or power under any Note Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Secured Parties hereunder and under the other Note Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Note Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 5.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the execution and delivery of this Agreement or the purchase of any Notes shall not be construed as a waiver of any Default, regardless of whether the Noteholder Representative or any other Secured Party may have had notice or knowledge of such Default at the time. No notice or demand on any Note Party in any case shall entitle any Note Party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Noteholder Representative and the Note Parties with respect to which such waiver, amendment or modification is applicable, subject to any consent required in accordance with Section 9.08 of the Purchase Agreement.

(c) This Agreement shall be construed as a separate agreement with respect to each Note Party and may be amended, modified, supplemented, waived or released with respect to any Note Party without the approval of any other Note Party and without affecting the obligations of any other Note Party hereunder.

SECTION 5.03. *Noteholder Representative's Fees and Expenses; Indemnification.* (a) The Note Parties jointly and severally agree to reimburse the Noteholder Representative for its fees and expenses incurred hereunder as provided in Section 9.05 of the Purchase Agreement; *provided* that each reference therein to the "Issuer" shall be deemed to be a reference to the "Note Parties."

---

(b) Any such amounts payable as provided hereunder shall be additional Guaranteed Obligations secured hereby and by the other Security Documents. The provisions of this Section 5.03 shall survive and remain in full force and effect regardless of the termination of this Agreement or any other Note Document, the consummation of the transactions contemplated hereby or thereby, the repayment of any of the Guaranteed Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Note Document or any investigation made by or on behalf of the Noteholder Representative or any other Secured Party.

(c) The Note Parties jointly and severally agree to indemnify and hold harmless each Indemnatee as provided in Section 9.05 of the Purchase Agreement as if each reference to the Issuer therein were a reference to the "Note Parties".

(d) To the extent permitted by applicable law, no Guarantor shall assert, or permit any of its subsidiaries to assert, and each Guarantor hereby waives, any claim against any Indemnatee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet), unless determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnatee, or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of this Agreement, any other Note Document or any agreement or instrument contemplated hereby or thereby, the Transactions, the Notes or the use of the proceeds thereof.

SECTION 5.04. *Survival of Agreement.* All covenants, agreements, representations and warranties made by the Note Parties in the Note Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Note Document shall be considered to have been relied upon by the Secured Parties and shall survive the execution and delivery of the Note Documents and the issuance of the Notes, regardless of any investigation made by or on behalf of any Secured Party or any other Person and notwithstanding that any Secured Party or any other Person may have had notice or knowledge of any Default or incorrect representation or warranty at the time any Note Document is executed and delivered or any Notes are issued under the Purchase Agreement, and shall continue in full force and effect until all the Secured Obligations (as defined in the Collateral Agreement) have been Paid in Full.

SECTION 5.05. *Counterparts; Effectiveness, Successors and Assigns.* This Agreement may be executed in counterparts, (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. This Agreement shall become effective as to any Note Party when a counterpart hereof executed on behalf of such Note Party shall have been delivered to the Noteholder Representative and a counterpart hereof shall have been executed on behalf of the Noteholder Representative, and thereafter shall be binding upon such Note Party and the Noteholder Representative and their respective permitted successors and assigns, and shall inure to the benefit of such Note Party, the Noteholder Representative and the other Secured Parties and their respective permitted successors and assigns, except that no Note Party may assign or otherwise transfer any of its rights or obligations hereunder or any interest herein (and any such assignment or transfer by any Note Party shall be null and void), except as expressly contemplated by this Agreement or the Purchase Agreement. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.

---

SECTION 5.06. *Severability.* Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace any invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of such invalid, illegal or unenforceable provisions.

SECTION 5.07. *Right of Set-Off.* If an Event of Default shall have occurred and be continuing, each Secured Party is hereby authorized, subject to the prior consent of the Noteholder Representative (acting at the direction of the Required Noteholders), at any time and from time to time, except to the extent prohibited by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Secured Party to or for the credit or the account of the Issuer against any of and all the obligations of the Issuer now or hereafter existing under this Agreement and other Note Documents held by such Secured Party, irrespective of whether or not such Secured Party shall have made any demand under this Agreement or such other Note Document and although such obligations may be unmatured; *provided* that in the event that any Defaulting Noteholder shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Noteholder Representative for further application in accordance with the provisions of Section 2.21(a)(ii) of the Purchase Agreement and, pending such payment, shall be segregated by such Defaulting Noteholder from its other funds and deemed held in trust for the benefit of the Noteholder Representative and the Noteholders, and (y) the Defaulting Noteholder shall provide promptly to the Noteholder Representative a statement describing in reasonable detail the Obligations owing to such Defaulting Noteholder as to which it exercised such right of setoff. Each Secured Party agrees to notify the Noteholder Representative and the Issuer promptly after any such setoff and application; *provided*, the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Secured Party under this Section 5.07 are in addition to other rights and remedies (including other rights of set off) which such Secured Parties may have.

SECTION 5.08. *Governing Law; Jurisdiction; Consent to Service of Process.* (a) This Agreement and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement shall be governed by, and construed in accordance with, the law of the State of New York.

---

(b) The Issuer and each other Guarantor irrevocably and unconditionally agrees that it will not, and will cause each of its controlled Subsidiaries to not, commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Noteholder Representative, any Secured Party or any Related Party of any of the foregoing in any way relating to this Agreement or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in the Borough of Manhattan and of the United States District Court for the Southern District of New York (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan) and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits, for itself and its property, to the jurisdiction of such courts and agrees that all claims in respect of any action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such Federal court. Each party hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Note Document shall affect any right that the Noteholder Representative or any Secured Party may otherwise have to bring any action, litigation or proceeding relating to this Agreement or any other Note Document against any Note Party or any of its properties in the courts of any jurisdiction.

(c) Each party hereby irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action, litigation or proceeding arising out of or relating to this Agreement or any other Note Document in any court referred to in paragraph (b) of this Section 5.08 and any right to which it may be entitled on account of place of residence and domicile. Each party hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 5.01. Nothing in this Agreement or any other Note Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 5.09. *WAIVER OF JURY TRIAL.* EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER NOTE DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER NOTE DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.09.

SECTION 5.10. *Headings.* Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

---

SECTION 5.11. *Termination or Release.* (a) This Agreement and the Guarantees made herein shall automatically terminate and/or be released in accordance with Section 9.20 of the Purchase Agreement.

(b) In connection with any termination or release pursuant to paragraph (a) of this Section 5.11, the Noteholder Representative shall execute and deliver to any Guarantor, at such Guarantor's expense, all documents that such Guarantor shall reasonably request to evidence such termination or release (including, without limitation, Uniform Commercial Code termination statements), and will duly assign and transfer to such Guarantor, such of the Pledged Collateral that may be in possession of the Noteholder Representative. The Issuer and the applicable Note Party shall provide the Noteholder Representative such information or documents as the Noteholder Representative shall reasonably request necessary to facilitate such termination or release. Any execution and delivery of documents pursuant to this Section 5.11 shall be without warranty by the Noteholder Representative, and the Noteholder Representative shall have no liability whatsoever to any other Secured Party as a result of any release of this Agreement or the Guarantees made herein in accordance with (or which the Noteholder Representative in good faith believes to be in accordance with) this Section 5.11.

SECTION 5.12. *Additional Subsidiaries.* Pursuant to the Purchase Agreement, certain Subsidiaries not a party hereto on the Closing Date are required to enter into this Agreement. Upon the execution and delivery by the Noteholder Representative and any such Subsidiary of a Supplement substantially in the form of Exhibit I, such Subsidiary shall become a Subsidiary Guarantor and a Guarantor hereunder, with the same force and effect as if originally named as such herein. The execution and delivery of any Supplement shall not require the consent of any other Note Party. The rights and obligations of each Note Party hereunder shall remain in full force and effect notwithstanding the addition of any new Subsidiary Guarantor as a party to this Agreement.

SECTION 5.13. *Certain Acknowledgments and Agreements.* Each Subsidiary Guarantor hereby acknowledges the provisions of Section 2.12 of the Purchase Agreement and agrees to be bound by such provisions with the same force and effect, and to the same extent, as if such Subsidiary Note Party were a party to the Purchase Agreement.

(b) Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing any Series of Equal Priority Obligations granted on the Shared Collateral and notwithstanding any provision of the Uniform Commercial Code of any jurisdiction, or any other applicable law or the Secured Credit Documents or any defect or deficiencies in the Liens securing the Equal Priority Obligations of any Series or any other circumstance whatsoever (but, in each case, subject to Section 1.03), each Equal Priority Secured Party hereby agrees that (i) the Liens securing each Series of Equal Priority Obligations on any Shared Collateral shall be of equal priority and (ii) the benefits and proceeds of the Shared Collateral shall be shared among the Equal Priority Secured Parties as provided herein.

**SECTION 2.02. Actions with Respect to Shared Collateral; Prohibition on Contesting Liens.**

(a) With respect to any Shared Collateral, (i) only the Controlling Authorized Representative shall act or refrain from acting with respect to the Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral) and (ii) no Non-Controlling Authorized Representative or other Non-Controlling Secured Party shall, or shall instruct the Controlling Authorized Representative to, commence any judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, any Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), whether under any Equal Priority Security Document, applicable law or otherwise, it being agreed that only the Controlling Authorized Representative acting in accordance with the applicable Equal Priority Security Documents, shall be entitled to take any such actions or exercise any such remedies with respect to Shared Collateral; provided that, notwithstanding the foregoing, (i) in any Bankruptcy Case, any Authorized Representative or any other Equal Priority Secured Party may file a proof of claim or statement of interest with respect to the Equal Priority Obligations owed to the Equal Priority Secured Parties; (ii) any Authorized Representative or any other Equal Priority Secured Party may take any action to preserve or protect the validity and enforceability of the Liens granted in favor of the Equal Priority Secured Parties; provided that no such action is, or could reasonably be expected to be, (A) adverse to the Liens granted in favor of any other Equal Priority Secured Party or the rights of the Controlling Authorized Representative or any other Controlling Secured Parties to exercise remedies in respect thereof or (B) otherwise inconsistent with the terms of this Agreement; and (iii) any Authorized Representative or any other Equal Priority Secured Party may file any responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of such Equal Priority Secured Party, including any claims secured by the Shared Collateral, in each case, to the extent not inconsistent with the terms of this Agreement. Notwithstanding the equal priority of the Liens securing each Series of Equal Priority Obligations, the Controlling Authorized Representative may deal with the Shared Collateral as if the Controlling Authorized Representative had a senior Lien on such Collateral. No Non-Controlling Authorized Representative or Non-Controlling Secured Party will, or will have the right to, contest, protest or object to any foreclosure proceeding or action brought by the Controlling Authorized Representative or another Controlling Secured Party or any other exercise by the Controlling Authorized Representative or another Controlling Secured Party of any rights and remedies relating to the Shared Collateral. The foregoing shall not be construed to limit the rights and priorities of any Equal Priority Secured Party or any Authorized Representative with respect to any Collateral not constituting Shared Collateral.

(b) Each Authorized Representative and the Equal Priority Secured Parties for which it is acting hereunder agree to be bound by the provisions of this Agreement.

(c) Each of the Equal Priority Secured Parties agrees that it will not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity, attachment or enforceability of a Lien held by or on behalf of any of the Equal Priority Secured Parties in all or any part of the Shared Collateral, or the provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any Authorized Representative or any other Equal Priority Secured Party to enforce this Agreement.

(d) Notwithstanding anything in this Agreement or any other Secured Credit Documents to the contrary, prior to the Discharge of Senior Credit Facilities Obligations, collateral consisting of cash and deposit account balances pledged to secure Senior Credit Facilities Obligations consisting of reimbursement obligations in respect of Letters of Credit or otherwise held by the Senior Credit Facilities Collateral Agent pursuant to Section 2.05 of the Senior Credit Agreement (or any equivalent successor provision) shall be applied as specified in the Senior Credit Agreement and will not constitute Shared Collateral.

SECTION 2.03. No Interference; Payment Over.

(a) Each Equal Priority Secured Party agrees that (i) it will not challenge, or support any other Person in challenging, in any proceeding the validity or enforceability of any Equal Priority Obligations of any Series or any Equal Priority Security Document or the validity, attachment, perfection or priority of any Lien under any Equal Priority Security Document or the validity or enforceability of the priorities, rights or duties established by this Agreement, (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Shared Collateral by the Controlling Authorized Representative, (iii) it will not institute in any Bankruptcy Case or other proceeding any claim against the Controlling Authorized Representative or any other Equal Priority Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Shared Collateral, and none of the Controlling Authorized Representative or any other Equal Priority Secured Party shall be liable for any action taken or omitted to be taken by the Controlling Authorized Representative or other Equal Priority Secured Party with respect to any Shared Collateral in accordance with the provisions of this Agreement, (iv) it will not seek, and hereby waives any right, to have any Shared Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral and (v) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any Authorized Representative or any other Equal Priority Secured Party to enforce this Agreement.

(b) Each Equal Priority Secured Party hereby agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any such Shared Collateral, pursuant to any Equal Priority Security Document or by the exercise of any rights available to it under applicable law or in any Bankruptcy Case or Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement), at any time prior to the Discharge of Equal Priority Obligations, then it shall hold such Shared Collateral, proceeds or payment in trust for the other Equal Priority Secured Parties that have a security interest in such Shared Collateral and promptly transfer such Shared Collateral, Proceeds or payment, as the case may be, to the Controlling Authorized Representative to be distributed by the Controlling Authorized Representative in accordance with the provisions of Section 2.01.

SECTION 2.04. Automatic Release of Liens; Amendments to Equal Priority Security Documents.

(a) If at any time the Shared Collateral is transferred to a third party or otherwise disposed of or transferred, in each case, in connection with any enforcement by the Controlling Authorized Representative, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of each Authorized Representative for the benefit of each Series of Equal Priority Secured Parties upon such Shared Collateral will automatically be released and discharged; provided that any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.01.

(b) Each Authorized Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Controlling Authorized Representative to evidence and confirm any release of Shared Collateral provided for in this Section.

(c) Each Equal Priority Secured Party in respect of a Series agrees that each Authorized Representative in respect of any other Series may enter into any amendment to any Equal Priority Security Document that does not violate this Agreement.

SECTION 2.05. Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings.

(a) This Agreement shall continue in full force and effect notwithstanding the commencement of any proceeding under the Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law by or against the Borrower or any of its Subsidiaries.

(b) If the Borrower and/or any other Grantor shall become subject to a case (a “**Bankruptcy Case**”) under the Bankruptcy Code and shall, as debtor(s)-in-possession, move for approval of financing (“**DIP Financing**”) to be provided by one or more lenders (the “**DIP Lenders**”) under Section 364 of the Bankruptcy Code or any equivalent provision of any other applicable Bankruptcy Law or the use of cash collateral under Section 363 of the Bankruptcy Code or any equivalent provision of any other applicable Bankruptcy Law, each Equal Priority Secured Party agrees that it will raise no objection to any such financing or to the Liens on the Shared Collateral securing the same (“**DIP Financing Liens**”), or to any use of cash collateral that constitutes Shared Collateral, unless the Controlling Collateral Agent with respect to such Shared Collateral shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Shared Collateral for the benefit of the Controlling Secured Parties, each Non-Controlling Secured Party will subordinate its Liens with respect to such Shared Collateral on the same terms as the Liens of the Controlling Secured Parties (other than any Liens of any Equal Priority Secured Parties constituting DIP Financing Liens) are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank equal in priority with the Liens on any such Shared Collateral granted to secure the Equal Priority Obligations of the Controlling Secured Parties, each Non-Controlling Secured Party will confirm the priorities with respect to such Shared Collateral as set forth herein), in each case so long as (A) the Equal Priority Secured Parties of each Series retain the benefit of their security interests on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority relative to each other series of Equal Priority Secured Parties (other than any Liens of the Equal Priority Secured Parties constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case, (B) the Equal Priority Secured Parties of each Series are granted security interests on any additional collateral pledged to any Equal Priority Secured Parties as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority relative to each other series of Equal Priority Secured Parties as set forth in this Agreement (other than any Liens of any Equal Priority Secured Parties constituting DIP Financing Liens), (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the Equal Priority Obligations, such amount is applied pursuant to Section 2.01 of this Agreement, and (D) if any Equal Priority Secured Parties are granted adequate protection with respect to Equal Priority Obligations subject hereto, including in the form of periodic payments, in connection with such DIP Financing or use of cash collateral, the proceeds of such adequate protection are applied pursuant to Section 2.01 of this Agreement; provided that the Equal Priority Secured Parties of each Series shall have a right to object to the grant of a security interest to secure the DIP Financing over any Collateral subject to security interests in favor of the Equal Priority Secured Parties of such Series or its Authorized Representative that do not constitute Shared Collateral; provided, further, that the Equal Priority Secured Parties receiving adequate protection shall not object to any other Equal Priority Secured Party receiving adequate protection comparable to any adequate protection granted to such Equal Priority Secured Parties in connection with a DIP Financing or use of cash collateral; and provided, further, that, (i) in the event that the Senior Credit Facilities Secured Parties provide a DIP Financing, the Notes Secured Parties shall be offered a reasonable opportunity to provide a *pro rata* portion of such DIP Financing on the same terms on which such DIP Financing is to be provided by the Senior Credit Facilities Secured Parties, and (ii) in the event that the Notes Secured Parties provide a DIP Financing, the Senior Credit Facilities Secured Parties shall be offered a reasonable opportunity to provide a *pro rata* portion of such DIP Financing on the same terms on which such DIP Financing is to be provided by the Notes Secured Parties, in each case based on the respective amounts of the Senior Credit Facilities Obligations and the Note Obligations outstanding at the time such DIP Financing is provided.

(c) If any Equal Priority Secured Party is granted adequate protection with respect to its Lien on Shared Collateral (i) in the form of Liens on any additional collateral, then each other Equal Priority Secured Party shall be entitled to seek, and each Equal Priority Secured Party will consent and not object to, adequate protection in the form of Liens on such additional collateral with the same priority vis-à-vis the Equal Priority Secured Parties as set forth in this Agreement (other than any Liens of any Equal Priority Secured Parties constituting DIP Financing Liens), (ii) in the form of a superpriority or other administrative claim, then each other Equal Priority Secured Party shall be entitled to seek, and each Equal Priority Secured Party will consent and not object to, adequate protection in the form of a pari passu superpriority or administrative claim or (iii) in the form of periodic or other cash payments, then the proceeds of such adequate protection must be applied to all Equal Priority Obligations pursuant to Section 2.01.

(d) For the avoidance of doubt, nothing in this Section 2.05 shall prevent an Equal Priority Secured Party from acting as a provider of DIP Financing to the Grantor(s) in an Insolvency or Liquidation Proceeding. If an Equal Priority Secured Party is also a DIP Lender, it shall be entitled to seek DIP Financing Liens in such capacity to secure such DIP Financing in accordance with the Bankruptcy Code.

SECTION 2.06. Reinstatement. In the event that any of the Equal Priority Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement or avoidance of a preference or fraudulent or improper transfer under the Bankruptcy Code or other applicable Bankruptcy Law, or any similar law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Article II shall be fully applicable thereto until all such Equal Priority Obligations shall again have been paid in full in cash.

SECTION 2.07. Insurance. As between the Equal Priority Secured Parties, the Controlling Authorized Representative shall have the right to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral.

SECTION 2.08. Refinancings. The Equal Priority Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent of any Equal Priority Secured Party of any other Series (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Secured Credit Document in respect of such Series), all without affecting the priorities provided for herein or the other provisions hereof; provided that the Authorized Representative of the holders of any such Refinancing indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness; provided further that in the event any such Refinancing transaction results in the aggregate principal amount of the applicable Series of Equal Priority Obligations then outstanding being increased and such increased principal amount is not permitted by any of the then extant Secured Credit Documents or Equal Priority Security Documents at the time of the incurrence thereof, then such increased principal amount (solely to the extent of such increase) shall not constitute "Equal Priority Obligations" for purposes of this Agreement.

SECTION 2.09. Controlling Authorized Representative as Gratuitous Bailee for Perfection.

(a) The Controlling Authorized Representative agrees to hold any Shared Collateral constituting Possessory Collateral that is part of the Shared Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit and on behalf of each other Equal Priority Secured Party and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Equal Priority Security Documents, in each case, subject to the terms and conditions of this Section 2.09; provided that at any time after the Discharge of the Series of Equal Priority Obligations for which the Controlling Authorized Representative is acting, the Controlling Authorized Representative shall (at the sole cost and expense of the Grantors), promptly deliver all Possessory Collateral to the new Controlling Authorized Representative (after giving effect to the Discharge of such Series of Equal Priority Obligations) together with any necessary endorsements reasonably requested by such new Controlling Authorized Representative (or make such other arrangements as shall be reasonably requested by such new Controlling Authorized Representative to allow such new Controlling Authorized Representative to obtain control of such Possessory Collateral). Pending delivery to the Controlling Authorized Representative, each other Authorized Representative agrees to hold any Shared Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee for the benefit and on behalf of each other Equal Priority Secured Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Equal Priority Security Documents, in each case, subject to the terms and conditions of this Section 2.09.

(b) The duties and responsibilities of the Controlling Authorized Representative and each other Authorized Representative under this Section 2.09 shall be limited solely to holding any Shared Collateral constituting Possessory Collateral as gratuitous bailee for the benefit of each other Equal Priority Secured Party for purposes of perfecting the Lien held by such Equal Priority Secured Parties therein.

(c) The agreement of each Authorized Representative to act as gratuitous bailee and/or gratuitous agent pursuant to this Section 2.11 is intended, among other things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2), 9-104(a)(2) and 9-313(c) of the UCC.

## ARTICLE III

### Existence and Amounts of Liens and Obligations

SECTION 3.01. Determinations with Respect to Amounts of Liens and Obligations. Whenever any Authorized Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any Equal Priority Obligations of any Series, or the Shared Collateral subject to any Lien securing the Equal Priority Obligations of any Series, it may request that such information be furnished to it in writing by each other Authorized Representative and shall be entitled to make such determination on the basis of the information so furnished; provided, however, that if any Authorized Representative shall fail or refuse reasonably promptly to provide the requested information, the requesting Authorized Representative shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Borrower. Each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any Equal Priority Secured Party or any other Person as a result of such determination.

## ARTICLE IV

### The Controlling Authorized Representative

#### SECTION 4.01. Appointment and Authority.

(a) Each of the Equal Priority Secured Parties hereby irrevocably appoints and authorizes the Controlling Authorized Representative to take such actions on its behalf and to exercise such powers as are delegated to the Controlling Authorized Representative by the terms hereof, together with such powers and discretion as are reasonably incidental thereto. The Controlling Authorized Representative and any co-agents, sub-agents and attorneys-in-fact appointed by the Controlling Authorized Representative pursuant to Section 4.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under any of the Equal Priority Security Documents, or for exercising any rights and remedies thereunder, shall be entitled to the benefits of all provisions of this Article IV (as though such co-agents, sub-agents and attorneys-in-fact were the "Authorized Representative" under the applicable Equal Priority Security Documents) as if set forth in full herein with respect thereto. Without limiting the foregoing, each of the Equal Priority Secured Parties, and each other Authorized Representative, hereby agrees to provide such cooperation and assistance as may be reasonably requested by the Controlling Authorized Representative to facilitate and effect actions taken or intended to be taken by the Controlling Authorized Representative pursuant to this Article IV, such cooperation to include execution and delivery of notices, instruments and other documents as are reasonably deemed necessary by the Controlling Authorized Representative to effect such actions, and joining in any action, motion or proceeding initiated by the Controlling Authorized Representative for such purposes.

(b) Each Non-Controlling Secured Party acknowledges and agrees that the Controlling Authorized Representative shall be entitled, for the benefit of the Equal Priority Secured Parties, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the Equal Priority Security Documents, without regard to any rights to which the Non-Controlling Secured Parties would otherwise be entitled pursuant to the Equal Priority Security Documents (in their respective capacities as such). Without limiting the foregoing, each Non-Controlling Secured Party agrees that none of the Controlling Authorized Representative or any other Equal Priority Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the Equal Priority Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any Equal Priority Obligations), in any manner that would maximize the return to the Non-Controlling Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Equal Priority Secured Parties from such realization, sale, disposition or liquidation. Each of the Equal Priority Secured Parties waives any claim it may now or hereafter have against the Controlling Authorized Representative or the Authorized Representative for any other Series of Equal Priority Obligations or any other Equal Priority Secured Party of any other Series arising out of (i) any actions that do not violate this Agreement that any Authorized Representative or any Equal Priority Secured Party takes or omits to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the Equal Priority Obligations from any account debtor, guarantor or any other party) in accordance with the Equal Priority Security Documents or any other agreement related thereto or to the collection of the Equal Priority Obligations or the valuation, use, protection or release of any security for the Equal Priority Obligations, (ii) any election by any Authorized Representative or any holders of Equal Priority Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law by, any Grantor or any of its Subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, the Controlling Authorized Representative shall not accept any Shared Collateral in full or partial satisfaction of any Equal Priority Obligations pursuant to Section 9-620 of the Uniform Commercial Code of any jurisdiction, without the consent of each Authorized Representative representing holders of Equal Priority Obligations for whom such Collateral constitutes Shared Collateral.

SECTION 4.02. Rights as an Equal Priority Secured Party.

(a) The Person serving as the Controlling Authorized Representative hereunder shall have the same rights and powers in its capacity as an Equal Priority Secured Party under any Series of Equal Priority Obligations that it holds as any other Equal Priority Secured Party of such Series and may exercise the same as though it were not the Controlling Authorized Representative and the term “Equal Priority Secured Party” or “Equal Priority Secured Parties” or (as applicable) “Senior Credit Facilities Secured Party,” “Senior Credit Facilities Secured Parties,” “Note Purchase Agreement Secured Party,” “Notes Secured Parties,” “Additional Equal Priority Secured Party” or “Additional Equal Priority Secured Parties” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Controlling Authorized Representative hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Grantors or any Subsidiary or other Affiliate thereof as if such Person were not the Controlling Authorized Representative hereunder and without any duty to account therefor to any other Equal Priority Secured Party.

SECTION 4.03. Exculpatory Provisions. The Controlling Authorized Representative shall not have any duties or obligations except those expressly set forth herein. Without limiting the generality of the foregoing, the Controlling Authorized Representative:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby; provided that the Controlling Authorized Representative shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Controlling Authorized Representative to liability or that is contrary to this Agreement, any Equal Priority Secured Document or applicable law;

(c) shall not, except as expressly set forth herein, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to a Grantor or any of its Affiliates that is communicated to or obtained by the Person serving as the Controlling Authorized Representative or any of its Affiliates in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) in the absence of its own gross negligence or willful misconduct or (ii) in good faith in reliance on a certificate of an authorized officer of the Borrower stating that such action is permitted by the terms of this Agreement. The Controlling Authorized Representative shall not be deemed to have knowledge of any Event of Default under any Series of Equal Priority Obligations unless and until written notice describing such Event of Default and referencing the applicable agreement is given to the Controlling Authorized Representative;

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Equal Priority Security Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Equal Priority Security Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Equal Priority Security Documents, (v) the value or the sufficiency of any Collateral for any Series of Equal Priority Obligations, or (vi) the satisfaction of any condition set forth in any Secured Credit Document, other than to confirm receipt of items expressly required to be delivered to the Controlling Authorized Representative;

(f) need not segregate money held hereunder from other funds except to the extent required by law or expressly provided for herein or in any Secured Credit Document. The Controlling Authorized Representative shall be under no liability for interest on any money received by it hereunder except if and to the extent it may (at its option and in its discretion) otherwise agree in writing; and

(g) shall not have any fiduciary duties or contractual obligations of any kind or nature under any Additional Equal Priority Agreement (but shall be entitled to all protections provided to the Controlling Authorized Representative therein).

SECTION 4.04. Collateral and Guaranty Matters. Each of the Equal Priority Secured Parties irrevocably authorizes the applicable Authorized Representative, at its option and in its discretion, to release any Lien on any property granted to or held by the Authorized Representative under any Equal Priority Security Document in accordance with Section 2.04 or upon receipt of a written request from the Borrower stating that the releases of such Lien is permitted by the terms of each then extant Secured Credit Document.

SECTION 4.05. Delegation of Duties. The Controlling Authorized Representative may perform any and all of its duties and exercise its rights and powers hereunder or under any other Equal Priority Collateral Document by or through any one or more sub-agents appointed by the Controlling Authorized Representative. The Controlling Authorized Representative and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Affiliates of the Controlling Authorized Representative and any such sub-agent.

(d) if to any other Authorized Representative, to it at the address set forth in the applicable Joinder Agreement.

Any party hereto may change its address, fax number or email address for notices and other communications hereunder by notice to the other parties hereto. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and, may be personally served, telecopied, electronically mailed or sent by courier service or U.S. mail and shall be deemed to have been given when delivered in person or by courier service, upon receipt of a telecopy or electronic mail or upon receipt via U.S. mail (registered or certified, with postage prepaid and properly addressed). For the purposes hereof, the addresses of the parties hereto shall be as set forth above or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties. As agreed to in writing among the Controlling Authorized Representative and each other Authorized Representative from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable person provided from time to time by such person.

#### SECTION 5.02. Waivers; Amendment; Joinder Agreements.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Authorized Representative and the Borrower.

(c) Notwithstanding the foregoing, without the consent of any Equal Priority Secured Party, any Additional Agent may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 5.13 of this Agreement and upon such execution and delivery, such Additional Agent and the Additional Equal Priority Secured Parties and Additional Equal Priority Obligations of the Series for which such Additional Agent is acting shall be subject to the terms hereof.

SECTION 5.03. Parties in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other Equal Priority Secured Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

SECTION 5.04. Survival of Agreement. All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

SECTION 5.05. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 5.06. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 5.07. Authorization. By its signature, each Person executing this Agreement on behalf of a party hereto represents and warrants to the other parties hereto that it is duly authorized to execute this Agreement. The Senior Credit Facilities Collateral Agent represents and warrants that this Agreement is binding upon the Senior Credit Facilities Secured Parties. The Noteholder Representative represents and warrants that this Agreement is binding upon the Notes Secured Parties.

SECTION 5.08. Submission to Jurisdiction Waivers; Consent to Service of Process. Each Authorized Representative, on behalf of itself and the Equal Priority Secured Parties of the Series for whom it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York sitting in New York County, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Authorized Representative) at the address referred to in Section 5.01;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Equal Priority Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Equal Priority Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 5.08 any special, exemplary, punitive or consequential damages.

SECTION 5.09. **GOVERNING LAW; WAIVER OF JURY TRIAL**.

(A) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE PRINCIPLES OF CONFLICTS OF LAWS, EXCEPT AS REQUIRED BY MANDATORY PROVISIONS OF LAW.

(B) EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN.

SECTION 5.10. Headings. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 5.11. Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the other Equal Priority Security Documents or Additional Equal Priority Documents, the provisions of this Agreement shall control.

SECTION 5.12. Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the Equal Priority Secured Parties in relation to one another. None of the Borrower, any other Grantor or any other creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement; provided that nothing in this Agreement (other than Section 2.04, 2.05 or 2.09 and subject to Section 5.11) is intended to or will amend, waive or otherwise modify the provisions of the Senior Credit Agreement, the Note Purchase Agreement or any Additional Equal Priority Documents, and none of the Borrower or any other Grantor may rely on the terms hereof (other than Section 2.04, 2.05 or 2.09). Nothing in this Agreement is intended to or shall impair the obligations of any Grantor, which are absolute and unconditional, to pay the Equal Priority Obligations as and when the same shall become due and payable in accordance with their terms.

SECTION 5.13. Additional Equal Priority Obligations. The Borrower may incur obligations that will constitute Additional Equal Priority Obligations hereunder only if such obligations are permitted to be so incurred and treated as such hereunder by the terms of each then extant Secured Credit Document and the other requirements of this Section 5.13 are satisfied. Any such additional class or series of Additional Equal Priority Obligations (the “**Senior Class Debt**”) may be secured by a Lien and may be guaranteed by the Grantors on a *pari passu* basis with the Liens and guarantees in favor of the other Series of Equal Priority Obligations, if and subject to the condition that the Authorized Representative of any such Senior Class Debt (each, a “**Senior Class Debt Representative**”), acting on behalf of the holders of such Senior Class Debt (such Authorized Representative and holders in respect of any Senior Class Debt being referred to as the “**Senior Class Debt Parties**”), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iv) of the immediately succeeding paragraph.

In order for a Senior Class Debt Representative to become a party to this Agreement,

(i) such Senior Class Debt Representative, each Authorized Representative and each Grantor shall have executed and delivered an instrument substantially in the form of Annex II (with such changes as may be reasonably approved by the Authorized Representatives and such Senior Class Debt Representative) pursuant to which such Senior Class Debt Representative becomes an Authorized Representative and Additional Agent hereunder, and the Senior Class Debt in respect of which such Senior Class Debt Representative is the Authorized Representative and the related Senior Class Debt Parties become subject hereto and bound hereby;

(ii) the Borrower shall have delivered to the Authorized Representatives true and complete copies of each of the Additional Equal Priority Documents relating to such Senior Class Debt, certified as being true and correct by a Responsible Officer of the Borrower;

(iii) the Borrower shall have delivered to the Authorized Representatives an Officer's Certificate stating that such Additional Equal Priority Obligations to be incurred are permitted by each then extant Secured Credit Document, or to the extent a consent is otherwise required to permit the incurrence of such Additional Equal Priority Obligations under any such Secured Credit Document, such requisite consent has been obtained; and

(iv) the Additional Equal Priority Documents, as applicable, relating to such Senior Class Debt shall provide, in a manner reasonably satisfactory to each Authorized Representative, that each Senior Class Debt Party with respect to such Senior Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Senior Class Debt.

SECTION 5.14. Integration. This Agreement together with the other Secured Credit Documents and the Equal Priority Security Documents represents the entire agreement of each of the Grantors and the Equal Priority Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor, any Authorized Representative or any other Equal Priority Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Credit Documents or the Equal Priority Security Documents.

SECTION 5.15. [Reserved].

SECTION 5.16. Information Concerning Financial Condition of the Borrower and the other Grantors. The Controlling Authorized Representatives, the other Authorized Representatives and the Equal Priority Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Borrower and the other Grantors and all endorsers or guarantors of the Equal Priority Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Equal Priority Obligations. The Controlling Authorized Representative, the other Authorized Representatives and the Equal Priority Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that the Controlling Authorized Representative, the other Authorized Representatives or any Equal Priority Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Controlling Authorized Representative, the other Authorized Representatives and the Secured Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 5.17. Additional Grantors. The Borrower agrees that, if any Subsidiary of the Borrower shall become a Grantor after the date hereof, it will promptly cause such Subsidiary to become party hereto by executing and delivering an instrument in the form of Annex III; provided that, for the avoidance of doubt, such obligation shall be considered promptly satisfied if such joinder is executed and delivered in accordance with the timing for delivery of joinder documents under the Senior Credit Agreement and the Note Purchase Agreement. Upon such execution and delivery, such Subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder, and will be acknowledged by each Authorized Representative. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 5.18. Further Assurances. Each Authorized Representative, on behalf of itself and each Equal Priority Secured Party under the applicable Senior Credit Agreement, Note Purchase Agreement or Additional Equal Priority Debt Facility, agrees that it will take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as the other parties hereto may reasonably request to effectuate the terms of, and the Lien priorities contemplated by, this Agreement.

SECTION 5.19. Senior Credit Facilities Collateral Agent and Noteholder Representative. It is understood and agreed that (a) the Senior Credit Facilities Collateral Agent is entering into this Agreement in its capacity as collateral agent under the Senior Credit Agreement and the provisions of the Senior Credit Agreement and the other Loan Documents (as defined in the Senior Credit Agreement), including Article VIII of the Senior Credit Agreement, granting or extending any rights, protections, privileges, indemnities and immunities to the Senior Credit Facilities Collateral Agent in such capacity shall also apply to it as Senior Credit Facilities Collateral Agent, Authorized Representative and Controlling Authorized Representative hereunder and (b) the Noteholder Representative is entering in this Agreement in its capacity as Noteholder Representative under the Note Purchase Agreement and as Noteholder Representative under the Notes Collateral Agreement and the provisions of the Note Purchase Agreement and the Notes Collateral Agreement granting or extending any rights, protections, privileges, indemnities and immunities to the Noteholder Representative in such capacity thereunder shall also apply to it as Noteholder Representative, Authorized Representative and, if applicable, Controlling Authorized Representative hereunder.

For the avoidance of doubt, the parties hereto acknowledge that in no event shall the Senior Credit Facilities Collateral Agent or Noteholder Representative be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether any such party has been advised of the likelihood of such loss or damage and regardless of the form of action.

The undersigned Senior Class Debt Representative (the “**New Authorized Representative**”) is executing this Joinder in accordance with the requirements of the Equal Priority Intercreditor Agreement.

Accordingly, the Authorized Representatives and the New Authorized Representative agree as follows:

SECTION 1. In accordance with Section 5.13 of the Equal Priority Intercreditor Agreement, the New Authorized Representative by its signature below becomes an Authorized Representative and Additional Agent under, and the related Senior Class Debt and Senior Class Debt Parties become subject to and bound by, the Equal Priority Intercreditor Agreement with the same force and effect as if the New Authorized Representative had originally been named therein as an Authorized Representative, and the New Authorized Representative, on behalf of itself and such Senior Class Debt Parties, hereby agrees to all the terms and provisions of the Equal Priority Intercreditor Agreement applicable to it as an Authorized Representative and to the Senior Class Debt Parties that it represents as Additional Equal Priority Secured Parties. The Equal Priority Intercreditor Agreement is hereby incorporated herein by reference.

SECTION 2. The New Authorized Representative represents and warrants to each other Authorized Representative and the other Equal Priority Secured Parties that (i) it has full power and authority to enter into this Joinder, in its capacity as [agent] [trustee], (ii) this Joinder has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with the terms of such Agreement and (iii) the Additional Equal Priority Documents relating to such Senior Class Debt provide that, upon the New Authorized Representative's entry into this Agreement, the Senior Class Debt Parties in respect of such Senior Class Debt will be subject to and bound by the provisions of the Equal Priority Intercreditor Agreement as Additional Equal Priority Secured Parties.

SECTION 3. This Joinder may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Joinder shall become effective when each Authorized Representative shall have received a counterpart of this Joinder that bears the signature of the New Authorized Representative. Delivery of an executed signature page to this Joinder by facsimile transmission shall be effective as delivery of a manually signed counterpart of this Joinder.

SOLVENCY CERTIFICATE

July [ ], 2023

Pursuant to Section 4.01(j) of the Note Purchase Agreement dated as of July 31, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Note Purchase Agreement**”), among Pitney Bowes Inc., a Delaware corporation (the “**Issuer**”), the noteholders from time to time party thereto (the “**Noteholders**”) and Alter Domus (US) LLC, as the noteholder representative for the Noteholders (“**Noteholder Representative**”), the undersigned hereby certifies, solely in such undersigned’s capacity as the Treasurer of the Issuer, and not individually, as follows:

I am generally familiar with the businesses and assets of the Issuer and its Subsidiaries, taken as a whole, and am duly authorized to execute this Solvency Certificate on behalf of the Issuer pursuant to the Note Purchase Agreement.

As of the Closing Date, after giving effect to the consummation of the Transactions, including the issuance of the Notes under the Note Purchase Agreement, and after giving effect to the application of the proceeds of such Indebtedness:

- (a) The fair value of the assets of the Issuer and the Subsidiaries, taken as a whole, at a fair valuation, exceeds their debts and liabilities, subordinated, contingent or otherwise;
- (b) The present fair saleable value of the property of the Issuer and the Subsidiaries, taken as a whole, is greater than the amount that is required to pay the probable liability of their debts and other liabilities, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured;
- (c) The Issuer and the Subsidiaries, taken as a whole, are able to pay their debts and liabilities, subordinated, contingent or otherwise, as such liabilities become absolute and matured; and
- (d) The Issuer and the Subsidiaries, taken as a whole, are not engaged in, and are not about to engage in, business for which they have unreasonably small capital.

For purposes of this Solvency Certificate, the amount of any contingent liability at any time shall be computed as the amount that, in light of all of the facts and circumstances existing as of the Closing Date, would reasonably be expected to become an actual and matured liability. Capitalized terms used but not otherwise defined herein shall have the meanings assigned to them in the Note Purchase Agreement.

*[Signature page follows]*

IN WITNESS WHEREOF, the undersigned has executed this Solvency Certificate in such undersigned’s capacity as Treasurer of the Issuer, on behalf of the Issuer, and not individually, as of the date first stated above.

SIXTH AMENDMENT dated as of July 31, 2023 (this “Amendment”), to the CREDIT AGREEMENT dated as of November 1, 2019 (as amended, supplemented or otherwise modified from time to time, the “Credit Agreement”), among PITNEY BOWES INC., a Delaware corporation (the “Borrower”), the LENDERS and ISSUING BANKS party thereto and JPMORGAN CHASE BANK, N.A. (“JPMorgan”), as administrative agent.

WHEREAS the Borrower has requested that the Credit Agreement be amended as set forth herein;

WHEREAS the Lenders party hereto are willing to consent to such amendments on the terms and subject to the conditions set forth herein;

NOW, THEREFORE, in consideration of the mutual agreements herein contained and other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, and subject to the conditions set forth herein, the parties hereto hereby agree as follows:

SECTION 1. Interpretation.

(a) Capitalized terms used and not defined herein (including in the recitals hereto) shall have the meanings assigned to such terms in the Credit Agreement. The rules of interpretation set forth in Section 1.03 of the Credit Agreement are hereby incorporated by reference herein, *mutatis mutandis*.

SECTION 2. Amendments to the Credit Agreement. Effective as of the Sixth Amendment Effective Date, (a) the Credit Agreement is hereby amended by deleting the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and adding the underlined text (indicated textually in the same manner as the following example: underlined text) as set forth on Exhibit A attached hereto and (b) the schedules to the Credit Agreement are hereby amended to include Schedule 1.01 and Schedule 5.16 as set forth on Exhibit B hereto in appropriate order therein.

SECTION 3. Consent to First Lien Intercreditor Agreement. The Lenders party hereto, constituting the Required Lenders, hereby consent to and approve the form of First Lien Intercreditor Agreement attached hereto as Exhibit C and authorize and direct the Administrative Agent to enter into the First Lien Intercreditor Agreement substantially in such form.

SECTION 4. Representations and Warranties. The Borrower (with respect to itself and, where applicable, the Restricted Subsidiaries) represents and warrants to the Administrative Agent and to the Lenders on and as of the Sixth Amendment Effective Date that:

(a) this Amendment and the transactions contemplated hereby are within each Loan Party’s corporate or other organizational powers and have been duly authorized by all necessary corporate or other organizational and, if required, stockholder or other equityholder action;

---

(b) this Amendment has been duly authorized, executed and delivered by the Borrower and each other Loan Party and constitutes the legal, valid and binding obligation of such Person, enforceable against such Person in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law;

(c) the representations and warranties of each Loan Party set forth in the Loan Documents are true and correct in all material respects (or, in the case of representations and warranties qualified as to materiality or Material Adverse Effect, in all respects), except in the case of any such representation and warranty that expressly relates to a prior date, in which case such representation and warranty is true and correct in all material respects (or in all respects, as applicable) as of such earlier date (it being understood and agreed that the reference in Section 3.15 of the Credit Agreement to "the Closing Date, after giving effect to the Transactions" shall be deemed to refer instead to "the Sixth Amendment Effective Date, after giving effect to the transactions to be consummated on the Sixth Amendment Effective Date"); and

(d) at the time of and immediately after giving effect to this Amendment and the transactions contemplated hereby, no Default or Event of Default shall have occurred and be continuing.

**SECTION 5. Effectiveness.** This Amendment shall become effective as of the date first above written (the "Sixth Amendment Effective Date") upon satisfaction of the following conditions:

(a) the Administrative Agent shall have received counterparts of this Amendment that, when taken together, bear the signatures of the Borrower, each other Loan Party and Lenders collectively constituting the Required Lenders;

(b) the Administrative Agent shall have received all fees and other amounts due and payable on or prior to the Sixth Amendment Effective Date and, to the extent invoiced at least three Business Days prior to the Sixth Amendment Effective Date (or such shorter period agreed by the Borrower in its sole discretion), reimbursement or payment of all reasonable, documented and invoiced out-of-pocket expenses (including fees, charges and disbursements of counsel) required to be reimbursed or paid by any Loan Party hereunder, under any other Loan Document or under any other agreement entered into by the Lead Arranger or the Administrative Agent, on the one hand, and any of the Loan Parties, on the other hand; and

(c) the Administrative Agent shall have received a certificate, dated the Sixth Amendment Effective Date and signed by a Financial Officer or the President or a Vice President of the Borrower, confirming accuracy of the representations and warranties set forth in Section 4.

**SECTION 6. Effects on Loan Documents; No Novation.** (a) Except as expressly set forth herein, this Amendment (i) shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders, the Administrative Agent, the Borrower or any other Loan Party under the Credit Agreement or any other Loan Document and (ii) shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle the Borrower or any other Loan Party to any future consent to, or waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document in similar or different circumstances. After the Sixth Amendment Effective Date, any reference in the Loan Documents to the Credit Agreement shall mean the Credit Agreement as modified hereby. This Amendment shall constitute a "Loan Document" for all purposes of the Credit Agreement and the other Loan Documents.

---

(b) This Amendment shall not extinguish the obligations for the payment of money outstanding under the Credit Agreement or discharge or release the priority of any Security Document. Nothing herein contained shall be construed as a substitution or novation of the Obligations outstanding under the Credit Agreement or any Security Document, which shall remain in full force and effect, except as modified hereby. Nothing expressed or implied in this Amendment or any other document contemplated hereby shall be construed as a release or other discharge of any Loan Party under any Loan Document from any of its obligations and liabilities thereunder.

SECTION 7. Miscellaneous. The provisions of Sections 9.09, 9.10 and 9.11 of the Credit Agreement are hereby incorporated by reference herein, *mutatis mutandis*.

SECTION 8. Counterparts. This Amendment may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Amendment and/or any document to be signed in connection with this Amendment and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be.

SECTION 9. Reaffirmation. Each of the Loan Parties hereby (a) reaffirms its obligations under the Credit Agreement and each other Loan Document to which it is a party, in each case as modified by this Amendment, (b) reaffirms all Liens on the Collateral which have been granted by it in favor of the Administrative Agent (for the benefit of the Secured Parties) pursuant to the Loan Documents and (c) acknowledges and agrees that the guarantees of the Loan Parties and the grants of security interests by the Loan Parties contained in the Collateral Agreement and the other Security Documents are, and shall remain, in full force and effect in respect of, and to secure, the Obligations.

If no election as to the Type of Borrowing is specified, then, if the specified currency of such Borrowing is Dollars, the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Term Benchmark Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. If no currency is specified with respect to any requested Revolving Loan, the Borrower shall be deemed to have selected Dollars. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04. [Reserved].

SECTION 2.05. Letters of Credit. (a) General. Subject to the terms and conditions set forth herein, the Borrower may request (and each Issuing Bank shall issue) Letters of Credit for the Borrower's own account (or for the account of any Restricted Subsidiary so long as such Issuing Bank has completed its customary "know your client" procedures with respect to such Subsidiary), in each case, denominated in Dollars or any Permitted Foreign Currency and in a form reasonably acceptable to the Administrative Agent and the applicable Issuing Bank, at any time and from time to time during the Revolving Availability Period. The Borrower unconditionally and irrevocably agrees that, in connection with any Letter of Credit issued for the account of any Subsidiary as provided above, the Borrower will be fully responsible for the reimbursement of LC Disbursements, the payment of interest thereon and the payment of fees due under Section 2.12(b) in respect thereof to the same extent as if it were the sole account party in respect of such Letter of Credit. Notwithstanding anything contained in any letter of credit application or other agreement (other than this Agreement or any Security Document) submitted by the Borrower to, or entered into by the Borrower with, any Issuing Bank relating to any Letter of Credit, (i) all provisions of such letter of credit application or other agreement purporting to grant Liens in favor of such Issuing Bank to secure obligations in respect of such Letter of Credit shall be disregarded, it being agreed that such obligations shall be secured to the extent provided in this Agreement and in the Security Documents, and (ii) in the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of such letter of credit application or such other agreement, as applicable, the terms and conditions of this Agreement shall control. On the Closing Date (or on the date specified in the relevant notice to the Administrative Agent), each Existing Letter of Credit shall, without any further action by any Person, be deemed to have been issued as a Letter of Credit hereunder (without any breakage or transfer charges in connection therewith) and shall for all purposes hereof (including paragraphs (d) and (e) of this Section) be treated as and constitute a Letter of Credit. On the Fifth Amendment Effective Date, the Specified Citi Letter of Credit shall, without any further action by any Person, be deemed to have been issued as a Letter of Credit hereunder (without any breakage or transfer charges in connection therewith) and shall for all purposes hereof (including paragraphs (d) and (e) of this Section) be treated as and constitute a Letter of Credit.

---

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit or the amendment, renewal or extension of an outstanding Letter of Credit (other than any automatic renewal permitted pursuant to paragraph (c) of this Section), the Borrower shall hand deliver or fax (or transmit by electronic communication, if arrangements for doing so have been approved by such Issuing Bank) to the applicable Issuing Bank and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the requested date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the currency and amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be requested by the applicable Issuing Bank as necessary to enable such Issuing Bank to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. An Issuing Bank shall not be obligated to issue any trade Letter of Credit (unless it otherwise consents) and no Letter of Credit shall be issued, amended, renewed or extended unless (and upon issuance, amendment, renewal or extension of any Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, (i) the sum of the LC Exposure shall not exceed the LC Sublimit, (ii) the Aggregate Revolving Exposure shall not exceed the Aggregate Revolving Commitment, (iii) the face amount of the Letters of Credit issued by the applicable Issuing Bank shall not exceed the LC Commitment of such Issuing Bank (unless it otherwise agrees) and (iv) following the effectiveness of any Maturity Date Extension Request with respect to the Revolving Commitments of any Class, the LC Exposure in respect of all Letters of Credit of such Class having an expiration date after the fifth Business Day prior to the applicable Existing Maturity Date shall not exceed the aggregate Revolving Commitments of such Class of the Consenting Lenders extended pursuant to Section 2.22. Each Issuing Bank agrees that it shall not permit any issuance, amendment, renewal or extension of a Letter of Credit to occur unless it shall give to the Administrative Agent written notice thereof as required under paragraph (l) of this Section. Notwithstanding anything herein to the contrary, an Issuing Bank shall have no obligation hereunder to issue any Letter of Credit if (x) any law applicable to such Issuing Bank from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit the issuance of letters of credit generally or the Letter of Credit in particular or (y) such issuance shall violate such Issuing Bank's internal policies that are applicable to letters of credit generally.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five Business Days prior to the Revolving Maturity Date (unless such Letters of Credit have been cash collateralized or backstopped on or prior to such fifth Business Day pursuant to arrangements reasonably satisfactory to the applicable Issuing Bank); provided that (x) any Letter of Credit may, upon the request of the Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional periods (but not beyond the date that is five Business Days prior to the Revolving Maturity Date (unless such Letters of Credit have been cash collateralized or backstopped on or prior to such fifth Business Day pursuant to arrangements reasonably satisfactory to the applicable Issuing Bank)) unless the applicable Issuing Bank notifies the beneficiary thereof at least 30 days prior to the then-applicable expiration date that such Letter of Credit will not be renewed and (y) clause (c)(i) above shall not apply to a Letter of Credit if such long-dated Letter of Credit is consented to by the applicable Issuing Bank. For the avoidance of doubt, if the Revolving Maturity Date in respect of any Class of Revolving Commitments shall be extended pursuant to Section 2.22, "Revolving Maturity Date" as referenced in this paragraph shall refer, with respect to the Class of Letters of Credit associated with such Class of Revolving Commitments, to the Revolving Maturity Date in respect of any Class of Revolving Commitments as extended pursuant to Section 2.22; provided that, notwithstanding anything in this Agreement (including Section 2.22 hereof) or any other Loan Document to the contrary, the Revolving Maturity Date, as such term is used in reference to any Issuing Bank or any Letter of Credit issued thereby, may not be extended with respect to any Issuing Bank without the prior written consent of such Issuing Bank.

---

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Lenders, the Issuing Bank that is the issuer of such Letter of Credit hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Revolving Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrower for any reason. Such payment by the Revolving Lenders shall be made (i) if the currency of the applicable LC Disbursement or reimbursement payment shall be in Dollars, then in Dollars and (ii) if the currency of the applicable LC Disbursement or reimbursement shall be a Permitted Foreign Currency, then in Dollars in an amount equal to the Dollar Equivalent of such LC Disbursement or reimbursement payment, calculated by the Administrative Agent using the Exchange Rate on the applicable LC Participation Calculation Date. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender further acknowledges and agrees that, in issuing, amending, renewing or extending any Letter of Credit, the applicable Issuing Bank shall be entitled to rely, and shall not incur any liability for relying, upon the representation and warranty of the Borrower deemed made pursuant to Section 4.02 unless, at least one Business Day prior to the time such Letter of Credit is issued, amended, renewed or extended (or, in the case of an automatic renewal permitted pursuant to paragraph (c) of this Section, at least one Business Day prior to the time by which the election not to extend must be made by the applicable Issuing Bank), the Majority in Interest of the Revolving Lenders shall have notified the applicable Issuing Bank (with a copy to the Administrative Agent) in writing that, as a result of one or more events or circumstances described in such notice, one or more of the conditions precedent set forth in Section 4.02(a) or 4.02(b) would not be satisfied if such Letter of Credit were then issued, amended, renewed or extended (it being understood and agreed that, in the event any Issuing Bank shall have received any such notice, no Issuing Bank shall have any obligation to issue, amend, renew or extend any Letter of Credit until and unless it shall be satisfied that the events and circumstances described in such notice shall have been cured or otherwise shall have ceased to exist).

(e) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, then the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount in the currency of such LC Disbursement equal to such LC Disbursement not later than 12:00 noon, Local Time, on the Business Day immediately following the day that the Borrower receives such notice; provided that, in the case of an LC Disbursement denominated in Dollars in an amount equal to or in excess of \$500,000, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Borrowing in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing. If the Borrower fails to reimburse any LC Disbursement by the time specified above in this paragraph, the applicable Issuing Bank shall promptly notify the Administrative Agent, and the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the currency and amount of the payment then due from the Borrower in respect thereof and such Revolving Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each applicable Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the amount then due from the Borrower in Dollars (in the case of any such amount denominated in a Permitted Foreign Currency, in an amount equal to the Dollar Equivalent thereof calculated by the Administrative Agent as set forth in paragraph (d) above), in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders under this paragraph), and the Administrative Agent shall promptly remit to the applicable Issuing Bank the amounts so received by it from the applicable Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of an ABR Revolving Borrowing as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

---

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision thereof or hereof, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. None of the Administrative Agent, the Lenders, the Issuing Banks or any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit, any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an Issuing Bank (as finally determined by a court of competent jurisdiction in a final and nonappealable judgment), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit, and any such acceptance or refusal shall be deemed not to constitute gross negligence or willful misconduct.

---

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Administrative Agent and the Borrower in writing (via hand delivery, facsimile or other electronic imaging) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the applicable Revolving Lenders with respect to any such LC Disbursement in accordance with paragraph (e) of this Section.

(h) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement in full, at (i) in the case of any LC Disbursement denominated in Dollars, and at all times following the conversion to Dollars of the reimbursement obligation with respect to any LC Disbursement made in Euro or Sterling pursuant to paragraph (e) of this Section, at the rate per annum then applicable to ABR Revolving Loans and (ii) in the case of an LC Disbursement denominated in any other Permitted Foreign Currency, at all times prior to the conversion of the reimbursement obligation with respect thereto to Dollars pursuant to paragraph (e) of this Section, at a rate per annum determined by the applicable Issuing Bank (which determination will be conclusive absent manifest error) to represent its cost of funds plus the Applicable Rate used to determine interest applicable to Term Benchmark Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement in full when due pursuant to paragraph (e) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Administrative Agent, for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment, and shall be payable on demand or, if no demand has been made, on the date on which the Borrower reimburses the applicable LC Disbursement in full.

(i) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day on which the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, a Majority in Interest of the Revolving Lenders) demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders, an amount in cash (in the currency of each applicable Letter of Credit) equal to the LC Exposure of the Revolving Lenders with respect to the Letters of Credit issued on behalf of the Borrower as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (h) or (i) of Section 7.01. The Borrower also shall deposit cash collateral in accordance with this paragraph as and to the extent required by Section 2.11(b), 2.20(c) or 2.22(c). Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Notwithstanding the terms of any Security Document, moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to (i) the consent of a Majority in Interest of the Revolving Lenders (treating the Classes of Revolving Commitments and Revolving Loans as one Class) and (ii) in the case of any such application at a time when any Revolving Lender is a Defaulting Lender (but only if, after giving effect thereto, the remaining cash collateral shall be less than the aggregate LC Exposure of all the Defaulting Lenders), the consent of each Issuing Bank), be applied to satisfy other obligations of the Borrower under this Agreement. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived. If the Borrower is required to provide an amount of cash collateral hereunder pursuant to Section 2.11(b), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower to the extent that, after giving effect to such return, the Aggregate Revolving Exposure in respect of the Revolving Commitments or Revolving Loans would not exceed the Aggregate Revolving Commitment and no Default shall have occurred and be continuing. If the Borrower is required to provide an amount of cash collateral hereunder pursuant to Section 2.20(c), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower to the extent that, after giving effect to such return, no Issuing Bank shall have any exposure in respect of any outstanding Letter of Credit that is not fully covered by the Revolving Commitments of the non-Defaulting Lenders and/or the remaining cash collateral and no Default shall have occurred and be continuing

---

(j) Designation of Additional Issuing Banks. The Borrower may, at any time and from time to time with notice to the Administrative Agent, designate as additional Issuing Banks one or more Revolving Lenders, that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as an Issuing Bank hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower and shall specify the LC Commitment of such Issuing Bank, executed by the Borrower, the Administrative Agent and such designated Revolving Lender and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of an Issuing Bank under this Agreement and (ii) references herein to the term “Issuing Bank” shall be deemed to include such Revolving Lender in its capacity as an issuer of Letters of Credit hereunder.

(k) Resignation or Termination of an Issuing Bank. Any Issuing Bank may resign as a “Issuing Bank” hereunder upon 30 days’ prior written notice to the Administrative Agent, the Lenders, and the Borrower; provided that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant Issuing Bank shall have identified a successor Issuing Bank reasonably acceptable to the Borrower willing to accept its appointment as successor Issuing Bank and the effectiveness of such resignation shall be conditioned upon such successor assuming the rights and duties of the Issuing Bank. In the event of any such resignation as Issuing Bank, the Borrower shall be entitled to appoint from among the Lenders a successor Issuing Bank hereunder; provided, however, that no failure by the Borrower to appoint any such successor shall affect the resignation of the resigning Issuing Bank except as expressly provided above. The Borrower may terminate the appointment of any Issuing Bank as an “Issuing Bank” hereunder by providing a written notice thereof to such Issuing Bank, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Issuing Bank acknowledging receipt of such notice and (ii) the third Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (or its Affiliates) shall have been reduced to zero. At the time any such resignation or termination shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the resigning or terminated Issuing Bank pursuant to Section 2.12(b). Notwithstanding the effectiveness of any such resignation or termination, the resigning or terminated Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation or termination, but shall not be required to issue any additional Letters of Credit.

---

(l) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancelations and all disbursements and reimbursements, (ii) reasonably prior to the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the stated amount of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date, amount and currency of such LC Disbursement, (iv) on any Business Day on which the Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and the currency and amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

(m) LC Exposure Determination. For all purposes of this Agreement, the amount of a Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at the time of determination.

SECTION 2.06. Funding of Borrowings. (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 3:00 p.m., Local Time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower and designated by the Borrower in the applicable Borrowing Request; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement denominated in Dollars as provided in Section 2.05(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to Section 2.05(e) to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear.

---

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, (A) in the case of Loans denominated in Dollars, the greater of the applicable Overnight Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (B) in the case of Loans denominated in a Permitted Foreign Currency, the applicable Overnight Rate or (ii) in the case of the Borrower, the interest rate applicable to (A) in the case of Loans denominated in Dollars, ABR Loans of the applicable Class and (B) in the case of Loans denominated in a Permitted Foreign Currency, the interest rate applicable to the subject Loan pursuant to Section 2.13. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

SECTION 2.07. Interest Elections. (a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Term Benchmark Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the Borrower may elect to convert such Borrowing to a Borrowing of a different Type (provided that Borrowings denominated in a Permitted Foreign Currency may not be converted into ABR Borrowings but instead must be prepaid in the original currency of such Loan) or to continue such Borrowing and, in the case of a Term Benchmark Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election in writing by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery, facsimile or other electronic transmission to the Administrative Agent of a written Interest Election Request signed by a Financial Officer of the Borrower.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Term Benchmark Borrowing; and

(iv) if the resulting Borrowing is to be a Term Benchmark Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

---

If any such Interest Election Request requests a Term Benchmark Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Term Benchmark Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period (i) in the case of a Term Benchmark Borrowing denominated in Dollars, such Borrowing shall be converted to an ABR Borrowing and (ii) in the case of a Term Benchmark Borrowing denominated in a Permitted Foreign Currency, such Borrowing shall be continued as a Borrowing of the applicable Type for an Interest Period of one month. Notwithstanding any contrary provision hereof, if an Event of Default under clause (h) or (i) of Section 7.01 has occurred and is continuing with respect to the Borrower, or if any other Event of Default has occurred and is continuing and the Administrative Agent, at the request of a Majority in Interest of the Lenders of any Class has notified the Borrower of the election to give effect to this sentence on account of such other Event of Default, then, in each such case, so long as such Event of Default is continuing, (i) no outstanding Borrowing denominated in Dollars may be converted to or continued as a Term Benchmark Borrowing, (ii) unless repaid, each Term Benchmark Borrowing denominated in Dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) unless repaid, each Term Benchmark Borrowing denominated in a Permitted Foreign Currency shall be continued as a Term Benchmark Borrowing with an Interest Period of one month's duration.

SECTION 2.08. Termination and Reduction of Commitments. (a) Unless previously terminated, (i) the Tranche A Term Commitments shall automatically terminate and be reduced to \$0 on the Closing Date upon the making of the Tranche A Term Loans and (ii) the Revolving Commitments shall automatically terminate and be reduced to \$0 on the Revolving Maturity Date.

(b) The Borrower may at any time terminate, or from time to time permanently reduce, the Commitments of any Class; provided that (i) each partial reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.11, the Aggregate Revolving Exposure would exceed the Aggregate Revolving Commitment.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the applicable Class of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination or reduction of the Revolving Commitments delivered under this paragraph may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

---

SECTION 2.09. Repayment of Loans; Evidence of Debt. (a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Lender the then unpaid principal amount of each Revolving Loan made by such Revolving Lender to the Borrower on the Revolving Maturity Date and (ii) to the Administrative Agent for the account of each Tranche A Term Lender the then unpaid principal amount of each Tranche A Term Loan made by such Tranche A Term Lender to the Borrower as provided in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder. The records maintained by the Administrative Agent and the Lenders shall be prima facie evidence of the existence and amounts of the obligations of the Borrower in respect of Loans made to the Borrower, LC Disbursements, interest and fees due or accrued, in each case, with respect to the Borrower hereunder; provided that the failure of the Administrative Agent or any Lender to maintain such records or any error therein shall not in any manner affect the obligation of the Borrower to pay any amounts due hereunder in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section, the accounts maintained by the Administrative Agent maintained pursuant to paragraph (c) of this Section shall control.

(d) Any Lender may request that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrower of such Loans shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

Any optional prepayment by the Borrower of Incremental Tranche B Term Loans shall be applied to reduce the subsequent scheduled repayments to be made pursuant to this Section as directed by the Borrower.

(f) The Borrower shall repay to the Administrative Agent, for the account of each Refinancing Tranche B Term Lender, Refinancing Tranche B Term Loans made pursuant to the First Refinancing Facility Amendment on the last day of each fiscal quarter, commencing with the first full fiscal quarter ending after the First Refinancing Facility Agreement Effective Date, in an amount equal to 0.25% of the outstanding principal amount of the Refinancing Tranche B Term Loans on the First Refinancing Facility Agreement Effective Date, with the unpaid balance being payable on the Refinancing Tranche B Term Maturity Date. Any optional prepayment by the Borrower of Refinancing Tranche B Term Loans shall be applied to reduce the subsequent scheduled repayments to be made pursuant to this Section as directed by the Borrower.

SECTION 2.11. Prepayment of Loans. (a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, without premium or penalty, subject to Section 2.11(h) below and Section 2.16.

(b) In the event and on each occasion that the Aggregate Revolving Exposure exceeds the Aggregate Revolving Commitment (including as a result of any revaluation of the Dollar Equivalent of any Loan or Letter of Credit pursuant to Section 1.09), the Borrower shall, within one Business Day, prepay its Revolving Borrowings (or, if no such Revolving Borrowings are outstanding, deposit cash collateral in an account with the Administrative Agent in accordance with Section 2.05(i)) in an aggregate amount equal to such excess.

---

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any Restricted Subsidiary in respect of any Prepayment Event (including by the Administrative Agent as loss payee in respect of any Prepayment Event described in clause (b) of the definition of the term “Prepayment Event”), the Borrower shall, within five Business Days after such Net Proceeds are received, prepay Term Borrowings in an aggregate amount equal to 100% of the amount of such Net Proceeds (or, if the Borrower or any of its Restricted Subsidiaries has incurred Indebtedness that is permitted under Section 6.01 that is secured, on an equal and ratable basis with the Term Loans, by a Lien on the Collateral permitted under Section 6.02, and such Indebtedness is required to be prepaid or redeemed with the Net Proceeds of any event described in clause (a) or (b) of the definition of the term “Prepayment Event”, then by such lesser percentage of such Net Proceeds such that such Indebtedness receives no greater than a ratable percentage of such Net Proceeds based upon the aggregate principal amount of the Term Loans and such Indebtedness then outstanding; provided that to the extent the holders of such other Indebtedness decline to have such Indebtedness prepaid or redeemed, the amount so declined shall promptly (and in any event within five Business Days after the date of such rejection) be applied to prepay Term Borrowings in accordance with the terms hereof) (such Net Proceeds amount, as reduced in accordance with the proviso to this paragraph (c), the “Net Proceeds Prepayment Amount”); provided that, in the case of any event described in clause (b) (or clause (a), solely with respect to any such event occurring (i) prior to the Fifth Amendment Effective Date, (ii) during the Fifth Amendment Period, with respect to Net Proceeds not to exceed \$50,000,000 in the aggregate or (iii) following the Fifth Amendment Period Termination Date, with respect to Net Proceeds in an amount not to exceed 50% of the aggregate Net Proceeds in respect of such event) of the definition of the term “Prepayment Event” and so long as no Event of Default under Section 7.01(a), 7.01(b) or, solely with respect to the Borrower, Section 7.01(h) or 7.01(i) has occurred and be continuing if the Borrower shall, on or prior to the date of the required prepayment, deliver to the Administrative Agent a certificate of a Financial Officer to the effect that the Borrower intends to cause the Net Proceeds from such event (or a portion thereof specified in such certificate) to be applied within 365 days after receipt of such Net Proceeds to be reinvested in the business of the Borrower or its Restricted Subsidiaries, or to enter into an acquisition permitted by this Agreement, then no prepayment shall be required pursuant to this paragraph in respect of the Net Proceeds in respect of such event (or the portion of such Net Proceeds specified in such certificate, if applicable) except to the extent of any such Net Proceeds that have not been so applied by the end of such 365-day period (or within a period of 180 days thereafter if by the end of such initial 365-day period the Borrower or one or more Restricted Subsidiaries shall have committed to invest such proceeds), at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so applied.

(d) Following the end of each fiscal year of the Borrower, commencing with the fiscal year ending December 31, 2020, the Borrower shall prepay Term Borrowings in an aggregate amount equal to the Specified ECF Percentage of Excess Cash Flow for such fiscal year (such amount, as reduced in accordance with the provisos to this paragraph (d), the “ECF Sweep Amount”); provided that such amount shall be reduced by the aggregate amount of prepayments of Term Borrowings and Revolving Borrowings (but only to the extent accompanied by a permanent reduction of the corresponding Commitment) made pursuant to paragraph (a) of this Section and the aggregate amount of voluntary prepayments or repurchases of other Indebtedness secured by the Collateral on a pari passu basis to the Liens on the Collateral securing the Obligations, in each case, during such fiscal year (and, at the Borrower’s option (and without deducting such amounts against the subsequent fiscal year’s prepayment computation pursuant to this paragraph (d)), after the end of such fiscal year but prior to the date on which the prepayment pursuant to this Section for such fiscal year is required to have been made); provided further that, in the case of any Term Loan (or other relevant Indebtedness) prepaid in connection with the purchase thereof by a Purchasing Borrower Party pursuant to Section 9.04(e) at a discount to par (or the below-par purchase or prepayment of any other relevant Indebtedness), the prepayment required pursuant to this Section shall be reduced, with respect to the prepayment of such Term Loan (or other Indebtedness), only by the actual amount of cash paid to the applicable Lender or Lenders (or other lender(s) or holder(s)) in connection with such purchase. Each prepayment pursuant to this paragraph shall be made on or before the date on which financial statements are delivered pursuant to Section 5.01(a) with respect to the fiscal year for which Excess Cash Flow is being calculated (and in any event not later than the last day on which such financial statements may be delivered in compliance with such Section).

---

(e) Notwithstanding any other provisions of Section 2.11(c) or (d), (A) to the extent that any of or all the Net Proceeds of any Prepayment Event by or Excess Cash Flow of a Foreign Subsidiary of the Borrower giving rise to a prepayment pursuant to Section 2.11(c) or (d) (a “Foreign Prepayment Event”) are prohibited or delayed by applicable local law from being repatriated to the Borrower, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or (d), as the case may be, and such amounts may be retained by such Subsidiary, and once the Borrower has determined in good faith that such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable local law, then the amount of such Net Proceeds or Excess Cash Flow will be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved if such amounts were repatriated) to the repayment of the Term Loans pursuant to Section 2.11(c) or (d), as applicable, (B) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would have a material adverse tax or cost consequence with respect to such Net Proceeds or Excess Cash Flow, the amount of Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by such Subsidiary; provided that when the Borrower determines in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would no longer have a material adverse tax consequence with respect to such Net Proceeds or Excess Cash Flow, such Net Proceeds or Excess Cash Flow shall be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved against if such amounts were repatriated) to the repayment of the Term Loans pursuant to Section 2.11(c) or Section 2.11(d), as applicable, and (C) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would give rise to a risk of liability for the directors of such Subsidiary, the Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by such Subsidiary; provided that when the Borrower determines in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event would no longer give rise to liability for the directors of such Subsidiary, such Net Proceeds shall be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved against if such amounts were repatriated) to the repayment of the Term Loans pursuant to Section 2.11(c) or (d), as applicable.

(f) Prior to any optional prepayment of Borrowings under this Section, the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment delivered pursuant to paragraph (g) of this Section. In the event of any mandatory prepayment of Term Borrowings made at a time when Term Borrowings of more than one Class remain outstanding, the aggregate amount of such prepayment shall be allocated among the Term Borrowings of each such Class (including the Incremental Tranche B Term Loans and the Refinancing Tranche B Term Loans and, to the extent provided in the Incremental Facility Amendment or Refinancing Facility Agreement for any Class of other Incremental Term Loans or Refinancing Term Loans, respectively, the Borrowings of such Class) pro rata based on the aggregate principal amount of outstanding Borrowings of each such Class; provided that any Term Lender (including each Incremental Tranche B Term Lender and Refinancing Tranche B Term Lender and, to the extent provided in the Incremental Facility Amendment or Refinancing Facility Agreement for any Class of other Incremental Term Loans or Refinancing Term Loans, any Lender that holds Term Loans of such Class) may elect, by notice to the Administrative Agent in writing (via hand delivery, facsimile or other electronic imaging) at least one Business Day prior to the required prepayment date, to decline all or any portion of any prepayment of its Loans pursuant to this Section (other than (x) an optional prepayment pursuant to paragraph (a) of this Section or (y) a mandatory prepayment triggered by an event described in clause (c) of the definition of the term “Prepayment Event”, neither of which may be declined), in which case the aggregate amount of the prepayment that would have been applied to prepay such Loans may be retained by the Borrower.

---

(g) The Borrower shall notify the Administrative Agent in writing (via hand delivery, facsimile or other electronic imaging) of any optional prepayment and, to the extent practicable, any mandatory prepayment hereunder (i) in the case of a prepayment of a Term Benchmark Borrowing, not later than 1:00 p.m., Local Time, three Business Days before the date of prepayment, (ii) in the case of a prepayment of an ABR Borrowing, not later than 1:00 p.m., New York City time, one Business Day before the date of prepayment and (iii) in the case of an RFR Borrowing denominated in Sterling, not later than 11:00 a.m., New York City time, five Business Days before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that (A) if a notice of optional prepayment is given in connection with a conditional notice of termination of the Revolving Commitments as contemplated by Section 2.08, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.08 and (B) a notice of prepayment of Term Borrowings pursuant to paragraph (a) of this Section may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the applicable Class of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13.

(h) In the event that, on or prior to the date that is six months after the First Refinancing Facility Agreement Effective Date, the Borrower (A) prepays, repays, refinances, substitutes or replaces any Refinancing Tranche B Term Loans in connection with a Repricing Transaction (including, for the avoidance of doubt, any prepayment made as a result of a Prepayment Event described in clause (c) thereof that constitutes a Repricing Transaction) or (B) effects any amendment, modification or waiver of, or consent under, this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each applicable Refinancing Tranche B Term Lender, (I) in the case of clause (A), a premium of 1.00% of the aggregate principal amount of the Refinancing Tranche B Term Loans so prepaid, repaid, refinanced, substituted or replaced and (II) in the case of clause (B), a fee equal to 1.00% of the aggregate principal amount of the Refinancing Tranche B Term Loans that are the subject of such Repricing Transaction outstanding immediately prior to such amendment. If, on or prior to the date that is six months after the First Refinancing Facility Agreement Effective Date, all or any portion of the Refinancing Tranche B Term Loans held by any Refinancing Tranche B Term Lender are prepaid, repaid, refinanced, substituted or replaced pursuant to Section 2.19 as a result of, or in connection with, such Refinancing Tranche B Term Lender not agreeing or otherwise consenting to any waiver, consent, modification or amendment in connection with a Repricing Transaction, such prepayment, repayment, refinancing, substitution or replacement will be made at 101% of the principal amount so prepaid, repaid, refinanced, substituted or replaced. All such amounts shall be due and payable on the date of effectiveness of such Repricing Transaction in Dollars and in immediately available funds.

SECTION 2.12. Fees. (a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender (other than a Defaulting Lender) in accordance with its Pro Rata Share of the Aggregate Revolving Commitments for the period from and including the Closing Date to but excluding the date on which the Revolving Commitments terminate (or are otherwise reduced to zero), a commitment fee which shall accrue at the Applicable Rate on the average daily unfunded amount of the aggregate Revolving Commitment of such Revolving Lender. Such accrued commitment fees accrued through and including the last day of March, June, September and December of each year shall be payable in arrears on the fifteenth day following such last day and on the date on which all the Revolving Commitments terminate, commencing on the first such date to occur after the Closing Date. For purposes of computing commitment fees, a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender.

(b) The Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Rate then used to determine the interest rate applicable to Term Benchmark Revolving Loans on the average daily amount of such Lender's aggregate LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date on which all of such Lender's Revolving Commitments terminate and the date on which such Lender ceases to have any LC Exposure and (ii) to each Issuing Bank a fronting fee, which shall accrue at a rate per annum equal to 0.125% on the average daily amount of the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date of termination of all the Revolving Commitments and the date on which there ceases to be any such LC Exposure, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the fifteenth day following such last day, commencing on the first such date to occur after the Closing Date; provided that all such fees shall be payable on the date on which all the Revolving Commitments terminate and any such fees accruing after the date on which all the Revolving Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand.

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(d) The Borrower agrees to pay to the Arrangers and the Administrative Agent, for the account of each applicable Arranger and Lender, such other fees as shall have been separately agreed upon in writing (including pursuant to the Fee Letter and including upfront fees, which may be in the form of original issues discounts to the Loans) in the amounts and at the times so specified.

(e) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to the applicable Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Revolving Lenders entitled thereto. Fees paid hereunder shall not be refundable under any circumstances.

---

(f) All commitment fees, participation fees, fronting fees and other fees payable pursuant to this Section and all interest shall be computed on the basis of a year of 360 days, except that (i) interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate and (ii) interest computed for any Borrowing denominated in Sterling shall, in each case, be computed on the basis of a year of 365 days (or 366 days in a leap year), and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

SECTION 2.13. Interest. (a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Term Benchmark Borrowing shall bear interest at the Adjusted Term SOFR Rate or the EURIBO Rate, as applicable, for the Interest Period in effect for such Borrowing plus the Applicable Rate. The Loans comprising each RFR Borrowing shall bear interest at a rate per annum equal to the Adjusted Daily Simple RFR plus the Applicable Rate.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, and an Event of Default under Section 7.01(a), (b), (h) or (i) shall have occurred and be continuing, such overdue amount shall bear interest, on and from such date, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other overdue amount, 2.00% per annum plus the rate applicable to ABR Revolving Loans as provided in paragraph (a) of this Section. Payment or acceptance of the increased rates of interest provided for in this paragraph (c) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent, any Issuing Bank or any Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of a Revolving Loan of any Class, upon termination of the Revolving Commitments of such Class; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of a Term Benchmark Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

#### SECTION 2.14. Alternate Rate of Interest.

(a) Subject to clauses (b), (c), (d), (e), (f) and (g) of this Section 2.14, if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing of any Class that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate or the EURIBO Rate, as the case may be, for such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the Adjusted Daily Simple RFR; provided that no Benchmark Transition Event shall have occurred at such time; or

---

(ii) the Administrative Agent is advised by a Majority in Interest of the Lenders of any Class (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing of such Class that the Adjusted Term SOFR Rate or the EURIBO Rate, as the case may be, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period or (B) at any time, the Adjusted Daily Simple RFR will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders of such Class by telephone, facsimile or other electronic imaging as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders of such Class that the circumstances giving rise to such notice no longer exist, (i) in the case of Borrowings denominated in Dollars, (A) any Interest Election Request that requests the conversion of any Borrowing of such Class to, or continuation of any Borrowing of such Class as, a Term Benchmark Borrowing shall be ineffective, and such Borrowing shall be continued as an ABR Borrowing and (B) any Borrowing Request for a Term Benchmark Borrowing of such Class shall be made as a request for an ABR Borrowing, (ii) in the case of Borrowings denominated in Euros, until the Administrative Agent notifies such Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) if such Term Benchmark Loan is denominated in Dollars, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent to, and shall constitute, an ABR Loan denominated in Dollars on such day and (ii) if such Term Benchmark Loan is denominated in any Permitted Foreign Currency, then such Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), at the Borrower's election prior to such day: (A) be prepaid by the Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Permitted Foreign Currency other than Dollars shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and (iii) in the case of RFR Loans denominated in Sterling, such Loans shall, at the Borrower's election, either (A) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent thereof) immediately or (B) be prepaid in full immediately.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m., New York City time, on the fifth Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders of each Class.

---

(c) Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, with respect to a Loan denominated in Euros, if a Term ESTR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; provided that, this clause (c) shall not be effective unless the Administrative Agent has delivered to the Lenders and the Borrower a Term ESTR Notice. For the avoidance of doubt, the Administrative Agent shall not be required to deliver any Term ESTR Notice after the occurrence of a Term ESTR Transition Event, and may do so in its sole discretion.

(d) In connection with the implementation of a Benchmark Replacement, the Administrative Agent and the Borrower will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(e) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section.

(f) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate or Term ESTR) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

---

(g) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Term Benchmark Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, either (x) the Borrower will be deemed to have converted any request for a Term Benchmark Borrowing denominated in dollars into a request for a Borrowing of or conversion to ABR Loans or (y) any Term Benchmark Borrowing or RFR Borrowing denominated in a Permitted Foreign Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR. Furthermore, if any Term Benchmark Loan or RFR Loan in any Permitted Foreign Currency is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement for such Permitted Foreign Currency is implemented pursuant to this Section 2.14, (i) if such Loan is denominated in Dollars, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent to, and shall constitute, an ABR Loan denominated in Dollars on such day or (ii) if such Loan is denominated in any Permitted Foreign Currency, then (x) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), at the Borrower's election prior to such day: (A) be prepaid by the Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Loan, such Loan denominated in any Permitted Foreign Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and (y) any RFR Loan shall bear interest at the Central Bank Rate plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate cannot be determined, any outstanding affected RFR Loans, at the Borrower's election, shall either (A) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Permitted Foreign Currency) immediately or (B) be prepaid in full immediately.

SECTION 2.15. Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank or the applicable interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

---

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, such Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Lender, such Issuing Bank or such other Recipient hereunder (whether of principal, interest or otherwise), then, from time to time upon request of such Lender, such Issuing Bank or such other Recipient, the Borrower will pay to such Lender, such Issuing Bank or such other Recipient, as applicable, such additional amount or amounts as will compensate such Lender, such Issuing Bank or such other Recipient, as applicable, for such additional costs or expenses incurred or reduction suffered.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has had or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy), then, from time to time upon the request of such Lender or such Issuing Bank, the Borrower will pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section and the calculation thereof shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as applicable, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or expenses incurred or reductions suffered more than 180 days prior to the date that such Lender or such Issuing Bank, as applicable, notifies the Borrower of the Change in Law giving rise to such increased costs or expenses or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or expenses or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Notwithstanding any other provision of this Section, no Lender or Issuing Bank shall demand compensation for any increased cost or reduction pursuant to this Section if (i) it shall not at the time be the general policy or practice of such Lender or Issuing Bank to demand such compensation in similar circumstances under comparable provisions of other credit agreements and (ii) such increased cost or reduction is due to market disruption, unless such circumstances generally affect the banking market and when the Required Lenders have made such a request.

SECTION 2.16. Break Funding Payments. (a) In the event of (i) the payment of any principal of any Term Benchmark Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (ii) the conversion of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto, (iii) the failure to borrow, convert, continue or prepay any Term Benchmark Loan on the date specified in any notice delivered pursuant hereto (whether or not such notice may be revoked in accordance with the terms hereof) or (iv) the assignment of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19(b) or 9.02(c), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event (excluding loss of profit). A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section and the reasons therefor, and showing the calculation thereof, shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof. Notwithstanding the foregoing, this Section will not apply to losses, costs or expenses resulting from Taxes.

(b) With respect to RFR Loans, in the event of (i) the payment of any principal of any RFR Loan other than on the Interest Payment Date applicable thereto (including as a result of an Event of Default), (ii) the failure to borrow or prepay any RFR Loan on the date specified in any notice delivered pursuant hereto hereto (whether or not such notice may be revoked in accordance with the terms hereof), (iii) the assignment of any RFR Loan other than on the Interest Payment Date applicable thereto as a result of a request by the Borrower pursuant to Section 2.19(b) or 9.02(c), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section and the reasons therefor, and showing the calculation thereof, shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof. Notwithstanding the foregoing, this Section will not apply to losses, costs or expenses resulting from Taxes.

SECTION 2.17. Taxes. (a) Payment Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under this Agreement or any other Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

---

(d) Indemnification by the Loan Parties. The Loan Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case that are payable or paid by the Administrative Agent in connection with this Agreement or any other Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document or otherwise payable by the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from, or reduction of, withholding Tax with respect to payments made under this Agreement or any other Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), 2.17(f)(ii)(B) or 2.17(f)(ii)(D)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

---

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under this Agreement or any other Loan Document, executed originals of IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under this Agreement or any other Loan Document, IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10-percent shareholder” of the Borrower within the meaning of Section 871(h)(3)(B) of the Code or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN or Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 or Exhibit J-3, IRS Form W-9 and/or another certification document from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-4 on behalf of each such direct or indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from, or a reduction in, U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

---

(D) if a payment made to a Lender under this Agreement or any other Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Closing Date.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts paid pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph, in no event will any indemnified party be required to pay any amount to any indemnifying party pursuant to this paragraph the payment of which would place such indemnified party in a less favorable net after-Tax position than such indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Loan Documents.

---

(i) For purposes of this Section, the term “Lender” includes any Issuing Bank and the term “applicable law” includes FATCA.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Setoffs. (a) Except to the extent otherwise provided herein, the Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 1:00 p.m., New York City time), on the date when due, in immediately available funds, without any defense, setoff, recoupment or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to such account or accounts as may be specified by the Administrative Agent, except that payments required to be made directly to any Issuing Bank shall be so made, payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payment received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under this Agreement or any other Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder of principal or interest in respect of any Loan or LC Disbursement shall, except as otherwise expressly provided herein, be made in the currency of such Loan or LC Disbursement; all other payments hereunder and under each other Loan Document shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans, Term Loans or participations in LC Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans, Term Loans and participations in LC Disbursements and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall notify the Administrative Agent of such fact and shall purchase (for cash at face value) participations in the Revolving Loans, Term Loans and participations in LC Disbursements of other Lenders to the extent necessary so that the aggregate amount of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans, Term Loans and participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any Eligible Assignee, to the Borrower or any Subsidiary or other Affiliate thereof in a transaction that complies with the terms of Section 9.04(e) or (f), as applicable. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

---

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders or the Issuing Banks, as applicable, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Banks, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(d) or (e), 2.06(a) or (b), 2.17(e), 2.18(d) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations in respect of such payment until all such unsatisfied obligations have been discharged and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.15, or if any Loan Party is required to pay any Indemnified Taxes or additional amounts to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event, or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agree to pay all reasonable and documented assignment fees in connection with any such designation or assignment and delegation.

---

(b) If (i) any Lender has requested compensation under Section 2.15, (ii) a Loan Party is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) any Lender has become a Defaulting Lender or (iv) any Lender has become a Declining Lender under Section 2.22, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and the other Loan Documents (or, in the case of any such assignment and delegation resulting from a Lender having become a Declining Lender, all its interests, rights and obligations under this Agreement and the other Loan Documents as a Lender of the applicable Class with respect to which such Lender is a Declining Lender) to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation); provided that (A) the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and, if a Revolving Commitment is being assigned, each Issuing Bank), which consent shall not unreasonably be withheld or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and unreimbursed participations in LC Disbursements, accrued interest thereon, accrued but unpaid fees and all other amounts payable to it hereunder (including, if applicable, the prepayment fee pursuant to Section 2.11(h) (with such assignment being deemed to be an optional prepayment for purposes of determining the applicability of such Section)) (if applicable, in each case only to the extent such amounts relate to its interest as a Lender of a particular Class) from the assignee (in the case of such principal and accrued interest and fees (other than any fee payable pursuant to Section 2.11(h)) or the Borrower (in the case of all other amounts (including any fee payable pursuant to Section 2.11(h))), (C) the Borrower or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b), (D) in the case of any such assignment and delegation resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a material reduction in such compensation or payments and (E) such assignment and delegation does not conflict with applicable law. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver or consent by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the Borrower to require such assignment and delegation have ceased to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

SECTION 2.20. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) commitment fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) the Commitments, Loans and Revolving Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders or any other requisite Lenders have taken or may take any action hereunder or under any other Loan Document (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided that any amendment, waiver or other modification requiring the consent of all Lenders or all Lenders adversely affected thereby shall, except as otherwise provided in Section 9.02, require the consent of such Defaulting Lender in accordance with the terms hereof;

(c) if any LC Exposure exists at the time a Revolving Lender becomes a Defaulting Lender, then:

(i) [reserved];

---

(ii) all or any part of the LC Exposure (other than any portion thereof attributable to unreimbursed LC Disbursements with respect to which such Defaulting Lender shall have funded its participation as contemplated by Sections 2.05(e) and 2.05(f)) of such Defaulting Lender shall be reallocated among the non-Defaulting Revolver Lenders in accordance with their respective Applicable Percentages but only to the extent that (x) the sum of all non-Defaulting Revolving Lenders' Revolving Exposures plus such Defaulting Lender's LC Exposure does not exceed the sum of all non-Defaulting Revolving Lenders' Revolving Commitments and (y) such reallocation does not cause the aggregate Revolving Exposure of any non-Defaulting Lender to exceed such non-Defaulting Lender's Revolving Commitment; provided that, subject to Section 9.18, no reallocation under this clause (ii) shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a non-Defaulting Lender as a result of such non-Defaulting Lender's increased exposure following such reallocation;

(iii) if the reallocation described in clause (ii) above cannot, or can only partially, be effected, the Borrower shall within one Business Day following notice by the Administrative Agent cash collateralize for the benefit of the Issuing Banks the portion of such Defaulting Lender's LC Exposure that has not been reallocated in accordance with the procedures set forth in Section 2.05(i) for so long as such LC Exposure is outstanding;

(iv) if any portion of such Defaulting Lender's LC Exposure is cash collateralized pursuant to clause (iii) above, the Borrower shall not be required to pay participation fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such portion of such Defaulting Lender's LC Exposure for so long as such Defaulting Lender's LC Exposure is cash collateralized;

(v) if any portion of the LC Exposure of such Defaulting Lender is reallocated pursuant to clause (ii) above, then the fees payable to the Lenders pursuant to Sections 2.12(a) and 2.12(b) shall be adjusted to give effect to such reallocation;

(vi) [reserved]; and

(vii) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (ii) or (iii) above, then, without prejudice to any rights or remedies of any Issuing Bank or any other Lender hereunder, all participation fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Banks (and allocated among them ratably based on the amount of such Defaulting Lender's LC Exposure attributable to Letters of Credit issued by each Issuing Bank) until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(d) so long as such Revolving Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, amend, renew or extend any Letter of Credit unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be fully covered by the Revolving Commitments of the non-Defaulting Revolving Lenders and/or cash collateral provided by the Borrower in accordance with Section 2.20(c), and participating interests in any such issued, amended, renewed or extended Letter of Credit will be allocated among the non-Defaulting Revolving Lenders in a manner consistent with Section 2.20(c)(ii) (and such Defaulting Lender shall not participate therein).

---

In the event that (i) a Bankruptcy Event with respect to a Revolving Lender Parent shall occur following the Closing Date and for so long as such Bankruptcy Event shall continue or (ii) any applicable Issuing Bank has a good faith belief that any Revolving Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, such Issuing Bank shall not be required to issue, amend, renew or extend any Letter of Credit, unless such Issuing Bank shall have entered into arrangements with the Borrower or the applicable Revolving Lender, satisfactory to such Issuing Bank to defease any risk to it in respect of such Lender hereunder.

In the event that the Administrative Agent, the Borrower and each applicable Issuing Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused the applicable Revolving Lender to be a Defaulting Lender, then the LC Exposure of the Revolving Lenders shall be readjusted to reflect the inclusion of such Revolving Lender's Revolving Commitment and on such date such Revolving Lender shall purchase at par such of the Revolving Loans of the applicable Class of the other Revolving Lenders of such Class as the Administrative Agent shall determine may be necessary in order for such Revolving Lender to hold such Revolving Loans of such Class in accordance with its Applicable Percentage; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while such Revolving Lender was a Defaulting Lender; provided further that, except as otherwise expressly agreed by the affected parties, no change hereunder from a Defaulting Lender to a non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Revolving Lender's having been a Defaulting Lender.

---

SECTION 2.21. Incremental Extensions of Credit. (a) At any time and from time to time, commencing on the Closing Date and ending on the latest Maturity Date, subject to the terms and conditions set forth herein, the Borrower may, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders), request (i) to add one or more additional tranches of term loans denominated in Dollars (the “Incremental Term Loans”), (ii) one or more increases in the aggregate amount of any Class of Term Loans (each such increase, a “Incremental Term Loan Increase”), (iii) to add one or more additional tranches of revolving commitments (each, an “Incremental Revolving Commitment”, and the loans made pursuant thereto, the “Incremental Revolving Loans”), (iv) solely during the Revolving Availability Period, one or more increases in the aggregate amount of the Revolving Commitments (each such increase, a “Revolving Commitment Increase” and, together with the Incremental Term Loans, any Incremental Term Loan Increase, any Alternative Incremental Facility Debt and the Incremental Revolving Commitments, the “Incremental Extensions of Credit”, the Incremental Revolving Commitments and the Incremental Revolving Loans, together with the Incremental Term Loans, any Revolving Commitment Increase and any Incremental Term Loan Increase, the “Incremental Facilities”)) or (v) Alternative Incremental Facility Debt, in an aggregate principal amount of up to (i) the sum of (x) the greater of \$300,000,000 and 75.0% of Consolidated EBITDA for the four consecutive fiscal quarters of the Borrower most recently ended on such date for which financial statements have been delivered pursuant to Section 5.01(a) or (b), plus (y) the amount of any voluntary prepayments of the Term Loans and any Alternative Incremental Facility Debt and permanent reductions in the amount of the Revolving Commitments, in each case, to the extent not funded with long-term Indebtedness (the sum of (x) and (y), the “Incremental Dollar Basket”), plus (ii) an additional amount if, after giving effect to the incurrence of such additional amount and the application of the proceeds therefrom (assuming that the full amount of such Incremental Extensions of Credit being established on such date has been funded on such date), the First Lien Leverage Ratio is equal to or less than 2.50 to 1.00 (or, following the Fifth Amendment Period Termination Date, 2.75 to 1.00) (assuming any such Incremental Revolving Commitments being established on such date are fully drawn and excluding any amounts incurred concurrently in reliance on the Incremental Dollar Basket) (it being understood that if the proceeds of the relevant Incremental Extensions of Credit will be applied to finance a Limited Condition Transaction and the Borrower has made an LCT Election, compliance with the First Lien Leverage Ratio test prescribed above may be determined as of the LCT Test Date in respect of such Limited Condition Transaction on a Pro Forma Basis) (the “Incremental Ratio Basket”); provided that, at the time of each such request and upon the effectiveness of each Incremental Facility Amendment, (A) no Event of Default has occurred and is continuing or shall result therefrom (or, in the event the proceeds of any Incremental Extension of Credit are used to finance any Limited Condition Transaction permitted hereunder for which the Borrower has made an LCT Election, no Event of Default shall exist and be continuing as of the LCT Test Date for such Limited Condition Transaction), (B) the representations and warranties of the Borrower and each other Loan Party, as applicable, set forth in the Loan Documents would be true and correct in all material respects (or, in the case of representations and warranties qualified as to materiality or Material Adverse Effect, in all respects) on and as of the date of, and immediately after giving effect to, the incurrence of such Incremental Extension of Credit (or, if incurred in connection with a Limited Condition Transaction, on the LCT Test Date) (provided that in the event the proceeds of any Incremental Extension of Credit are used to finance any Investment permitted hereunder, such condition precedent related to the making and accuracy of such representations and warranties may be waived or limited as agreed between the Borrower and the Lenders providing such Incremental Extension of Credit, without the consent of any other Lenders) and (C) the Borrower shall have delivered a certificate of a Financial Officer to the effect set forth in clauses (A) and (B) above; provided, further that in the event that the Borrower incurs any Incremental Facility or Alternative Incremental Facility Debt in reliance on clause (x) of the Incremental Dollar Basket for the purpose of refinancing all or any portion of the Borrower’s 4.625% Notes due 2024 (the “2024 Notes”), the Borrower shall, within five Business Days of the incurrence of such Indebtedness, apply any Net Proceeds thereof not so applied to the refinancing of the 2024 Notes (including principal, accrued interest and any make-whole premium payable in respect thereof) to the prepayment of Tranche A Term Loans pursuant to Section 2.11(a) (it being agreed that such prepayment shall not reduce the amount of any amortization payments in respect of the Tranche A Term Loans pursuant to Section 2.10). Each Class of Incremental Term Loans and Incremental Revolving Commitments, and each Revolving Commitment Increase, shall be in an integral multiple of the \$5,000,000 and be in an aggregate principal amount that is not less than \$25,000,000; provided that such amount may be less than \$25,000,000 if such amount represents all the remaining availability under the aggregate principal amount of Incremental Extensions of Credit set forth above.

---

(b) The Incremental Facilities (i) shall be documented pursuant to an Incremental Facility Amendment and rank pari passu in right of payment in respect of the Collateral and with the Obligations in respect of the Revolving Commitments and the Initial Term Loans, (ii) shall not have a borrower other than the Borrower, (iii) shall not be secured by any property or assets of the Borrower or any Restricted Subsidiary other than the Collateral or guaranteed by any Subsidiaries other than the Loan Parties and (iv) shall, except as otherwise set forth herein, be on terms and subject to conditions as agreed between the Borrower and the Lenders providing the applicable Incremental Extension of Credit and to the extent such terms (other than with respect to maturity, amortization and pricing) are inconsistent with those governing the other Loans hereunder, the covenants and events of default of any Incremental Facility shall be, when taken as a whole, no more favorable to the Lenders providing the applicable Incremental Facility than the terms governing the Loans hereunder (as determined in good faith by the Borrower), unless (1) the Lenders receive the benefit of such more restrictive terms (it being understood to the extent that any covenant is added for the benefit of any Incremental Facility, no consent shall be required from the Administrative Agent or any Lender to the extent that such covenant is also added for the benefit of the Lenders), (2) such more restrictive terms only apply after the Latest Maturity Date or (3) such terms shall be reasonably satisfactory to the Administrative Agent and the Borrower; provided, further, that (A) any Incremental Tranche A Term Loan shall not have (1) a final maturity date earlier than the Tranche A Term Maturity Date (but may have “springing maturity” provisions that are not more favorable to the lenders than those contained in this Agreement with respect to the Tranche A Term Loans) or (2) a weighted average life to maturity that is shorter than the remaining weighted average life to maturity of the then-remaining Tranche A Term Loans; provided that the requirements set forth in the foregoing clause (A) shall not apply to any Indebtedness consisting of a customary bridge facility so long as such bridge facility converts into long-term Indebtedness that satisfies this clause (A); (B) any Incremental Tranche B Term Loan shall not have (1) a final maturity date earlier than the Maturity Date for any then outstanding Term Loans (but may have “springing maturity” provisions that are not more favorable to the lenders than those contained in this Agreement with respect to the then outstanding Term Loans) or (2) a weighted average life to maturity that is shorter than the remaining weighted average life to maturity of the then-remaining Term Loans; provided that the requirements set forth in the foregoing clause (B) shall not apply to any Indebtedness consisting of a customary bridge facility so long as such bridge facility converts into long-term Indebtedness that satisfies this clause (B); (C) any Incremental Revolving Commitment or any Revolving Commitment Increase shall not have a maturity date that is earlier than the Revolving Maturity Date and shall not require any scheduled amortization or mandatory commitment reductions prior to the Revolving Maturity Date and (D) any Incremental Term Loan Increase shall be treated the same as the Class of Term Loans being increased (including with respect to maturity date thereof), shall be considered to be part of the Class of Term Loans being increased and shall be on the same terms applicable to such Term Loans. Notwithstanding anything to the contrary in this Agreement and for the avoidance of doubt, any Incremental Facility Amendment may contain “most favored lender” and call protection provisions and, in the case of any Incremental Facility Amendment documenting any Incremental Tranche B Term Loan, provisions then customary for loans of such Type. Notwithstanding the foregoing, if the all-in-yield applicable to any such Incremental Tranche B Term Loan determined as of the initial funding date for such Incremental Tranche B Term Loan is more than 0.50% higher than the corresponding all-in-yield applicable to the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans, then the interest rate margin for the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans, as the case may be, shall be increased by an amount equal to the difference between the all-in-yield with respect to such Incremental Tranche B Term Loan and the corresponding all-in-yield on the Incremental Tranche B Term Loans or Refinancing Tranche B Term Loans, as applicable, minus 0.50% (for purposes of such calculation and with respect to any such facility, (x) subject to clause (z) below, all-in yield shall be deemed to include all upfront fees and original issue discount (based on a four-year average life to maturity or, if less, the remaining life to maturity) payable to all lenders providing such facility, (y) if the Incremental Tranche B Term Loan includes an interest rate floor greater than the applicable interest rate floor with respect to the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans and such floor is greater than the Adjusted Term SOFR Rate for a 3-month Interest Period at such time, such excess amount (above the greater of such floor and such Adjusted Term SOFR Rate) shall be equated to the applicable interest rate margin for purposes of determining whether an increase to the interest rate margin under the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans shall be required, but only to the extent an increase in the interest rate floor in the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans, as applicable, would cause an increase in the interest rate then in effect thereunder, and in such case, the interest rate floor (but not the interest rate margin) applicable to the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans, as applicable, shall be increased to the extent of such excess and (z) all-in yield shall exclude structuring, advisory, success, underwriting, commitment, arrangement, ticking, amendment, consent and similar fees payable in connection therewith whether or not shared with all lenders providing such facility and any other fees not paid by the Borrower generally to all lenders providing such facility ratably or, if only one lender (or affiliated group of lenders) is providing such facility, are fees of the type not customarily shared with lenders generally).

(c) Any additional bank, financial institution, existing Lender or other Person that elects to extend Incremental Extensions of Credit (i) shall, to the extent a consent would be required under Section 9.04 if such additional bank, financial institution, existing Lender or other Person were taking an assignment of Loans or Commitments, be approved by the Borrower and the Administrative Agent (and, in the case of any Incremental Revolving Commitment or Revolving Commitment Increase, each applicable Issuing Bank) (such approval not be unreasonably withheld) (any such bank, financial institution, existing Lender or other Person being called an “Additional Lender”) and (ii) if not already a Lender, shall become a Lender under this Agreement pursuant to an amendment (an “Incremental Facility Amendment”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each such Additional Lender and the Administrative Agent. No Lender shall be obligated to provide any Incremental Extension of Credit unless it so agrees. Commitments in respect of any Incremental Extension of Credit shall become Commitments (or in the case of any Revolving Commitment Increase to be provided by an existing Revolving Lender, an increase in such Lender’s Revolving Commitment) under this Agreement upon the effectiveness of the applicable Incremental Facility Amendment. An Incremental Facility Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement or to any other Loan Document as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section (including to provide for voting provisions applicable to the Additional Lenders comparable to the provisions of clause (B) of the second proviso of Section 9.02(b)). To the extent required by the relevant Additional Lenders as set forth in the relevant Incremental Facility Amendment, the effectiveness of any Incremental Facility Amendment and the making of the initial Borrowings thereunder shall be subject to the satisfaction on the effective date thereof of each of the conditions set forth in clauses (a) and (b) of Section 4.02 (it being understood and agreed that all references to a Borrowing in clauses (a) and (b) of Section 4.02 shall be deemed to refer to the applicable Incremental Facility Amendment).

---

(d) On the date of effectiveness of any Revolving Commitment Increase, (i) the aggregate principal amount of the Revolving Loans outstanding (the “Existing Revolving Borrowings”) immediately prior to the effectiveness of such Revolving Commitment Increase shall be deemed to be repaid, (ii) each Revolving Commitment Increase Lender that shall have had a Revolving Commitment prior to the effectiveness of such Revolving Commitment Increase shall pay to the Administrative Agent in same day funds an amount equal to the amount, if any, by which (A) (1) such Revolving Commitment Increase Lender’s Applicable Percentage (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Resulting Revolving Borrowings (as hereinafter defined) exceeds (B) (1) such Revolving Commitment Increase Lender’s Applicable Percentage (calculated without giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Existing Revolving Borrowings, (iii) each Revolving Commitment Increase Lender that shall not have had a Revolving Commitment prior to the effectiveness of such Revolving Commitment Increase shall pay to the Administrative Agent in same day funds an amount equal to (1) such Revolving Commitment Increase Lender’s Applicable Percentage (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Resulting Revolving Borrowings, (iv) after the Administrative Agent receives the funds specified in clauses (ii) and (iii) above, the Administrative Agent shall pay to each Revolving Lender of the Applicable Class the portion of such funds that is equal to the amount, if any, by which (A) (1) such Revolving Lender’s Applicable Percentage (calculated without giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Existing Revolving Borrowings, exceeds (B) (1) such Revolving Lender’s Applicable Percentage (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Resulting Revolving Borrowings, (v) after the effectiveness of such Revolving Commitment Increase, the Borrower shall be deemed to have made new Revolving Borrowings (the “Resulting Revolving Borrowings”) in an aggregate principal amount equal to the aggregate principal amount of the Existing Revolving Borrowings and of the Types and for the Interest Periods specified in a Borrowing Request delivered to the Administrative Agent in accordance with Section 2.03 (and the Borrower shall deliver such Borrowing Request), (vi) each Revolving Lender of the Applicable Class shall be deemed to hold its Applicable Percentage of each Resulting Revolving Borrowing (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) and (vii) the Borrower shall pay each Revolving Lender any and all accrued but unpaid interest on its Loans comprising the Existing Revolving Borrowings. The deemed payments of the Existing Revolving Borrowings made pursuant to clause (i) above shall be subject to compensation by the Borrower pursuant to the provisions of Section 2.16 if the date of the effectiveness of such Revolving Commitment Increase occurs other than on the last day of the Interest Period relating thereto. Upon each Revolving Commitment Increase pursuant to this Section, each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Revolving Commitment Increase Lender, and each such Revolving Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Lender’s participations hereunder in outstanding Letters of Credit such that, after giving effect to such Revolving Commitment Increase and each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit held by each Revolving Lender (including each such Revolving Commitment Increase Lender) will equal such Revolving Lender’s Applicable Percentage.

(e) Notwithstanding anything to the contrary contained in this Section, unless the Administrative Agent shall agree otherwise, after giving effect to any transaction contemplated in this Section, there shall not be more than six Classes of Loans or Commitments (including any revolving and term loan facilities) hereunder at any one time outstanding.

(f) The Borrower may (i) incur Incremental Facilities under the Incremental Dollar Basket or the Incremental Ratio Basket in such order as it may elect in its sole discretion and shall be allowed to classify under which basket such Incremental Facilities are being incurred at the time of such Incurrence and (ii) later reclassify Indebtedness incurred under the Incremental Dollar Basket as incurred under the Incremental Ratio Basket, if at the time of such reclassification, the Borrower would have been permitted to incur such Indebtedness under the Incremental Ratio Basket.

## SECTION 2.22. Extension of Maturity Date.

(a) The Borrower may, by delivery of a Maturity Date Extension Request to the Administrative Agent (which shall promptly deliver a copy thereof to each of the Lenders) not less than 30 days prior to the then-existing Maturity Date for the applicable Class of Commitments and/or Loans hereunder to be extended (the “Existing Maturity Date”), request that the Lenders extend the Existing Maturity Date in accordance with this Section; provided that, for the avoidance of doubt, each Lender may elect to agree or not agree, in its sole discretion, to an extension of a Maturity Date. Each Maturity Date Extension Request shall (i) specify the applicable Class of Commitments and/or Loans hereunder to be extended, (ii) specify the date to which the applicable Maturity Date is sought to be extended, (iii) specify the changes, if any, to the Applicable Rate to be applied in determining the interest payable on the Loans of, and fees payable hereunder to, Consenting Lenders (as defined below) in respect of that portion of their Commitments and/or Loans extended to such new Maturity Date and the time as of which such changes will become effective (which may be prior to the Existing Maturity Date) and (iv) specify any other amendments or modifications to this Agreement to be effected in connection with such Maturity Date Extension Request; provided that no such changes or modifications requiring approvals pursuant to the provisos to Section 9.02(b) shall become effective prior to the Existing Maturity Date unless such other approvals have been obtained. In the event a Maturity Date Extension Request shall have been delivered by the Borrower, each Lender shall have the right to agree to the extension of the Existing Maturity Date and other matters contemplated thereby on the terms and subject to the conditions set forth therein (each Lender agreeing to the Maturity Date Extension Request being referred to herein as a “Consenting Lender” and each Lender not agreeing thereto being referred to herein as a “Declining Lender”), which right may be exercised by written notice thereof, specifying the maximum amount of the Commitment and/or Loans of such Lender with respect to which such Lender agrees to the extension of the Maturity Date, delivered to the Borrower (with a copy to the Administrative Agent) not later than a day to be agreed upon by the Borrower and the Administrative Agent following the date on which the Maturity Date Extension Request shall have been delivered by the Borrower (it being understood and agreed that any Lender that shall have failed to exercise such right as set forth above shall be deemed to be a Declining Lender). If a Lender elects to extend only a portion of its then existing Commitment and/or Loans, it will be deemed for purposes hereof to be a Consenting Lender in respect of such extended portion and a Declining Lender in respect of the remaining portion of its Commitment and/or Loans, and the aggregate principal amount of each Type and currency of Loans of the applicable Class of such Lender shall be allocated ratably among the extended and non-extended portions of the Loans of such Lender based on the aggregate principal amount of such Loans so extended and not extended. If Consenting Lenders shall have agreed to such Maturity Date Extension Request in respect of Commitments and/or Loans held by them, then, subject to paragraph (d) of this Section, on the date specified in the Maturity Date Extension Request as the effective date thereof (the “Extension Effective Date”), (i) the Existing Maturity Date of the applicable Commitments and/or Loans shall, as to the Consenting Lenders, be extended to such date as shall be specified therein, (ii) the terms and conditions of the applicable Commitments and/or Loans of the Consenting Lenders (including interest and fees (including Letter of Credit fees) payable in respect thereof) shall be modified as set forth in the Maturity Date Extension Request and (iii) such other modifications and amendments hereto specified in the Maturity Date Extension Request shall (subject to any required approvals (including those of the Required Lenders) having been obtained) become effective.

(b) Notwithstanding the foregoing, the Borrower shall have the right, in accordance with the provisions of Sections 2.19(b) and 9.04, at any time prior to the Existing Maturity Date, to replace a Declining Lender (for the avoidance of doubt, only in respect of that portion of such Lender’s Commitment and/or Loans subject to a Maturity Date Extension Request that it has not agreed to extend) with a Lender or other financial institution that will agree to such Maturity Date Extension Request, and any such replacement Lender shall for all purposes constitute a Consenting Lender in respect of the Commitment and/or Loans assigned to and assumed by it on and after the effective time of such replacement.

---

(c) If a Maturity Date Extension Request has become effective hereunder:

(i) solely in respect of a Maturity Date Extension Request that has become effective in respect of the Revolving Commitments, not later than the fifth Business Day prior to the Existing Maturity Date, the Borrower shall make prepayments of Revolving Loans and shall provide cash collateral in respect of Letters of Credit, in each case, in the manner set forth in Section 2.05(i), such that, after giving effect to such prepayments and such provision of cash collateral, the Aggregate Revolving Exposure as of such date will not exceed the aggregate Revolving Commitments of the Consenting Lenders extended pursuant to this Section (and the Borrower shall not be permitted thereafter to request any Revolving Loan or any issuance, amendment, renewal or extension of a Letter of Credit if, after giving effect thereto, the Aggregate Revolving Exposure would exceed the aggregate amount of the Revolving Commitments so extended);

(ii) solely in respect of a Maturity Date Extension Request that has become effective in respect of the Revolving Commitments, on the Existing Maturity Date, the Revolving Commitment of each Declining Lender shall, to the extent not assumed, assigned or transferred as provided in paragraph (b) of this Section, terminate, and the Borrower shall repay all the Revolving Loans made by each Declining Lender to the Borrower to the extent such Loans shall not have been so purchased, assigned and transferred, in each case together with accrued and unpaid interest and all fees and other amounts owing to such Declining Lender hereunder, it being understood and agreed that, subject to satisfaction of the conditions set forth in Section 4.02, such repayments may be funded with the proceeds of new Revolving Borrowings made simultaneously with such repayments by the Consenting Lenders, which such Revolving Borrowings shall be made ratably by the Consenting Lenders in accordance with their extended Revolving Commitments; and

(iii) solely in respect of a Maturity Date Extension Request that has become effective in respect of a Class of Term Loans, on the Existing Maturity Date, the Borrower shall repay all the Loans of such Class made by each Declining Lender to the Borrower, to the extent such Loans shall not have been so purchased, assigned and transferred, in each case together with accrued and unpaid interest and all fees and other amounts owing to such Declining Lender hereunder, it being understood and agreed that, subject to satisfaction of the conditions set forth in Section 4.02, such repayments may be funded with the proceeds of new Revolving Borrowings made simultaneously with such repayments by the Revolving Lenders.

(d) Notwithstanding the foregoing, no Maturity Date Extension Request shall become effective hereunder unless, on the Extension Effective Date, the conditions set forth in clauses (a) and (b) of Section 4.02 shall be satisfied (with all references in such Section to a Borrowing being deemed to be references to such Maturity Date Extension Request) and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Financial Officer of the Borrower.

---

(e) Notwithstanding any provision of this Agreement to the contrary, it is hereby agreed that no extension of an Existing Maturity Date in accordance with the express terms of this Section, or any amendment or modification of the terms and conditions of the Commitments and the Loans of the Consenting Lenders effected pursuant thereto, shall be deemed to (i) violate the last sentence of Section 2.08(c) or Section 2.18(b) or 2.18(c) or any other provision of this Agreement requiring the ratable reduction of Commitments or the ratable sharing of payments or (ii) require the consent of all Lenders or all affected Lenders under Section 9.02(b).

(f) The Borrower, the Administrative Agent and the Consenting Lenders may enter into an amendment to this Agreement to effect such modifications as may be necessary to reflect the terms of any Maturity Date Extension Request that has become effective in accordance with the provisions of this Section.

(g) Notwithstanding anything to the contrary contained in this Section, unless the Administrative Agent shall agree otherwise, after giving effect to any transaction contemplated in this Section, there shall not be more than six Classes of Loans or Commitments (including any revolving and term loan facilities) hereunder at any one time outstanding.

SECTION 6.14. Changes in Fiscal Periods. The Borrower will not make any change in fiscal year; provided, however, that the Borrower may, upon written notice to the Administrative Agent, change its fiscal year to any other fiscal year reasonably acceptable to the Administrative Agent, in which case the Borrower and the Administrative Agent will, and are hereby authorized by the Lenders, to make any adjustments to this Agreement that are necessary to reflect such change in fiscal year.

SECTION 6.15. Amendments to Indebtedness.

(a) Amend or otherwise modify any of the Existing Senior Notes Documents, if the effect of such amendment, modification, change or waiver would be adverse in any material respect to the Lenders without the consent of the Required Lenders.

(b) Amend or otherwise modify any document, agreement or instrument evidencing any Indebtedness that is subordinated in right of payment to the Obligations (excluding any subordinated obligations owing to the Borrower or any Subsidiary) other than amendments, modifications or changes that do not affect the subordination or payment provisions thereof (if any) in a manner adverse in any material respect to the Lenders.

(c) Amend or otherwise modify any of the First Lien Note Documents in a manner adverse in any material respect to the Lenders (as determined reasonably and in good faith by the Borrower) without the consent of the Required Lenders.

SECTION 6.16. Existing Senior Notes. Notwithstanding anything to the contrary in this Agreement, at any time, directly or indirectly, repay, prepay, exchange, refinance or defease any of the Existing Senior Notes or repurchase, redeem, retire or otherwise acquire any of the Existing Senior Notes other than (a) regularly scheduled payments of interest or fees due under the Existing Senior Notes Documents (as in effect on the date hereof), (b) with cash proceeds of issuances of other unsecured notes that constitute Refinancing Indebtedness with respect to the Existing Senior Notes or (c) with cash proceeds of Equity Interests (other than Disqualified Stock) issued by the Borrower, provided that (i) the Borrower may incur (x) Indebtedness that is secured by the Collateral on a *pari passu* basis with the Obligations to refinance the Senior Notes due 2027, so long as, after giving effect thereto, the First Lien Leverage Ratio does not exceed 2.50:1.00 (or, after the Covenant Termination Date, 2.75:1.00), or (y) Indebtedness that is secured by the Collateral on a junior basis to the Obligations to refinance the Senior Notes due 2027, so long as the Consolidated Secured Leverage Ratio does not exceed 3.75:1.00. Notwithstanding the foregoing, (A) the Borrower may purchase Senior Notes due 2027 at price not to exceed 80% (or 85%, to the extent the Consolidated Total Leverage Ratio is less than 2.50:1.00) of par in an aggregate amount not to exceed \$50,000,000, plus (x) to the extent the Consolidated Total Leverage Ratio is less than 3.00:1.00, 50% (or 100% to the extent the Consolidated Total Leverage Ratio is less than 2.50:1.00) of the amount available to be used under Section 6.08(a)(iv) at such time; provided that, to the extent used pursuant to this Section 6.16, such amount shall reduce the amount available under Section 6.08(a)(iv) and (B) the Borrower may repay or repurchase Senior Notes due 2027 using proceeds of Revolving Loans or cash, so long as the First Lien Leverage Ratio is less than or equal to 2.50:1.00 (or 2.75:1.00 following the Covenant Termination Date) on a Pro Forma Basis, provided that any cash so applied that is not from a borrowing under this Agreement shall be treated as an incurrence of a corresponding amount of Consolidated First Lien Debt.

---

SECTION 6.17. Material Assets. Notwithstanding anything in this Agreement to the contrary, the Borrower shall not, and shall not permit any of its Subsidiaries to (i) directly or indirectly transfer, by means of contribution, sale, assignment, lease or sublease, license or sublicense, or other disposition of any kind (including, for avoidance of doubt, as an Investment, Restricted Payment or asset sale), any (x) Material Intellectual Property of a Loan Party to any person other than a Loan Party, (y) Material Intellectual Property of a Subsidiary that is not a Loan Party other than to the Borrower or any other Subsidiary or (z) other assets of any Loan Party that are material to the business of the Borrower and its Subsidiaries, taken as a whole (“Other Material Business Assets”) to any Subsidiary that is not a Loan Party, except each case (a) non-exclusive licenses permitted pursuant to clause (v) of the definition of Permitted Encumbrances and the granting of Liens permitted by Section 6.02, in each case, for bona fide business purposes, and (b) for the avoidance of doubt, as part of the bona fide sale to a third party of the business that uses such IP Rights or Other Material Business Assets in a transaction permitted by Section 6.05 (so long as such IP Rights, if applicable, will not constitute Material Intellectual Property after giving effect to the disposition of such business).

## ARTICLE VIII

### The Administrative Agent

#### SECTION 8.01. Appointment and Other Matters.

(a) Each of the Lenders and the Issuing Banks hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors to serve as administrative agent and collateral agent under the Loan Documents and authorizes the Administrative Agent to take such actions and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than the United States of America, each of the Lenders and the Issuing Banks hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender's or such Issuing Bank's behalf. Without limiting the foregoing, each Lender and each Issuing Bank hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(b) In performing its functions and duties hereunder and under the other Loan Documents, the Administrative Agent is acting solely on behalf of the Lenders and the Issuing Banks (except in limited circumstances expressly provided for herein relating to the maintenance of the Register), and its duties are entirely mechanical and administrative in nature. Without limiting the generality of the foregoing:

---

(i) the Administrative Agent does not assume and shall not be deemed to have assumed any obligation or duty or any other relationship as the agent, fiduciary or trustee of or for any Lender, Issuing Bank or holder of any other obligation other than as expressly set forth herein and in the other Loan Documents, regardless of whether a Default or an Event of Default has occurred and is continuing (and it is understood and agreed that the use of the term “agent” (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and the transactions contemplated hereby;

(ii) where the Administrative Agent is required or deemed to act as a trustee in respect of any Collateral over which a security interest has been created pursuant to a Loan Document expressed to be governed by the laws of the United States of America, any State thereof or the District of Columbia, the obligations and liabilities of the Administrative Agent to the Secured Parties in its capacity as trustee shall be excluded to the fullest extent permitted by applicable law;

(iii) nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender or Issuing Bank for any sum or the profit element of any sum received by the Administrative Agent for its own account.

(c) The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender or an Issuing Bank as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent. The terms “Issuing Banks”, “Lenders”, “Required Lenders” and any similar terms shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity as a Lender, Issuing Bank or as one of the Required Lenders, as applicable. The Person serving as Administrative Agent and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders or the Issuing Banks.

(d) The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents); provided that the Administrative Agent shall not be required to take any action that (i) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification satisfactory to it from the Lenders and the Issuing Banks with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided, and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, any Subsidiary or any other Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity.

---

(e) The Administrative Agent may perform any of and all its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of and all their respective duties and exercise their respective rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

(f) In case of the pendency of any proceeding with respect to any Loan Party under any Federal, State or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any LC Disbursement shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim under Sections 2.12, 2.13, 2.15, 2.16, 2.17 and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender, each Issuing Bank and each other Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, the Issuing Banks or the other Secured Parties, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.03). Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to, or accept or adopt on behalf of any Lender or Issuing Bank, any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

---

(g) Notwithstanding anything herein to the contrary, neither the Arrangers nor any Person named on the cover page of this Agreement as a Syndication Agent or a Documentation Agent shall have any duties or obligations under this Agreement or any other Loan Document (except in its capacity, as applicable, as a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities provided for hereunder.

(h) The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrower's rights to consent pursuant to and subject to the conditions set forth in this Article, none of the Borrower or any Subsidiary shall have any rights as a third party beneficiary of any such provisions. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and the Guarantees of the Obligations provided under the Loan Documents, to have agreed to the provisions of this Article.

#### SECTION 8.02. Administrative Agent's Reliance, Indemnification, Etc.

(a) Neither the Administrative Agent nor any of its Related Parties shall be (i) liable for any action taken or omitted to be taken by it under or in connection with this Agreement or the other Loan Documents (x) with the consent of or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or (y) in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and nonappealable judgment) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by fax, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page) or for any failure of any Loan Party to perform its obligations hereunder or thereunder.

(b) The Administrative Agent shall be deemed not to have knowledge of any (i) notice of any of the events or circumstances set forth or described in Section 5.02 unless and until written notice thereof stating that it is a "notice under Section 5.02" in respect of this Agreement and identifying the specific clause under said Section is given to the Administrative Agent by the Borrower, or (ii) notice of any Default or Event of Default unless and until written notice thereof (stating that it is a "notice of default") is given to the Administrative Agent by the Borrower, a Lender or an Issuing Bank. Further, the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in this Agreement or any other Loan Document or the occurrence of any Default or Event of Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of this Agreement or any other Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in Article IV or elsewhere in this Agreement or any other Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent or (vi) the creation, perfection or priority of Liens on the Collateral. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable for, or be responsible for any loss, cost or expense suffered by the Borrower, any Subsidiary, any Lender or any Issuing Bank as a result of, any determination of the Revolving Exposure or the component amounts thereof or any portion thereof attributable to each Lender or Issuing Bank.

---

(c) Without limiting the foregoing, the Administrative Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 9.04, (ii) may rely on the Register to the extent set forth in Section 9.04(b), (iii) may consult with legal counsel (including counsel to the Borrower), independent public accountants and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts, (iv) makes no warranty or representation to any Lender or Issuing Bank and shall not be responsible to any Lender or Issuing Bank for any statements, warranties or representations made by or on behalf of any Loan Party in connection with this Agreement or any other Loan Document, (v) in determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit and (vi) shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent, certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

#### SECTION 8.03. Successor Administrative Agent.

(a) Subject to the terms of this paragraph, the Administrative Agent may resign from its capacity as such upon 30 days' notice of its intent to resign to the Lenders, the Issuing Banks and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower (which shall not be unreasonably withheld or delayed), to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed by the Borrower and such successor.

---

(b) Notwithstanding paragraph (a) of this Section, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders, the Issuing Banks and the Borrower, whereupon, on the date of effectiveness of such resignation stated in such notice, (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents; provided that, solely for purposes of maintaining any security interest granted to the Administrative Agent under any Security Document for the benefit of the Secured Parties, the retiring Administrative Agent shall continue to be vested with such security interest as collateral agent for the benefit of the Secured Parties and, in the case of any Collateral in the possession of the Administrative Agent, shall continue to hold such Collateral, in each case until such time as a successor Administrative Agent is appointed and accepts such appointment in accordance with this paragraph (it being understood and agreed that the retiring Administrative Agent shall have no duty or obligation to take any further action under any Security Document, including any action required to maintain the perfection of any such security interest), and (ii) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent; provided that (A) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person and (B) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall also directly be given or made to each Lender and each Issuing Bank. Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article and Section 9.03, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent and in respect of the matters referred to in the proviso under clause (i) above.

#### SECTION 8.04. Acknowledgements of Lenders and Issuing Banks.

(a) Each Lender and each Issuing Bank acknowledges that it is engaged in making, acquiring or holding commercial loans in the ordinary course of its business and that it has, independently and without reliance upon the Administrative Agent, any Arranger or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Borrower and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Closing Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, this Agreement and each other Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Closing Date.

---

(c) (i) Each Lender and Issuing Bank hereby agrees that (x) if the Administrative Agent notifies such Lender or Issuing Bank that the Administrative Agent has determined in its sole discretion that any funds received by such Lender or Issuing Bank from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a “Payment”) were erroneously transmitted to such Lender or Issuing Bank (whether or not known to such Lender or Issuing Bank), and demands the return of such Payment (or a portion thereof), such Lender or Issuing Bank shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender or Issuing Bank shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on “discharge for value” or any similar doctrine. A notice of the Administrative Agent to any Lender or Issuing Bank under this Section 8.04(c) shall be conclusive, absent manifest error.

(ii) Each Lender and Issuing Bank hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a “Payment Notice”) or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender and Issuing Bank agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender or Issuing Bank shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(iii) The Borrower and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party.

(iv) Each party’s obligations under this Section 8.04(c) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

---

SECTION 8.05. Collateral Matters.

(a) Except (x) with respect to the exercise of setoff rights of any Lender in accordance with Section 9.08 or (y) with respect to a Secured Party's right to file a proof of claim in an insolvency proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Secured Parties in accordance with the terms thereof.

(b) In furtherance of the foregoing and not in limitation thereof, no arrangements in respect of Cash Management Services the obligations under which constitute Secured Cash Management Obligations and no Hedging Agreement the obligations under which constitute Secured Hedging Obligations will create (or be deemed to create) in favor of any Secured Party that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under this Agreement or any other Loan Document. By accepting the benefits of the Collateral, each Secured Party that is a party to any such arrangement in respect of Cash Management Services or any Hedging Agreement shall be deemed to have appointed the Administrative Agent to serve as administrative agent and collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph.

(c) The Secured Parties party hereto irrevocably authorize the Administrative Agent, at its option and in its discretion, to release or subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document and any Acceptable Intercreditor Agreement to the holder of any Lien on such property that is permitted by Section 6.02(a)(v). The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

---

(d) The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the applicable Collateral in satisfaction of some or all of such Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the applicable Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

(e) The Lenders and the other Secured Parties party hereto hereby irrevocably authorize and instruct the Administrative Agent to, without any further consent of any Lender or any other Secured Party, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify any Acceptable Intercreditor Agreement; provided that the specific consent of counterparties to any Hedging Agreement the obligations under which constitute Secured Hedging Obligations, each provider of Cash Management Services the obligations under which constitute Secured Cash Management Obligations, or each Issuing Bank shall be required for any amendment, renewal, extension, supplement, restatement, replacement or waiver to the extent its rights and obligations solely in its capacity as such are materially adversely affected. The Lenders and the other Secured Parties irrevocably agree that any Acceptable Intercreditor Agreement entered into by the Administrative Agent shall be binding on the Secured Parties, and each Lender and each of the other Secured Parties hereby agrees that it will take no actions contrary to the provisions of an Acceptable Intercreditor Agreement. The foregoing provisions are intended as an inducement to any provider of any Indebtedness not prohibited by Section 6.01 hereof to extend credit to the Loan Parties and such persons are intended third-party beneficiaries of such provisions.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of the Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of, or performance of the Loans, the Letters of Credit, the Commitments, or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, and the conditions for exemptive relief thereunder are and will continue to be satisfied in connection therewith,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Notices and other communications delivered through electronic communications, to the extent provided in paragraph (b) of this Section, shall be effective as provided in such paragraph.

---

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail and Internet and intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices under Article II to any Lender or any Issuing Bank if such Lender or such Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications or may be rescinded by any such Person by notice to each other such Person.

(c) Change of Address, etc. Any party hereto may change its address or fax number for notices and other communications hereunder by notice to the other parties hereto.

(d) Platform.

(i) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make any Communications by posting such Communication on Debt Domain, IntraLinks, SyndTrak or any other electronic platform chosen by the Administrative Agent to be its electronic transmission system (the "Platform").

(ii) Although the Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Closing Date, a user ID/password authorization system) and the Platform is secured through a per-deal authorization method whereby each user may access the Platform only on a deal-by-deal basis, each of the Lenders, each of the Issuing Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Platform, and that there are confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuing Banks and the Borrower hereby approves distribution of the Communications through the Platform and understands and assumes the risks of such distribution.

---

(iii) THE PLATFORM AND THE COMMUNICATIONS ARE PROVIDED “AS IS” AND “AS AVAILABLE”. THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY ARRANGER, ANY DOCUMENTATION AGENT, ANY SYNDICATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, “**APPLICABLE PARTIES**”) HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER, ANY ISSUING BANK OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY’S OR THE ADMINISTRATIVE AGENT’S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THE PLATFORM EXCEPT TO THE EXTENT SUCH DAMAGES ARE FOUND IN A FINAL AND NON-APPEALABLE JUDGMENT OF A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED FROM THE BAD FAITH, WILLFUL MISCONDUCT OR GROSS NEGLIGENCE OF AN APPLICABLE PARTY OR ANY OF ITS RELATED PARTIES.

(iv) Each Lender and each Issuing Bank agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender or Issuing Bank (as applicable) for purposes of the Loan Documents. Each Lender and each Issuing Bank agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender’s or Issuing Bank’s (as applicable) email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

(v) Nothing herein shall prejudice the right of the Administrative Agent, any Lender or any Issuing Bank to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 9.02. Waivers; Amendments. (a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Without limiting the generality of the foregoing, the execution and delivery of this Agreement, the making of a Loan or the issuance, amendment, renewal or extension of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time. No notice or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

---

(b) Except as provided in Sections 2.14(b), 2.21, 2.22, 2.23 and 9.02(c), none of this Agreement, any other Loan Document or any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower, the Administrative Agent and the Required Lenders (provided that the Administrative Agent shall post any such amendments reasonably promptly after such amendment becomes effective) and, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (it being understood and agreed that a waiver of any Default or Event of Default will not constitute an increase in the Commitment of any Lender), (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, in each case without the written consent of each Lender adversely affected thereby (it being understood and agreed that a waiver of any Default or Event of Default will not constitute a reduction in the principal amount of any Loan), (iii) postpone the scheduled maturity date of any Loan, or the date of any scheduled payment of the principal amount of any Term Loan under Section 2.10 or the applicable Incremental Facility Amendment or the required date of reimbursement of any LC Disbursement, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender adversely affected thereby (it being understood and agreed that a waiver of any Default or Event of Default will not constitute a postponement of the scheduled maturity date of any loan, or the date of any scheduled payment of principal, interest or fees payable hereunder), (iv) change the last sentence of Section 2.08(c), Section 2.18(a), Section 2.18(b), Section 2.18(c) or any other Section hereof or any other Loan Document providing for the ratable treatment of the Lenders, in each case in a manner that would alter the pro rata termination of commitments or sharing of payments required thereby, without the written consent of each Lender adversely affected thereby, (v) change any of the provisions of this Section or the definition of the term “Required Lenders” or “Majority in Interest” or any other provision of this Agreement or any other Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or otherwise modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as applicable); provided that, with the consent of the Required Lenders, the provisions of this Section and the definition of the term “Required Lenders” or “Majority in Interest” may be amended to include references to any new class of loans created under this Agreement (or to lenders extending such loans) on substantially the same basis as the corresponding references relating to the existing Classes of Loans or Lenders; provided further that the definition of “Required Covenant Lenders” may be amended to include the Lenders in respect of any additional Incremental Facility that will have the benefit of Section 6.12 or 6.13 to the extent provided in any Incremental Facility Amendment without the consent of any other Lenders, (vi) release all or substantially all of the value of the Guarantees provided by the Loan Parties under the Security Documents, in each case without the written consent of each Lender (except as expressly provided in Section 9.14 or the Security Documents) (including any such release by the Administrative Agent in connection with any sale or other disposition of any Subsidiary upon the exercise of remedies under the Security Documents), it being understood and agreed that an amendment or other modification of the type of obligations guaranteed under the Security Documents shall not be deemed to be a release of any Guarantee), (vii) release all or substantially all the Collateral from the Liens of the Security Documents without the written consent of each Lender (except as expressly provided in Section 9.14 or the applicable Security Document (including any such release by the Administrative Agent in connection with any sale or other disposition of the Collateral upon the exercise of remedies under the Security Documents), it being understood and agreed that an amendment or other modification of the type of obligations secured by the Security Documents shall not be deemed to be a release of the Collateral from the Liens of the Security Documents), (viii) waive any condition set forth in Section 4.01 (other than as it relates to the payment of fees and expenses of counsel), or, in the case of any Loans made or Letters of Credit issued on the Closing Date, Section 4.02, without the written consent of each Lender with a Revolving Commitment and each Issuing Bank (as applicable), (ix) change any provisions of this Agreement or any other Loan Document in a manner that by its terms adversely affects the rights in respect of Collateral securing the obligations owed to, or payments due to, Lenders holding Loans of any Class differently than those holding Loans of any other Class, without the written consent of Lenders representing a Majority in Interest of each affected Class, (x) change the rights of the Tranche A Term Lenders to decline mandatory prepayments as provided in Section 2.11 or the rights of any Additional Lenders of any Class to decline mandatory prepayments of Term Loans of such Class as provided in the applicable Incremental Facility Amendment, without the written consent of Tranche A Term Lenders or Additional Lenders of such Class, as applicable, holding a majority of the outstanding Tranche A Term Loans or Incremental Term Loans of such Class or (xi) change Section 6.12 or 6.13 or the definitions of “Consolidated Adjusted Interest Coverage Ratio” or “Consolidated Adjusted Total Leverage Ratio” (or in each case any of the component definitions thereof), in each case solely as used within such Sections, without the written consent of the Required Covenant Lenders (and the Consent of any other Lenders shall not be required); provided further that (A) no such agreement shall amend, modify, extend or otherwise affect the rights or obligations of the Administrative Agent or any Issuing Bank without the prior written consent of the Administrative Agent or such Issuing Bank, as applicable, (B) any waiver, amendment or other modification of this Agreement that by its terms affects the rights or duties under this Agreement of the Lenders of one or more Classes (but not the Lenders of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite number or percentage in interest of each affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time (provided that any change that would directly and adversely affect a Class of Lenders hereunder shall require the written consent of the Majority in Interest with respect to each such Class directly and adversely affected thereby) and (C) if the terms of any waiver, amendment or other modification of this Agreement or any other Loan Document provide that any Class of Loans (together with all accrued interest thereon and all accrued fees payable with respect to the Commitments of such Class) will be repaid or paid in full, and the Commitments of such Class (if any) terminated, as a condition to the effectiveness of such waiver, amendment or other modification, then so long as the Loans of such Class (together with such accrued interest and fees) are in fact repaid or paid in full and such Commitments are in fact terminated, in each case prior to or substantially simultaneously with

the effectiveness of such amendment, then such Loans and Commitments shall not be included in the determination of the Required Lenders with respect to such amendment. Notwithstanding any of the foregoing, (1) no consent with respect to any waiver, amendment or other modification of this Agreement or any other Loan Document shall be required of any Defaulting Lender, except with respect to any waiver, amendment or other modification referred to in clause (i), (ii) or (iii) of the first proviso of this paragraph and then only in the event such Defaulting Lender shall be affected by such waiver, amendment or other modification, (2) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent (i) to cure any ambiguity, omission, mistake, defect or inconsistency, (ii) to comply with local law or advice of local counsel, (iii) to cause any guarantee, collateral security document (including Mortgages) or other document to be consistent with this Agreement, the other Loan Documents and each Acceptable Intercreditor Agreement or (iv) to give effect to the provisions of Section 2.14(b) or to amend time periods, minimum amounts and currency exchange rate calculations mechanics with respect to borrowing and payment mechanics with respect to the Revolving Commitments solely to the extent necessary to implement a Permitted Foreign Currency and (3) this Agreement may be amended to provide for Incremental Extensions of Credit in the manner contemplated by Section 2.21, the extension of the Maturity Date as provided in Section 2.22 and the incurrence of Refinancing Commitments and Refinancing Loans as provided in Section 2.23, in each case without any additional consents, and such amendments may effect such changes to the Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrower, to give effect to the existence and the terms of the Incremental Extensions of Credit, the extension of the Maturity Date or the incurrence of Refinancing Commitments and Refinancing Loans, as applicable, and to the extent permitted under the terms of this Agreement, will be effective to amend the terms of this Agreement and the other applicable Loan Documents (including to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other applicable Loan Documents with the other Term Loans and the accrued interest and fees in respect thereof and to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders), in each case, without any further action or consent of any other party to any Loan Document.

---

(c) In connection with any Proposed Change requiring the consent of all Lenders or all affected Lenders, if the consent of the Required Lenders (and, to the extent any Proposed Change requires the consent of Lenders holding Loans of any Class pursuant to clause (iv) of paragraph (b) of this Section, the consent of a Majority in Interest of the outstanding Loans and unfunded Commitments of such Class) to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section being referred to as a “Non-Consenting Lender” for purposes of this clause (c)), then the Borrower may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) if the Administrative Agent is not such Non-Consenting Lender, the Borrower shall have received the prior written consent of the Administrative Agent (and, if a Revolving Commitment is being assigned, each Issuing Bank), which consent shall not unreasonably be withheld or delayed, (ii) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder (with such assignment being deemed to be an optional prepayment for purposes of determining the applicability of such Section) from the assignee (in the case of such principal and accrued interest and fees or the Borrower (in the case of all other amounts)), (iii) the Borrower or such assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b), (iv) such assignment does not conflict with applicable law and (v) the assignee shall have given its consent to such Proposed Change and, as a result of such assignment and delegation and any contemporaneous assignments and delegations and consents, such Proposed Change can be effected. Any assignment required pursuant to this Section may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee, and the Lender required to make such assignment shall not be required to be a party to such Assignment and Assumption.

---

(d) Notwithstanding anything herein to the contrary, the Administrative Agent may, without the consent of any Secured Party, consent to a departure by any Loan Party from any covenant of such Loan Party set forth in this Agreement or any Security Document to the extent such departure is consistent with the authority of the Administrative Agent set forth in the definition of the term “Collateral and Guarantee Requirement”.

(e) The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute waivers, amendments or other modifications on behalf of such Lender. Any waiver, amendment or other modification effected in accordance with this Section, shall be binding upon each Person that is at the time thereof a Lender and each Person that subsequently becomes a Lender.

SECTION 9.03. Expenses; Indemnity; Damage Waiver. (a) The Borrower shall pay (i) all reasonable, documented and invoiced out-of-pocket expenses incurred by the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents and their respective Affiliates (without duplication), including the reasonable fees and documented charges and disbursements of a single primary counsel and to the extent reasonably determined by the Administrative Agent to be necessary, one local counsel in each appropriate jurisdiction, in connection with the structuring, arrangement and syndication of the credit facilities provided for herein and any credit or similar facility refinancing or replacing, in whole or in part, any of the credit facilities provided for herein, as well as the preparation, negotiation, execution, delivery and administration of this Agreement, the other Loan Documents or any waiver, amendments or modifications of the provisions hereof or thereof, (ii) all reasonable, documented and invoiced out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable, documented and invoiced out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank, any Lender or any Arranger, including the reasonable, documented and invoiced fees, charges and disbursements of counsel for any of the foregoing, in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) The Borrower shall indemnify the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”), against, and hold each Indemnitee harmless from, any and all Liabilities and related expenses (including the reasonable and documented fees, charges and disbursements of one firm of counsel for all such Indemnitees, taken as a whole, and, if reasonably necessary, of a single firm of local counsel in each appropriate jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for all such Indemnitees, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee and, if reasonably necessary, of another firm of local counsel in each appropriate jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for such affected Indemnitee)), incurred by or asserted against such Indemnitees arising out of, in connection with or as a result of any actual or prospective claim, litigation, investigation or proceeding relating to (i) the structuring, arrangement and syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement, the other Loan Documents or any other agreement or instrument contemplated hereby or thereby, (ii) the performance by the parties to this Agreement or the other Loan Documents of their respective obligations hereunder or thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby, (iii) any action taken in connection with this Agreement, including, but not limited to, the payment of principal, interest and fees, (iv) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit) or (v) any actual or alleged presence or Release of Hazardous Materials on, at, to or from any Mortgaged Property or any other property currently or formerly owned or operated by the Borrower or any Subsidiary, or any other Environmental Liability related in any way to the Borrower or any Subsidiary, in each case, whether based on contract, tort or any other theory and whether initiated against or by any party to this Agreement or any other Loan Document, any Affiliate of any of the foregoing or any third party (and regardless of whether any Indemnitee is a party thereto); provided that the foregoing indemnity shall not, as to any Indemnitee, apply to any Liabilities or related expenses to the extent they are found in a final and non-appealable judgment of a court of competent jurisdiction to have resulted from (A) the bad faith, willful misconduct or gross negligence of such Indemnitee, (B) a claim brought by the Borrower or any Subsidiary against such Indemnitee for material breach of such Indemnitee’s obligations under this Agreement or any other Loan Document or (C) a proceeding that does not involve an act or omission by the Borrower or any of its Affiliates and that is brought by an Indemnitee against any other Indemnitee (other than a proceeding that is brought against the Administrative Agent or any other agent or any Arranger in its capacity or in fulfilling its roles as an agent or arranger hereunder or any similar role with respect to the Indebtedness incurred or to be incurred hereunder). This paragraph shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

---

(c) To the extent that the Borrower fails to indefeasibly pay any amount required to be paid by it under paragraph (a) or (b) of this Section to the Administrative Agent, any Issuing Bank or any Related Party of any of the foregoing (and without limiting its obligation to do so), each Lender severally agrees to pay to the Administrative Agent, such Issuing Bank or such Related Party, as applicable, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount (it being understood and agreed that the Borrower's failure to pay any such amount shall not relieve the Borrower of any default in the payment thereof); provided that the unreimbursed expense or Liability or related expense, as applicable, was incurred by or asserted against the Administrative Agent or such Issuing Bank in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or any Issuing Bank in connection with such capacity; provided further that, with respect to such unpaid amounts owed to any Issuing Bank in its capacity as such, or to any Related Party of any of the foregoing acting for any Issuing Bank in connection with such capacity, only the Revolving Lenders shall be required to pay such unpaid amounts. For purposes of this Section, a Lender's "pro rata share" shall be determined by its share of the sum of the total Revolving Exposure, unfunded Revolving Commitments and, except for purposes of the second proviso of the immediately preceding sentence, the outstanding Term Loans and unfunded Term Commitments, in each case at that time. The obligations of the Lenders under this paragraph are subject to the last sentence of Section 2.02(a) (which shall apply mutatis mutandis to the Lenders' obligations under this paragraph).

(d) To the extent permitted by applicable law (i) the Borrower shall not assert, and the Borrower hereby waives, any claim against the Administrative Agent, any Arranger, any Syndication Agent, any Documentation Agent any Issuing Bank and any Lender, and any Related Party of any of the foregoing Persons (each such Person being called a "Lender-Related Person") for any Liabilities arising from the use by others of information or other materials (including, without limitation, any personal data) obtained through telecommunications, electronic or other information transmission systems (including the Internet), and (ii) no party hereto shall assert, and each such party hereby waives, any Liabilities against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof; provided that, nothing in this Section 9.03(d) shall relieve the Borrower of any obligation it may have to indemnify an Indemnitee, as provided in Section 9.03(b), against any special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

---

(e) All amounts due under this Section shall be payable promptly after written demand therefor.

SECTION 9.04. Successors and Assigns. (a) General. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign, delegate or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and (ii) no Lender may assign, delegate or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section), the Arrangers, the Syndication Agents, the Documentation Agents and, to the extent expressly contemplated hereby, the Related Parties of any of the Administrative Agent, any Arranger, any Syndication Agent, any Documentation Agent, any Issuing Bank and any Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign and delegate to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent of (A) the Borrower (such consent not to be unreasonably withheld or delayed); provided that no consent of the Borrower shall be required (1) for assignments of Commitments or Loans of any Class to another Lender under such Class, an Affiliate of a Lender under such Class or an Approved Fund and (2) if an Event of Default of the type set forth in Section 7.01(a), (b), (h) or (i) has occurred and is continuing, for any other assignment and delegation; provided further that the Borrower shall be deemed to have consented to an assignment and delegation of rights and obligations unless it shall object thereto by written notice to the Administrative Agent within five Business Days after having received notice thereof, (B) the Administrative Agent (such consent not to be unreasonably withheld or delayed); provided that no consent of the Administrative Agent shall be required for an assignment and delegation of all or any portion of a Term Commitment or Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund and (C) each Issuing Bank (such consent not to be unreasonably withheld or delayed) in the case of any assignment and delegation of all or a portion of a Revolving Commitment or any Lender's obligations in respect of its LC Exposure.

---

(ii) Assignments and delegations shall be subject to the following additional conditions: (A) except in the case of an assignment and delegation to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment and delegation of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment and delegation (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment and delegation or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment and delegation is delivered to the Administrative Agent) shall not be less than \$5,000,000 or, in the case of an Incremental Tranche B Term Loan, \$1,000,000 (treating contemporaneous assignments by or to two or more Approved Funds as a single assignment for purposes of such minimum transfer amount), unless each of the Borrower and the Administrative Agent otherwise consents (such consent not to be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if an Event of Default of the type set forth in Section 7.01(a), (b), (h) or (i) has occurred and is continuing, (B) each partial assignment and delegation shall be made as an assignment and delegation of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause (B) shall not be construed to prohibit the assignment and delegation of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment and delegation shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; provided that (1) only one such processing and recordation fee shall be payable in the event of simultaneous assignments and delegations by or to two or more Approved Funds, (2) the Administrative Agent may waive or reduce such fee in its sole discretion and (3) with respect to any assignment and delegation pursuant to Section 2.19(b) or 9.02(c), the parties hereto agree that such assignment and delegation may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment and delegation need not be a party thereto, and (D) the assignee shall deliver to the Administrative Agent any tax forms required by Section 2.17(f) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain MNPI) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable law, including Federal, State and foreign securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned and delegated by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned and delegated by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment, delegation or other transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(c).

---

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and, as to entries pertaining to it, any Issuing Bank or any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon receipt by the Administrative Agent of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 2.17(f) (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment and delegation required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that the Administrative Agent shall not be required to accept such Assignment and Assumption or so record the information contained therein if the Administrative Agent reasonably believes that such Assignment and Assumption lacks any written consent required by this Section or is otherwise not in proper form, it being acknowledged that the Administrative Agent shall have no duty or obligation (and shall incur no liability) with respect to obtaining (or confirming the receipt) of any such written consent or with respect to the form of (or any defect in) such Assignment and Assumption, any such duty and obligation being solely with the assigning Lender and the assignee. No assignment or delegation shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph and, following such recording, unless otherwise determined by the Administrative Agent (such determination to be made in the sole discretion of the Administrative Agent, which determination may be conditioned on the consent of the assigning Lender and the assignee), shall be effective notwithstanding any defect in the Assignment and Assumption relating thereto. Each assigning Lender and the assignee, by its execution and delivery of an Assignment and Assumption, shall be deemed to have represented to the Administrative Agent that all written consents required by this Section with respect thereto (other than the consent of the Administrative Agent) have been obtained and that such Assignment and Assumption is otherwise duly completed and in proper form, and each assignee, by its execution and delivery of an Assignment and Assumption, shall be deemed to have represented to the assigning Lender and the Administrative Agent that such assignee is an Eligible Assignee.

---

(vi) The words “execution”, “signed”, “signature” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as applicable, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar State laws based on the Uniform Electronic Transactions Act.

(c) Participations. Any Lender may, without the consent of the Borrower, the Administrative Agent or any Issuing Bank, sell participations to one or more Eligible Assignees (each, a “Participant”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitments and Loans of any Class); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations (C) the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and (D) the Participant will under no circumstances (x) be subrogated to, or substituted in respect of, the Lender’s claims under this Agreement and (y) have otherwise any contractual relationship with, or rights against, the Borrower under or in relation to this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (i), (ii), (iii), (vi) or (vii) in the first proviso to Section 9.02(b) that affects such Participant or requires the approval of all the Lenders. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(f) (it being understood and agreed that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment and delegation pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section and (B) shall not be entitled to receive any greater payment under Section 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such participation was made with the Borrower’s prior written consent. Each Lender that sells a participation agrees, at the Borrower’s request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under this Agreement or any other Loan Document (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any Commitments, Loans, Letters of Credit or its other obligations under this Agreement or any other Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

---

(d) Certain Pledges. Any Lender may, without the consent of the Borrower, the Administrative Agent or any Issuing Bank, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (other than to a natural person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other “central” bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Purchasing Borrower Parties. Notwithstanding anything else to the contrary contained in this Agreement (including, without limitation, the definition of “Eligible Assignee”), any Lender may assign and delegate all or a portion of its Term Loans to any Purchasing Borrower Party (x) through open market purchases made by such Purchasing Borrower Party on a non-pro rata basis (subject to clause (v) below) or (y) otherwise in accordance with clauses (i) through (vii) below (which assignment and delegation, in the case of the foregoing clauses (x) and (y) will not constitute a prepayment of Loans for any purposes of this Agreement and the other Loan Documents); provided that, in the case of assignments and delegations made pursuant to the foregoing clause (y):

(i) no Default or Event of Default has occurred and is continuing or would result therefrom;

(ii) each Auction Purchase Offer shall be conducted in accordance with the procedures, terms and conditions set forth in this paragraph and the Auction Procedures;

(iii) the assigning Lender and Purchasing Borrower Party purchasing such Lender’s Term Loans, as applicable, shall execute and deliver to the Administrative Agent an Affiliated Lender Assignment and Assumption in lieu of an Assignment and Assumption;

(iv) for the avoidance of doubt, the Lenders shall not be permitted to assign or delegate Revolving Commitments or Revolving Exposure to a Purchasing Borrower Party;

(v) to the extent permitted by applicable law, any Term Loans assigned and delegated to any Purchasing Borrower Party shall be automatically and permanently cancelled upon the effectiveness of such assignment and delegation and will thereafter no longer be outstanding for any purpose hereunder (it being understood and agreed that (A) except as expressly set forth in any such definition, any gains or losses by any Purchasing Borrower Party upon purchase or acquisition and cancellation of such Term Loans shall not be taken into account in the calculation of Excess Cash Flow, Consolidated Net Income and Consolidated EBITDA and (B) any purchase of Term Loans pursuant to this paragraph (f) shall not constitute a voluntary prepayment of Term Loans for purposes of this Agreement);

---

(vi) the applicable Assignment and Assumption shall include or be supplemented by a customary “big boy” representation from each of the Purchasing Borrower Party and the assignee or assignor, as the case may be (it being agreed that no Purchasing Borrower Party shall be required to make a representation as to absence of MNPI); and

(vii) no Purchasing Borrower Party may use the proceeds from Revolving Loans to purchase any Term Loans.

(f) [Reserved].

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in this Agreement and the other Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the other Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Arrangers, any Syndication Agent, any Documentation Agent, any Issuing Bank, any Lender or any Affiliate of any of the foregoing may have had notice or knowledge of any Default or incorrect representation or warranty at the time this Agreement or any other Loan Document is executed and delivered or any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any LC Exposure is outstanding and so long as the Commitments have not expired or terminated. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement or any other Loan Document, in the event that, in connection with the refinancing or repayment in full of the credit facilities provided for herein, an Issuing Bank shall have provided to the Administrative Agent a written consent to the release of the Revolving Lenders from their obligations hereunder with respect to any Letter of Credit issued by such Issuing Bank (whether as a result of the obligations of the Borrower (and any other account party) in respect of such Letter of Credit having been collateralized in full by a deposit of cash with such Issuing Bank, or being supported by a letter of credit that names such Issuing Bank as the beneficiary thereunder, or otherwise), then from and after such time such Letter of Credit shall cease to be a “Letter of Credit” outstanding hereunder for all purposes of this Agreement and the other Loan Documents, and the Revolving Lenders shall be deemed to have no participations in such Letter of Credit, and no obligations with respect thereto, under Section 2.05(d) or 2.05(e). The provisions of Sections 2.15, 2.16, 2.17, 2.18(e) and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment or prepayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

SECTION 9.06. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of (x) any Loan Document and/or (y) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 9.01), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “Ancillary Document”) that is an Electronic Signature transmitted by fax, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower without further verification thereof and without any obligation to review the appearance or form of any such Electronic signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders and the Borrower, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against any Lender-Related Person for any Liabilities arising solely from the Administrative Agent’s and/or any Lender’s reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the Borrower to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) or other amounts at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrower against any of and all the obligations then due of the Borrower now or hereafter existing under this Agreement held by such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement and although such obligations of the Borrower are owed to a branch or office of such Lender or such Issuing Bank different from the branch or office holding such deposit or obligated on such Indebtedness. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender and each Issuing Bank under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process. (a) This Agreement and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the law of the State of New York.

(b) The Borrower irrevocably and unconditionally agrees that it will not, and will not permit any controlled Subsidiary to, commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, any Lender, any Issuing Bank or any Related Party of any of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in the Borough of Manhattan and of the United States District Court for the Southern District of New York (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits, for itself and its property, to the jurisdiction of such courts and agrees that all claims in respect of any action, litigation or proceeding shall be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such Federal court. Each party hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, any Lender or any Issuing Bank may otherwise have to bring any action, litigation or proceeding relating to this Agreement or any other Loan Document against any Loan Party or any of its properties in the courts of any jurisdiction.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action, litigation or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

---

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.12. Confidentiality. Each of the Administrative Agent, the Lenders and the Issuing Banks agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Related Parties, including accountants, legal counsel and other agents and advisors, it being understood and agreed that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and any failure of such Persons acting on behalf of the Administrative Agent, any Issuing Bank or the relevant Lender to comply with this Section shall constitute a breach of this Section by the Administrative Agent, such Issuing Bank or the relevant Lender, as applicable, (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (provided, that to the extent practicable and permitted by law, the Borrower has been notified prior to such disclosure so that the Borrower may seek, at the Borrower's sole expense, a protective order or other appropriate remedy), (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, provided that each Lender and the Administrative Agent shall use commercially reasonable efforts to ensure that such Information is kept confidential in connection with the exercise of such remedies (f) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its Related Parties) to any Hedging Agreement relating to the Borrower or any Subsidiary and its obligations hereunder or under any other Loan Document, (g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided for herein or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the credit facilities provided for herein, (h) with the consent of the Borrower, (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Lender or any Issuing Bank or any Affiliate of any of the foregoing on a non-confidential basis from a source other than the Borrower or any Subsidiary, which source is not known by the recipient of such information to be subject to a confidentiality obligation or (j) to any credit insurance provider relating to the Borrower or its Obligations. For purposes of this Section, "Information" means all information received from the Borrower or any Subsidiary relating to the Borrower or any Subsidiary or their businesses, other than any such information that is available to the Administrative Agent, any Lender or any Issuing Bank on a nonconfidential basis prior to disclosure by the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.13. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan or participation in any LC Disbursement, together with all fees, charges and other amounts that are treated as interest on such Loan or LC Disbursement or participation therein under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) that may be contracted for, charged, taken, received or reserved by the Lender or Issuing Bank holding such Loan or LC Disbursement or participation therein in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan or LC Disbursement or participation therein but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender or Issuing Bank in respect of other Loans or LC Disbursements or participation therein or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender or Issuing Bank.

SECTION 9.14. Release of Liens and Guarantees. Subject to the reinstatement provisions set forth in any applicable Security Document, unless an Event of Default has occurred and is continuing, a Loan Party shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by such Loan Party shall be automatically released, upon the consummation of any transaction permitted by this Agreement as a result of which such Loan Party ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary (or in case the Borrower elects that any Designated Subsidiary that would otherwise constitute an Excluded Subsidiary cease to be a Designated Subsidiary); provided that, if so required by this Agreement, the Required Lenders (or if applicable, the Lenders) shall have consented to such transaction and the terms of such consent shall not have provided otherwise; provided, further, however, that notwithstanding the foregoing, without the consent of the Required Lenders, no Loan Party ~~that is a Restricted Subsidiary~~ shall be released from its obligations under the Loan Documents if such Loan Party either (a) becomes an Excluded Subsidiary solely pursuant to clause (b) of the definition of "Excluded Subsidiary" solely by virtue of a disposition of Equity Interests (unless, for the avoidance of doubt, another clause of the definition of "Excluded Subsidiary" is then applicable), unless such disposition is a good faith disposition to a bona fide unaffiliated third party whose primary purpose is not the release of the Guarantee and obligations of such Loan Party under the Loan Documents as a result of any transaction undertaken by the Borrower or any Subsidiary or (b) ceases to be a Subsidiary but the Borrower or a Subsidiary or Affiliate thereof retains any direct or indirect Equity Interest in, or otherwise Controls, such Person, unless (i) the transaction pursuant to which such Loan Party becomes an Excluded Subsidiary or ceases to be a Subsidiary is entered into for legitimate bona fide business purposes (other than for purposes of releasing guarantees or collateral hereunder) in good faith with an unaffiliated third party (or with a joint venture entity pursuant to a joint venture entered into for legitimate bona fide business purposes with an unaffiliated third party), (ii) at the time of such release (and after giving effect thereto), all outstanding Indebtedness and Liens of any such Subsidiary becoming an Excluded Subsidiary, and all Investments previously made in any such Subsidiary or other Person remaining outstanding after giving effect to the relevant transaction, would then be permitted to be incurred or made in accordance with the relevant provisions of Section 6.01, Section 6.02, Section 6.04 and Section 6.08 (for this purpose, with the Borrower being required to reclassify any such items made in reliance upon such Subsidiary or other Person being a Loan Party or a wholly-owned Subsidiary on another basis as would be permitted by such applicable Section), and any previous asset sale to such Subsidiary pursuant to Section 6.05 shall be re-characterized and would be permitted at the time of such release, as if the same were made to a Subsidiary that was not a Loan Party (and all items described above in this clause (ii) shall thereafter be deemed re-characterized as provided above in this clause (ii)), (iii) such Subsidiary or other Person shall not be (or shall simultaneously be released as) an obligor with respect to any other Indebtedness of the Borrower or any other Subsidiary (other than, in the case of a Subsidiary that becomes an Excluded Subsidiary, Indebtedness of any other Subsidiary becoming an Excluded Subsidiary as part of the same transaction) and (iv) such Subsidiary or other Person owns no assets which were previously transferred to it by another Note Party which constituted Collateral or proceeds of Collateral (or the transfer of any such assets to such Subsidiary or other Person by such Note Party would be permitted hereunder immediately following such release). Upon any sale or other transfer by any Loan Party (other than to the Borrower or any other Loan Party) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral pursuant to Section 9.02, the security interests in such Collateral created by the Security Documents shall be automatically released. Upon the release of any Loan Party from its Guarantee in compliance with this Agreement, the security interest in any Collateral owned by such Loan Party created by the Security Documents shall be automatically released. ~~Upon the designation of a Restricted Subsidiary as an Unrestricted Subsidiary in compliance with this Agreement, the security interest created by the Security Documents in the Equity Interests of such Unrestricted Subsidiary shall be automatically released.~~ On the date on which all (1) Obligations have been paid in full in cash (other than (x) Secured Hedging Obligations not yet due and payable, (y) Secured Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable) and (2) all Letters of Credit have expired or been terminated (other than Letters of Credit that have been cash collateralized or backstopped in an amount, by an institution and otherwise pursuant to arrangements reasonably satisfactory to the applicable Issuing Bank), all obligations under the Loan Documents and all security interests under the Security Documents shall be automatically released. In connection with any termination or release pursuant to this Section, and in connection with any Collateral becoming Excluded Property, the Administrative Agent shall execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to file or register in any office, or to evidence, such termination or release, or, in the case of Collateral becoming Excluded Property, to effect, to file or register in any office, or to evidence the release of any security interest created by the Security Documents in such assets. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent. Each of the Secured Parties irrevocably authorizes the Administrative Agent, at its option and in its discretion, to effect the releases set forth in this Section.

SECTION 9.15. Certain Notices. Each Lender, each Issuing Bank and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that, pursuant to the requirements of the USA PATRIOT Act and/or the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender, such Issuing Bank or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the USA PATRIOT Act and the Beneficial Ownership Regulation, and each Loan Party agrees to provide such information from time to time to such Lender, such Issuing Bank and the Administrative Agent, as applicable.

SECTION 9.16. No Fiduciary Relationship. The Borrower, on behalf of itself and its subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Borrower, the Subsidiaries and their respective Affiliates, on the one hand, and the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks and their respective Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks or their respective Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications. The Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks and their respective Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of the Borrower, the Subsidiaries and their respective Affiliates, and none of the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks or any of their respective Affiliates has any obligation to disclose any of such interests to the Borrower, the Subsidiaries or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower hereby waives and releases any claims that it or any of its Affiliates may have against the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks or any of their respective Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.17. Non-Public Information. (a) Each Lender acknowledges that all information, including requests for waivers and amendments, furnished by the Borrower or the Administrative Agent pursuant to or in connection with, or in the course of administering, this Agreement will be syndicate-level information, which may contain MNPI. Each Lender represents to the Borrower and the Administrative Agent that (i) it has developed compliance procedures regarding the use of MNPI and that it will handle MNPI in accordance with such procedures and applicable law, including Federal, State and foreign securities laws, and (ii) it has identified in its Administrative Questionnaire a credit contact who may receive information that may contain MNPI in accordance with its compliance procedures and applicable law, including Federal, State and foreign securities laws.

---

(b) The Borrower and each Lender acknowledge that, if information furnished the Borrower pursuant to or in connection with this Agreement is being distributed by the Administrative Agent through the Platform, (i) the Administrative Agent may post any information that the Borrower has indicated as containing MNPI solely on that portion of the Platform as is designated for Lenders' employees and representatives willing to receive such MNPI (such employees and representatives, "Private-Siders"); and (ii) if the Borrower has not indicated whether any information furnished by it pursuant to or in connection with this Agreement contains MNPI, the Administrative Agent reserves the right to post such information solely on that portion of the Platform as is designated for Private-Siders. The Borrower agrees to clearly designate all information provided to the Administrative Agent by or on behalf of the Borrower that is suitable to be made available to Lenders' public-side employees and representatives who do not wish to receive MNPI (such employees and representatives, "Public-Siders"), and the Administrative Agent shall be entitled to rely on any such designation by the Borrower without liability or responsibility for the independent verification thereof.

SECTION 9.18. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or Issuing Bank that is an Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of an the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or Issuing Bank party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.19. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

---

SECTION 9.20. Cashless Settlement. Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent and such Lender.

SECTION 9.21. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

#### SECTION 2.01. Priority of Claims.

(a) Anything contained herein or in any of the Secured Credit Documents to the contrary notwithstanding (but subject to Section 1.03), if an Event of Default has occurred and is continuing, and the Controlling Authorized Representative is taking action to enforce rights in respect of any Shared Collateral, or any distribution is made in respect of any Shared Collateral in any Bankruptcy Case of any Grantor or any Equal Priority Secured Party receives any payment pursuant to any intercreditor agreement (other than this Agreement) with respect to any Shared Collateral, the proceeds of any sale, collection or other liquidation of any such Shared Collateral by any Equal Priority Secured Party or received by an Authorized Representative or any Equal Priority Secured Party pursuant to any such intercreditor agreement with respect to such Shared Collateral and proceeds of any such distribution or payment (subject, in the case of any such distribution or payment, to the sentence immediately following) to which the Equal Priority Obligations are entitled under any intercreditor agreement (other than this Agreement) (all proceeds of any sale, collection or other liquidation of any Shared Collateral and all proceeds of any such distribution or payment being collectively referred to as “**Proceeds**”), shall be applied by the Controlling Authorized Representative in the following order:

FIRST, to the payment of all out-of-pocket costs and expenses incurred by each Authorized Representative in its capacity as such in connection with such collection or sale or otherwise in connection with this Agreement, any Secured Credit Document or any of the Equal Priority Obligations secured by such Collateral, including all court costs and the fees and expenses of its agents and legal counsel, the repayment of all amounts paid by any Authorized Representative under any Secured Credit Document in respect of the protection or maintenance of any Shared Collateral on behalf of any Grantor, any other costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Secured Credit Document, and all other fees, indemnities and other amounts owing or reimbursable to any Authorized Representative under this Agreement or any Secured Credit Document in its capacity as such;

SECOND, subject to Section 1.03, to the payment in full of the Equal Priority Obligations secured by such Shared Collateral (the amounts so applied to be distributed between the Equal Priority Secured Parties *pro rata* based on the respective amounts of such Equal Priority Obligations owed to them on the date of any such distribution), in accordance with the Secured Credit Documents governing the applicable Series of Equal Priority Obligations; and

THIRD, after the Discharge of Equal Priority Obligations, to the Grantors, their successors or assigns, or as a court of competent jurisdiction may otherwise direct.

Notwithstanding the foregoing, with respect to any Shared Collateral for which a third party (other than an Equal Priority Secured Party) has a lien or security interest that is junior in priority to the security interest of any Series of Equal Priority Obligations but senior (as determined by appropriate legal proceedings in the case of any dispute) to the security interest of any other Series of Equal Priority Obligations (such third party an “**Intervening Creditor**”), the value of any Shared Collateral or Proceeds that are allocated to such Intervening Creditor shall be deducted on a ratable basis solely from the Shared Collateral or Proceeds to be distributed in respect of the Series of Equal Priority Obligations with respect to which such Impairment exists. If, despite the provisions of this Section 2.01(a), any Equal Priority Secured Party shall receive any payment or other recovery in excess of its portion of payments on account of the Equal Priority Obligations to which it is then entitled in accordance with this Section 2.01(a), such Equal Priority Secured Party shall hold such payment or recovery in trust for the benefit of all Equal Priority Secured Parties for distribution in accordance with this Section 2.01(a).

(b) Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing any Series of Equal Priority Obligations granted on the Shared Collateral and notwithstanding any provision of the Uniform Commercial Code of any jurisdiction, or any other applicable law or the Secured Credit Documents or any defect or deficiencies in the Liens securing the Equal Priority Obligations of any Series or any other circumstance whatsoever (but, in each case, subject to Section 1.03), each Equal Priority Secured Party hereby agrees that (i) the Liens securing each Series of Equal Priority Obligations on any Shared Collateral shall be of equal priority and (ii) the benefits and proceeds of the Shared Collateral shall be shared among the Equal Priority Secured Parties as provided herein.

**SECTION 2.02. Actions with Respect to Shared Collateral; Prohibition on Contesting Liens.**

(a) With respect to any Shared Collateral, (i) only the Controlling Authorized Representative shall act or refrain from acting with respect to the Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral) and (ii) no Non-Controlling Authorized Representative or other Non-Controlling Secured Party shall, or shall instruct the Controlling Authorized Representative to, commence any judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, any Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), whether under any Equal Priority Security Document, applicable law or otherwise, it being agreed that only the Controlling Authorized Representative acting in accordance with the applicable Equal Priority Security Documents, shall be entitled to take any such actions or exercise any such remedies with respect to Shared Collateral; provided that, notwithstanding the foregoing, (i) in any Bankruptcy Case, any Authorized Representative or any other Equal Priority Secured Party may file a proof of claim or statement of interest with respect to the Equal Priority Obligations owed to the Equal Priority Secured Parties; (ii) any Authorized Representative or any other Equal Priority Secured Party may take any action to preserve or protect the validity and enforceability of the Liens granted in favor of the Equal Priority Secured Parties; provided that no such action is, or could reasonably be expected to be, (A) adverse to the Liens granted in favor of any other Equal Priority Secured Party or the rights of the Controlling Authorized Representative or any other Controlling Secured Parties to exercise remedies in respect thereof or (B) otherwise inconsistent with the terms of this Agreement; and (iii) any Authorized Representative or any other Equal Priority Secured Party may file any responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of such Equal Priority Secured Party, including any claims secured by the Shared Collateral, in each case, to the extent not inconsistent with the terms of this Agreement. Notwithstanding the equal priority of the Liens securing each Series of Equal Priority Obligations, the Controlling Authorized Representative may deal with the Shared Collateral as if the Controlling Authorized Representative had a senior Lien on such Collateral. No Non-Controlling Authorized Representative or Non-Controlling Secured Party will, or will have the right to, contest, protest or object to any foreclosure proceeding or action brought by the Controlling Authorized Representative or another Controlling Secured Party or any other exercise by the Controlling Authorized Representative or another Controlling Secured Party of any rights and remedies relating to the Shared Collateral. The foregoing shall not be construed to limit the rights and priorities of any Equal Priority Secured Party or any Authorized Representative with respect to any Collateral not constituting Shared Collateral.

(b) Each Authorized Representative and the Equal Priority Secured Parties for which it is acting hereunder agree to be bound by the provisions of this Agreement.

(c) Each of the Equal Priority Secured Parties agrees that it will not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity, attachment or enforceability of a Lien held by or on behalf of any of the Equal Priority Secured Parties in all or any part of the Shared Collateral, or the provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any Authorized Representative or any other Equal Priority Secured Party to enforce this Agreement.

(d) Notwithstanding anything in this Agreement or any other Secured Credit Documents to the contrary, prior to the Discharge of Senior Credit Facilities Obligations, collateral consisting of cash and deposit account balances pledged to secure Senior Credit Facilities Obligations consisting of reimbursement obligations in respect of Letters of Credit or otherwise held by the Senior Credit Facilities Collateral Agent pursuant to Section 2.05 of the Senior Credit Agreement (or any equivalent successor provision) shall be applied as specified in the Senior Credit Agreement and will not constitute Shared Collateral.

SECTION 2.03. No Interference; Payment Over.

(a) Each Equal Priority Secured Party agrees that (i) it will not challenge, or support any other Person in challenging, in any proceeding the validity or enforceability of any Equal Priority Obligations of any Series or any Equal Priority Security Document or the validity, attachment, perfection or priority of any Lien under any Equal Priority Security Document or the validity or enforceability of the priorities, rights or duties established by this Agreement, (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Shared Collateral by the Controlling Authorized Representative, (iii) it will not institute in any Bankruptcy Case or other proceeding any claim against the Controlling Authorized Representative or any other Equal Priority Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Shared Collateral, and none of the Controlling Authorized Representative or any other Equal Priority Secured Party shall be liable for any action taken or omitted to be taken by the Controlling Authorized Representative or other Equal Priority Secured Party with respect to any Shared Collateral in accordance with the provisions of this Agreement, (iv) it will not seek, and hereby waives any right, to have any Shared Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral and (v) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any Authorized Representative or any other Equal Priority Secured Party to enforce this Agreement.

(b) Each Equal Priority Secured Party hereby agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any such Shared Collateral, pursuant to any Equal Priority Security Document or by the exercise of any rights available to it under applicable law or in any Bankruptcy Case or Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement), at any time prior to the Discharge of Equal Priority Obligations, then it shall hold such Shared Collateral, proceeds or payment in trust for the other Equal Priority Secured Parties that have a security interest in such Shared Collateral and promptly transfer such Shared Collateral, Proceeds or payment, as the case may be, to the Controlling Authorized Representative to be distributed by the Controlling Authorized Representative in accordance with the provisions of Section 2.01.

SECTION 2.04. Automatic Release of Liens; Amendments to Equal Priority Security Documents.

(a) If at any time the Shared Collateral is transferred to a third party or otherwise disposed of or transferred, in each case, in connection with any enforcement by the Controlling Authorized Representative, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of each Authorized Representative for the benefit of each Series of Equal Priority Secured Parties upon such Shared Collateral will automatically be released and discharged; provided that any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.01.

(b) Each Authorized Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Controlling Authorized Representative to evidence and confirm any release of Shared Collateral provided for in this Section.

(c) Each Equal Priority Secured Party in respect of a Series agrees that each Authorized Representative in respect of any other Series may enter into any amendment to any Equal Priority Security Document that does not violate this Agreement.

SECTION 2.05. Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings.

(a) This Agreement shall continue in full force and effect notwithstanding the commencement of any proceeding under the Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law by or against the Borrower or any of its Subsidiaries.

(b) If the Borrower and/or any other Grantor shall become subject to a case (a “**Bankruptcy Case**”) under the Bankruptcy Code and shall, as debtor(s)-in-possession, move for approval of financing (“**DIP Financing**”) to be provided by one or more lenders (the “**DIP Lenders**”) under Section 364 of the Bankruptcy Code or any equivalent provision of any other applicable Bankruptcy Law or the use of cash collateral under Section 363 of the Bankruptcy Code or any equivalent provision of any other applicable Bankruptcy Law, each Equal Priority Secured Party agrees that it will raise no objection to any such financing or to the Liens on the Shared Collateral securing the same (“**DIP Financing Liens**”), or to any use of cash collateral that constitutes Shared Collateral, unless the Controlling Collateral Agent with respect to such Shared Collateral shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Shared Collateral for the benefit of the Controlling Secured Parties, each Non-Controlling Secured Party will subordinate its Liens with respect to such Shared Collateral on the same terms as the Liens of the Controlling Secured Parties (other than any Liens of any Equal Priority Secured Parties constituting DIP Financing Liens) are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank equal in priority with the Liens on any such Shared Collateral granted to secure the Equal Priority Obligations of the Controlling Secured Parties, each Non-Controlling Secured Party will confirm the priorities with respect to such Shared Collateral as set forth herein), in each case so long as (A) the Equal Priority Secured Parties of each Series retain the benefit of their security interests on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority relative to each other series of Equal Priority Secured Parties (other than any Liens of the Equal Priority Secured Parties constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case, (B) the Equal Priority Secured Parties of each Series are granted security interests on any additional collateral pledged to any Equal Priority Secured Parties as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority relative to each other series of Equal Priority Secured Parties as set forth in this Agreement (other than any Liens of any Equal Priority Secured Parties constituting DIP Financing Liens), (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the Equal Priority Obligations, such amount is applied pursuant to Section 2.01 of this Agreement, and (D) if any Equal Priority Secured Parties are granted adequate protection with respect to Equal Priority Obligations subject hereto, including in the form of periodic payments, in connection with such DIP Financing or use of cash collateral, the proceeds of such adequate protection are applied pursuant to Section 2.01 of this Agreement; provided that the Equal Priority Secured Parties of each Series shall have a right to object to the grant of a security interest to secure the DIP Financing over any Collateral subject to security interests in favor of the Equal Priority Secured Parties of such Series or its Authorized Representative that do not constitute Shared Collateral; provided, further, that the Equal Priority Secured Parties receiving adequate protection shall not object to any other Equal Priority Secured Party receiving adequate protection comparable to any adequate protection granted to such Equal Priority Secured Parties in connection with a DIP Financing or use of cash collateral; and provided, further, that, (i) in the event that the Senior Credit Facilities Secured Parties provide a DIP Financing, the Notes Secured Parties shall be offered a reasonable opportunity to provide a *pro rata* portion of such DIP Financing on the same terms on which such DIP Financing is to be provided by the Senior Credit Facilities Secured Parties, and (ii) in the event that the Notes Secured Parties provide a DIP Financing, the Senior Credit Facilities Secured Parties shall be offered a reasonable opportunity to provide a *pro rata* portion of such DIP Financing on the same terms on which such DIP Financing is to be provided by the Notes Secured Parties, in each case based on the respective amounts of the Senior Credit Facilities Obligations and the Note Obligations outstanding at the time such DIP Financing is provided.

(c) If any Equal Priority Secured Party is granted adequate protection with respect to its Lien on Shared Collateral (i) in the form of Liens on any additional collateral, then each other Equal Priority Secured Party shall be entitled to seek, and each Equal Priority Secured Party will consent and not object to, adequate protection in the form of Liens on such additional collateral with the same priority vis-à-vis the Equal Priority Secured Parties as set forth in this Agreement (other than any Liens of any Equal Priority Secured Parties constituting DIP Financing Liens), (ii) in the form of a superpriority or other administrative claim, then each other Equal Priority Secured Party shall be entitled to seek, and each Equal Priority Secured Party will consent and not object to, adequate protection in the form of a pari passu superpriority or administrative claim or (iii) in the form of periodic or other cash payments, then the proceeds of such adequate protection must be applied to all Equal Priority Obligations pursuant to Section 2.01.

(d) For the avoidance of doubt, nothing in this Section 2.05 shall prevent an Equal Priority Secured Party from acting as a provider of DIP Financing to the Grantor(s) in an Insolvency or Liquidation Proceeding. If an Equal Priority Secured Party is also a DIP Lender, it shall be entitled to seek DIP Financing Liens in such capacity to secure such DIP Financing in accordance with the Bankruptcy Code.

SECTION 2.06. Reinstatement. In the event that any of the Equal Priority Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement or avoidance of a preference or fraudulent or improper transfer under the Bankruptcy Code or other applicable Bankruptcy Law, or any similar law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Article II shall be fully applicable thereto until all such Equal Priority Obligations shall again have been paid in full in cash.

SECTION 2.07. Insurance. As between the Equal Priority Secured Parties, the Controlling Authorized Representative shall have the right to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral.

SECTION 2.08. Refinancings. The Equal Priority Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent of any Equal Priority Secured Party of any other Series (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Secured Credit Document in respect of such Series), all without affecting the priorities provided for herein or the other provisions hereof; provided that the Authorized Representative of the holders of any such Refinancing indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness; provided further that in the event any such Refinancing transaction results in the aggregate principal amount of the applicable Series of Equal Priority Obligations then outstanding being increased and such increased principal amount is not permitted by any of the then extant Secured Credit Documents or Equal Priority Security Documents at the time of the incurrence thereof, then such increased principal amount (solely to the extent of such increase) shall not constitute "Equal Priority Obligations" for purposes of this Agreement.

SECTION 2.09. Controlling Authorized Representative as Gratuitous Bailee for Perfection.

(a) The Controlling Authorized Representative agrees to hold any Shared Collateral constituting Possessory Collateral that is part of the Shared Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit and on behalf of each other Equal Priority Secured Party and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Equal Priority Security Documents, in each case, subject to the terms and conditions of this Section 2.09; provided that at any time after the Discharge of the Series of Equal Priority Obligations for which the Controlling Authorized Representative is acting, the Controlling Authorized Representative shall (at the sole cost and expense of the Grantors), promptly deliver all Possessory Collateral to the new Controlling Authorized Representative (after giving effect to the Discharge of such Series of Equal Priority Obligations) together with any necessary endorsements reasonably requested by such new Controlling Authorized Representative (or make such other arrangements as shall be reasonably requested by such new Controlling Authorized Representative to allow such new Controlling Authorized Representative to obtain control of such Possessory Collateral). Pending delivery to the Controlling Authorized Representative, each other Authorized Representative agrees to hold any Shared Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee for the benefit and on behalf of each other Equal Priority Secured Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Equal Priority Security Documents, in each case, subject to the terms and conditions of this Section 2.09.

(b) The duties and responsibilities of the Controlling Authorized Representative and each other Authorized Representative under this Section 2.09 shall be limited solely to holding any Shared Collateral constituting Possessory Collateral as gratuitous bailee for the benefit of each other Equal Priority Secured Party for purposes of perfecting the Lien held by such Equal Priority Secured Parties therein.

(c) The agreement of each Authorized Representative to act as gratuitous bailee and/or gratuitous agent pursuant to this Section 2.11 is intended, among other things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2), 9-104(a)(2) and 9-313(c) of the UCC.

## ARTICLE III

### Existence and Amounts of Liens and Obligations

SECTION 3.01. Determinations with Respect to Amounts of Liens and Obligations. Whenever any Authorized Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any Equal Priority Obligations of any Series, or the Shared Collateral subject to any Lien securing the Equal Priority Obligations of any Series, it may request that such information be furnished to it in writing by each other Authorized Representative and shall be entitled to make such determination on the basis of the information so furnished; provided, however, that if any Authorized Representative shall fail or refuse reasonably promptly to provide the requested information, the requesting Authorized Representative shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Borrower. Each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any Equal Priority Secured Party or any other Person as a result of such determination.

## ARTICLE IV

### The Controlling Authorized Representative

#### SECTION 4.01. Appointment and Authority.

(a) Each of the Equal Priority Secured Parties hereby irrevocably appoints and authorizes the Controlling Authorized Representative to take such actions on its behalf and to exercise such powers as are delegated to the Controlling Authorized Representative by the terms hereof, together with such powers and discretion as are reasonably incidental thereto. The Controlling Authorized Representative and any co-agents, sub-agents and attorneys-in-fact appointed by the Controlling Authorized Representative pursuant to Section 4.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under any of the Equal Priority Security Documents, or for exercising any rights and remedies thereunder, shall be entitled to the benefits of all provisions of this Article IV (as though such co-agents, sub-agents and attorneys-in-fact were the “Authorized Representative” under the applicable Equal Priority Security Documents) as if set forth in full herein with respect thereto. Without limiting the foregoing, each of the Equal Priority Secured Parties, and each other Authorized Representative, hereby agrees to provide such cooperation and assistance as may be reasonably requested by the Controlling Authorized Representative to facilitate and effect actions taken or intended to be taken by the Controlling Authorized Representative pursuant to this Article IV, such cooperation to include execution and delivery of notices, instruments and other documents as are reasonably deemed necessary by the Controlling Authorized Representative to effect such actions, and joining in any action, motion or proceeding initiated by the Controlling Authorized Representative for such purposes.

(b) Each Non-Controlling Secured Party acknowledges and agrees that the Controlling Authorized Representative shall be entitled, for the benefit of the Equal Priority Secured Parties, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the Equal Priority Security Documents, without regard to any rights to which the Non-Controlling Secured Parties would otherwise be entitled pursuant to the Equal Priority Security Documents (in their respective capacities as such). Without limiting the foregoing, each Non-Controlling Secured Party agrees that none of the Controlling Authorized Representative or any other Equal Priority Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the Equal Priority Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any Equal Priority Obligations), in any manner that would maximize the return to the Non-Controlling Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Equal Priority Secured Parties from such realization, sale, disposition or liquidation. Each of the Equal Priority Secured Parties waives any claim it may now or hereafter have against the Controlling Authorized Representative or the Authorized Representative for any other Series of Equal Priority Obligations or any other Equal Priority Secured Party of any other Series arising out of (i) any actions that do not violate this Agreement that any Authorized Representative or any Equal Priority Secured Party takes or omits to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the Equal Priority Obligations from any account debtor, guarantor or any other party) in accordance with the Equal Priority Security Documents or any other agreement related thereto or to the collection of the Equal Priority Obligations or the valuation, use, protection or release of any security for the Equal Priority Obligations, (ii) any election by any Authorized Representative or any holders of Equal Priority Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law by, any Grantor or any of its Subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, the Controlling Authorized Representative shall not accept any Shared Collateral in full or partial satisfaction of any Equal Priority Obligations pursuant to Section 9-620 of the Uniform Commercial Code of any jurisdiction, without the consent of each Authorized Representative representing holders of Equal Priority Obligations for whom such Collateral constitutes Shared Collateral.

SECTION 4.02. Rights as an Equal Priority Secured Party.

(a) The Person serving as the Controlling Authorized Representative hereunder shall have the same rights and powers in its capacity as an Equal Priority Secured Party under any Series of Equal Priority Obligations that it holds as any other Equal Priority Secured Party of such Series and may exercise the same as though it were not the Controlling Authorized Representative and the term “Equal Priority Secured Party” or “Equal Priority Secured Parties” or (as applicable) “Senior Credit Facilities Secured Party,” “Senior Credit Facilities Secured Parties,” “Note Purchase Agreement Secured Party,” “Notes Secured Parties,” “Additional Equal Priority Secured Party” or “Additional Equal Priority Secured Parties” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Controlling Authorized Representative hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Grantors or any Subsidiary or other Affiliate thereof as if such Person were not the Controlling Authorized Representative hereunder and without any duty to account therefor to any other Equal Priority Secured Party.

SECTION 4.03. Exculpatory Provisions. The Controlling Authorized Representative shall not have any duties or obligations except those expressly set forth herein. Without limiting the generality of the foregoing, the Controlling Authorized Representative:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby; provided that the Controlling Authorized Representative shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Controlling Authorized Representative to liability or that is contrary to this Agreement, any Equal Priority Secured Document or applicable law;

(c) shall not, except as expressly set forth herein, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to a Grantor or any of its Affiliates that is communicated to or obtained by the Person serving as the Controlling Authorized Representative or any of its Affiliates in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) in the absence of its own gross negligence or willful misconduct or (ii) in good faith in reliance on a certificate of an authorized officer of the Borrower stating that such action is permitted by the terms of this Agreement. The Controlling Authorized Representative shall not be deemed to have knowledge of any Event of Default under any Series of Equal Priority Obligations unless and until written notice describing such Event of Default and referencing the applicable agreement is given to the Controlling Authorized Representative;

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Equal Priority Security Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Equal Priority Security Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Equal Priority Security Documents, (v) the value or the sufficiency of any Collateral for any Series of Equal Priority Obligations, or (vi) the satisfaction of any condition set forth in any Secured Credit Document, other than to confirm receipt of items expressly required to be delivered to the Controlling Authorized Representative;

(f) need not segregate money held hereunder from other funds except to the extent required by law or expressly provided for herein or in any Secured Credit Document. The Controlling Authorized Representative shall be under no liability for interest on any money received by it hereunder except if and to the extent it may (at its option and in its discretion) otherwise agree in writing; and

(g) shall not have any fiduciary duties or contractual obligations of any kind or nature under any Additional Equal Priority Agreement (but shall be entitled to all protections provided to the Controlling Authorized Representative therein).

SECTION 4.04. Collateral and Guaranty Matters. Each of the Equal Priority Secured Parties irrevocably authorizes the applicable Authorized Representative, at its option and in its discretion, to release any Lien on any property granted to or held by the Authorized Representative under any Equal Priority Security Document in accordance with Section 2.04 or upon receipt of a written request from the Borrower stating that the releases of such Lien is permitted by the terms of each then extant Secured Credit Document.

SECTION 4.05. Delegation of Duties. The Controlling Authorized Representative may perform any and all of its duties and exercise its rights and powers hereunder or under any other Equal Priority Collateral Document by or through any one or more sub-agents appointed by the Controlling Authorized Representative. The Controlling Authorized Representative and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Affiliates of the Controlling Authorized Representative and any such sub-agent.

(d) if to any other Authorized Representative, to it at the address set forth in the applicable Joinder Agreement.

Any party hereto may change its address, fax number or email address for notices and other communications hereunder by notice to the other parties hereto. For the purposes hereof, the addresses of the parties hereto shall be as set forth above or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties. As agreed to in writing among the Controlling Authorized Representative and each other Authorized Representative from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable person provided from time to time by such person.

#### SECTION 5.02. Waivers; Amendment; Joinder Agreements.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Authorized Representative and the Borrower.

(c) Notwithstanding the foregoing, without the consent of any Equal Priority Secured Party, any Additional Agent may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 5.13 of this Agreement and upon such execution and delivery, such Additional Agent and the Additional Equal Priority Secured Parties and Additional Equal Priority Obligations of the Series for which such Additional Agent is acting shall be subject to the terms hereof.

SECTION 5.03. Parties in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other Equal Priority Secured Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

SECTION 5.04. Survival of Agreement. All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

SECTION 5.05. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 5.06. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 5.07. Authorization. By its signature, each Person executing this Agreement on behalf of a party hereto represents and warrants to the other parties hereto that it is duly authorized to execute this Agreement. The Senior Credit Facilities Collateral Agent represents and warrants that this Agreement is binding upon the Senior Credit Facilities Secured Parties. The Noteholder Representative represents and warrants that this Agreement is binding upon the Notes Secured Parties.

SECTION 5.08. Submission to Jurisdiction Waivers; Consent to Service of Process. Each Authorized Representative, on behalf of itself and the Equal Priority Secured Parties of the Series for whom it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York sitting in New York County, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Authorized Representative) at the address referred to in Section 5.01;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Equal Priority Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Equal Priority Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 5.08 any special, exemplary, punitive or consequential damages.

SECTION 5.09. **GOVERNING LAW; WAIVER OF JURY TRIAL**.

(A) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE PRINCIPLES OF CONFLICTS OF LAWS, EXCEPT AS REQUIRED BY MANDATORY PROVISIONS OF LAW.

(B) EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN.

SECTION 5.10. Headings. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 5.11. Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the other Equal Priority Security Documents or Additional Equal Priority Documents, the provisions of this Agreement shall control.

SECTION 5.12. Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the Equal Priority Secured Parties in relation to one another. None of the Borrower, any other Grantor or any other creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement; provided that nothing in this Agreement (other than Section 2.04, 2.05 or 2.09 and subject to Section 5.11) is intended to or will amend, waive or otherwise modify the provisions of the Senior Credit Agreement, the Note Purchase Agreement or any Additional Equal Priority Documents, and none of the Borrower or any other Grantor may rely on the terms hereof (other than Section 2.04, 2.05 or 2.09). Nothing in this Agreement is intended to or shall impair the obligations of any Grantor, which are absolute and unconditional, to pay the Equal Priority Obligations as and when the same shall become due and payable in accordance with their terms.

SECTION 5.13. Additional Equal Priority Obligations. The Borrower may incur obligations that will constitute Additional Equal Priority Obligations hereunder only if such obligations are permitted to be so incurred and treated as such hereunder by the terms of each then extant Secured Credit Document and the other requirements of this Section 5.13 are satisfied. Any such additional class or series of Additional Equal Priority Obligations (the “**Senior Class Debt**”) may be secured by a Lien and may be guaranteed by the Grantors on a *pari passu* basis with the Liens and guarantees in favor of the other Series of Equal Priority Obligations, if and subject to the condition that the Authorized Representative of any such Senior Class Debt (each, a “**Senior Class Debt Representative**”), acting on behalf of the holders of such Senior Class Debt (such Authorized Representative and holders in respect of any Senior Class Debt being referred to as the “**Senior Class Debt Parties**”), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iv) of the immediately succeeding paragraph.

In order for a Senior Class Debt Representative to become a party to this Agreement,

(i) such Senior Class Debt Representative, each Authorized Representative and each Grantor shall have executed and delivered an instrument substantially in the form of Annex II (with such changes as may be reasonably approved by the Authorized Representatives and such Senior Class Debt Representative) pursuant to which such Senior Class Debt Representative becomes an Authorized Representative and Additional Agent hereunder, and the Senior Class Debt in respect of which such Senior Class Debt Representative is the Authorized Representative and the related Senior Class Debt Parties become subject hereto and bound hereby;

(ii) the Borrower shall have delivered to the Authorized Representatives true and complete copies of each of the Additional Equal Priority Documents relating to such Senior Class Debt, certified as being true and correct by a Responsible Officer of the Borrower;

(iii) the Borrower shall have delivered to the Authorized Representatives an Officer's Certificate stating that such Additional Equal Priority Obligations to be incurred are permitted by each then extant Secured Credit Document, or to the extent a consent is otherwise required to permit the incurrence of such Additional Equal Priority Obligations under any such Secured Credit Document, such requisite consent has been obtained; and

(iv) the Additional Equal Priority Documents, as applicable, relating to such Senior Class Debt shall provide, in a manner reasonably satisfactory to each Authorized Representative, that each Senior Class Debt Party with respect to such Senior Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Senior Class Debt.

SECTION 5.14. Integration. This Agreement together with the other Secured Credit Documents and the Equal Priority Security Documents represents the entire agreement of each of the Grantors and the Equal Priority Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor, any Authorized Representative or any other Equal Priority Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Credit Documents or the Equal Priority Security Documents.

SECTION 5.15. [Reserved].

SECTION 5.16. Information Concerning Financial Condition of the Borrower and the other Grantors. The Controlling Authorized Representatives, the other Authorized Representatives and the Equal Priority Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Borrower and the other Grantors and all endorsers or guarantors of the Equal Priority Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Equal Priority Obligations. The Controlling Authorized Representative, the other Authorized Representatives and the Equal Priority Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that the Controlling Authorized Representative, the other Authorized Representatives or any Equal Priority Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Controlling Authorized Representative, the other Authorized Representatives and the Secured Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 5.17. Additional Grantors. The Borrower agrees that, if any Subsidiary of the Borrower shall become a Grantor after the date hereof, it will promptly cause such Subsidiary to become party hereto by executing and delivering an instrument in the form of Annex III; provided that, for the avoidance of doubt, such obligation shall be considered promptly satisfied if such joinder is executed and delivered in accordance with the timing for delivery of joinder documents under the Senior Credit Agreement and the Note Purchase Agreement. Upon such execution and delivery, such Subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder, and will be acknowledged by each Authorized Representative. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 5.18. Further Assurances. Each Authorized Representative, on behalf of itself and each Equal Priority Secured Party under the applicable Senior Credit Agreement, Note Purchase Agreement or Additional Equal Priority Debt Facility, agrees that it will take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as the other parties hereto may reasonably request to effectuate the terms of, and the Lien priorities contemplated by, this Agreement.

SECTION 5.19. Senior Credit Facilities Collateral Agent and Noteholder Representative. It is understood and agreed that (a) the Senior Credit Facilities Collateral Agent is entering into this Agreement in its capacity as collateral agent under the Senior Credit Agreement and the provisions of the Senior Credit Agreement and the other Loan Documents (as defined in the Senior Credit Agreement), including Article VIII of the Senior Credit Agreement, granting or extending any rights, protections, privileges, indemnities and immunities to the Senior Credit Facilities Collateral Agent in such capacity shall also apply to it as Senior Credit Facilities Collateral Agent, Authorized Representative and Controlling Authorized Representative hereunder and (b) the Noteholder Representative is entering in this Agreement in its capacity as Noteholder Representative under the Note Purchase Agreement and as Noteholder Representative under the Notes Collateral Agreement and the provisions of the Note Purchase Agreement and the Notes Collateral Agreement granting or extending any rights, protections, privileges, indemnities and immunities to the Noteholder Representative in such capacity thereunder shall also apply to it as Noteholder Representative, Authorized Representative and, if applicable, Controlling Authorized Representative hereunder.

For the avoidance of doubt, the parties hereto acknowledge that in no event shall the Senior Credit Facilities Collateral Agent or Noteholder Representative be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether any such party has been advised of the likelihood of such loss or damage and regardless of the form of action.
